CIVIL ORDERS

JUNE 10, 2014

Issued to All Members of the Domestic Police Forces, US Marshals Service, the Provost Marshal, Members of the American Bar Association and the American Armed Services

At the federal level, the American government has always been a *separate foreign international maritime jurisdiction* operating under contract to provide **just two services**: (1) **to protect** the assets of the national trust, and (2) **to perform** governmental services for the Several States — which in terms of international law are each and **all** recognized as **sovereign nations**.

The *equity contract* known as **The Constitution for the united States of America** makes it clear that the Several States contracted to form *a single governmental services agency* known as **The United States**. The contract designates in the Preamble and Bill of Rights *the assets to be held in trust* by the federal government comprising the trust indenture portion of the contract and also designates *the nineteen enumerated services* to be performed — and exactly what *"powers"* the States agreed to delegate to **The United States** and how they would pay for these services.

What is **not** so widely known or appreciated is that *the governmental services company known as The United States was a privately owned and operated commercial company set up by Benjamin Franklin in 1754*. George Washington was actually the *11th "President"* of this **Company**, and the 1st President to take office after the receipt of the **"Constitution" contract**.

According to the 1824 Webster's Dictionary, at the time the original Constitution was written, the word **"federal"** was a synonym for **"contract"**. **All "constitutions" are affirmations of debt** — in this case, the debt that the States assumed when they created the federal government and *jointly agreed* to pay for the services that it would provide. The office of **"President"** is, and always has been, a uniquely **commercial office**, not a "Head of State".

Because the *federal governmental services company* is privately operated and owned, only *shareholders* known as *"electors"* have a real say in its elections and administration; only *"trustees"* known as *"members of Congress"* have the right to determine *how* the national trust assets are protected, though they are obligated *as trustees* to do a reasonable job of it, and *only the States have the right to complain* if the designated services aren't up to par.

The American people at large, known simply as “*inhabitants of the domestic states*” or “*State Citizens*” have always been a separate and distinct population apart from “*US citizens*” or “*Federal Citizens*” — and to these two groups a *third kind of “citizen*” was added in 1871, that of “*US citizen*”.

Following the Civil War, the *governmental services company* providing the services agreed to by the States, *reorganized as a corporation* d.b.a. the “**United States of America, Incorporated**” and published its Articles of Incorporation as the “*Constitution of the United States of America*”.

Unlike “*The Constitution for the united States of America*”, the “*Constitution of the United States of America*” is a document peculiar to the new “**Municipal**” or “**City State**” government **formed to administer the affairs of the District of Columbia and its federal territories and possessions.**

This *corporate “constitution”* provided for the creation of a new kind of “**Federal Citizen**” — a “**US Citizen**” — and from that point onward, from the perspective of *the new federal municipal government formed by the Act of 1871*, — **American State Citizens** (the inhabitants of the domestic fifty states) were regarded as “**non-resident aliens**” of the District United States. This same corporation, d.b.a. the “United States of America, Incorporated” (chartered in Delaware), began operating *two separate “governments”* at once — the “*municipal government of the District of Columbia*” and the “*federal government*” *owed to the States of the Union* — both under the auspices of the “**United States Congress**”.

These *semantic deceptions* have given rise to endless confusions, usurpations, and criminality. These *General Civil Orders* address *some* of those issues which are most important at this time.

The Congress *ceased operating* as it was required by contract to operate; in **1860**. After December **1865**, it never again operated as an *unincorporated Body Politic* representing the States of the Union. The “*federal government*” has functioned ever since exclusively as an *incorporated commercial entity*, with an elected Board of Directors calling itself the “**US Congress**”. As such, the “*federal government*” is a *for-profit commercial corporation* like any other for-profit commercial corporation. It has no special status, *no immunity from prosecution*, and hasn’t functioned as a governing body of a sovereign nation **for 150 years!**

To overcome this obvious difficulty the “**US Congress**” formed a *second “union of American states”* from the “*federal territories and possessions*”. From the Seven Insular States, including the “State of New Columbia” (District of Columbia), Guam, Puerto Rico, American Samoa, et alia, a *new nation* was formed, calling itself “**the United States of America**”, claiming separate national sovereignty.

Thus we have *the United States of America* comprised of the fifty organic States created by Statehood Compacts, and *the district United States*; both being administered under the direction of *the corporate Board of Directors* known as the “**US Congress**” — which has continued to act *solely* as the sovereign government of *the corporate United States*.

These *blatant semantic deceptions* by officers of the federal corporation and officials of *the corporate United States* amount to *purposeful constructive fraud* against their *employers*, the American organic states. To try to overcome this obstacle, members of the “**US Congress**” contrived a “*complex regulatory scheme*” by which they established their *own “State” governments* and have tried to claim that they have been “*at war*” *with the American people*, while relying upon the organic states for their own sustenance, and have falsely claimed that they have established “*exclusive legislative jurisdiction*” over the original states of the Union by these acts of *self-interested fraud* carried out against their *employers* and benefactors.

Fraud has no statute of limitations.

The *governmental services corporations* have always been under commercial contract to provide services to the American people and have acted against their employers, as employees.

It is essential that *members of the Bar Associations; members of the “State” governments* which have been surreptitiously “redefined” to their detriment; *members of the domestic police forces; and members of the various armed forces* gain a clear understanding of the **fact** that for purposes of administration of government services on American State soil, *the “federal government” is a corporation with no more civil authority on the land than JC PENNY, or HARLEY DAVIDSON, INC.*

The “**federal government**” is under contract to the organic States. Our Forefathers vested *the ENTIRE civil government on the land* in the people inhabiting the land. Therefore *each American is a sovereign “organic state” of the union.* Each one of us has more civil power and authority *on the land* than the entire “**federal government**” has ever had, or ever can have.

For that reason — and as a result of the deliberations which have already taken place among other nations of the world — the “**federal government**” d.b.a. the *UNITED STATES, INC. — a French commercial corporation* — is hereby called to task for *non-performance* on its contractual obligations. The semantic deceits involved in *claiming that American State Citizens are “US citizens”* and all the other fraudulent claims advanced against the American people and states *are to be fully recognized for what they are* — **fraudulent claims, having no merit and owed no allegiance nor enforcement.**

Other corporate entities, notably the *FEDERAL RESERVE* and *INTERNATIONAL MONETARY FUND*, which are responsible for creating and promoting this fraud, are to be recognized and dealt with appropriately, as *international dealers in usury and fraud.*

American Negroes have in the past been considered “**US citizens**” because that is the only “*citizenship*” they were ever granted after the Civil War, a grave travesty of justice that resulted in them having only “*civil rights*” which are only *privileges* granted by the “US Congress” instead of the “*Natural and Unalienable Rights*” they are really heir to. They were *also* claimed as chattel backing the debts of the *United States’ prohibitions abolishing slavery and peonage.*

A prompt correction is available from the organic states by proclamation. The people in the organic states are granted full and *immediately recognizable status* as “**American Nationals**” owed all the “*Natural and Unalienable Rights*” of any other organic State Citizen, no matter which geographically defined state they may inhabit on the land. The only exceptions are those residents born **within** (inside) the borders of the Insular States — District of Columbia, Guam, Puerto Rico, etc. — who must *self-declare their status under Article 15 of The Universal Declaration of Human Rights.*

It has been the policy of *the United States of America* to consider all *federal employees* and *members of the active duty military who are birthright inhabitants of the United States of America*, to be temporary “**dual citizens**” subject to *the corporate UNITED STATES.*

However, *the United States of America* recognizes *no dual citizenship*, and the process required for *any birthright inhabitant of the land*, to adopt “**US Citizenship**” is both lengthy and purposeful, as stated in **US Statute at Large 2, Revised Statute 2561.** As the *employers* and *creditors of the United States of America* we exercise our *proprietary interest* and direct all *American State Citizens* to defend the interests and integrity of the American organic states, regardless of any contrary “orders” issued by any corporate officer of the *UNITED STATES, or foreign official* acting under the auspices of *the United States of America.*

All birthright State Citizens of *the United States of America* are specifically enjoined from engaging in any activity contrary to the health, welfare, safety, and benefit of their fellow State Citizens, or will otherwise be recognized as **criminals** regardless of what uniforms they wear or what authorities they pretend to have. If **corporate “President” Obama** should order any member of the “US military” or any armed “agency personnel” — BATF, IRS, NSA, FEMA, etc. — to open fire upon *American State Citizens*, it would constitute a *war crime* against non-combatant civilians and it would be immediately recognized as such throughout the world.

For all military and civilian-based defense and law enforcement agencies the rule to be observed is: if you can’t do it as a private individual, you can’t do it as a public officer.

Any State Citizen who is forced to open fire on federally or federal “State” or “STATE” funded personnel in defense of property or life will be recognized as *a non-combatant civilian* without exception, held harmless, and supported by all members of the American Armed Forces of THE UNITED STATES OF AMERICA and all American State Militias. Any State Citizen so imposed upon by those in his or her employment or hired by those in his or her employment in any capacity whatsoever including “elected” officials, will be entitled to *full reparations* in the amount of \$5,000,000.00 USD or the equivalent at the time of the damage incurred, *for every death*; \$2,500,000.00 USD or the equivalent at the time of the damage, *for every permanent disability*. They shall also be owed *full reparations* for all property damage incurred and up to eighty (80) times compensatory damages at the discretion of a jury of their peers.

The individual States of the Union formed by Statehood Compact retain the full and unencumbered claim upon their birthright inhabitants. These “states” are defined geographically. They are not incorporated entities, and they are not “represented” by any incorporated “State of _____” or “STATE OF _____” organization at this time. They are presented solely by the *unincorporated* Body Politic and their individual inhabitants, who retain all organic and civil prerogatives on the land.

Those organizations currently calling themselves the “State of Alaska” or the “STATE OF ALASKA”, etc., are representatives of two different governmental services corporations operated by the FEDERAL RESERVE (“State of Alaska”) and the INTERNATIONAL MONETARY FUND (“STATE OF ALASKA”), doing business as franchises of the United States of America, Inc. and the UNITED STATES, INC. respectively. They have no representational capacity whatsoever and are operating under commercial contract only.

Because these “State” and “Federal” entities have all functioned under conditions of **non-disclosure and semantic deceit** serving to promulgate fraud upon the organic states and the American people, they are all to be considered **criminal syndicates** to the extent that they have been aware of their status and have failed to correct their operations and representations. **All contracts** held by these organizations or assumed to be held by these organizations **are null and void for fraud**. These contracts include but are not limited to contracts for sale, for labor, for trade, “citizenship” contracts, powers of attorney, licenses, mortgages, registrations, and application agreements of all kinds. All signatures of **American State Citizens** acting under the influence of semantic deceit and non-disclosure *are rescinded*.

All those individuals engaged in employment as “federal” and “state” and “municipal” employees and “elected officials” are hereby given Notice that they are employees of private, for-profit corporations that are merely under contract to provide designated public services, having no special status, having no immunity, and having no authority as sovereign nations or states. Any actions that they take infringing on the rights and prerogatives of **American State Citizens** are criminal acts without exception and are to be treated as criminal acts. These individuals have exactly the same standing as employees of any other

commercial company, and the rules, regulations, codes, and other “statutes” they enforce are obligations unique to those organizations only.

Posse Comitatus is to be observed and enforced on the land of the domestic organic states regardless of any Executive Order to the contrary issued by Barack H. Obama acting as “President” of the United States of America or as the President of any **incorporated** entity whatsoever. Any such imposition of “martial law” by Mr. Obama has exactly the same legal standing as “martial law” imposed by the President of BURGER KING, INTERNATIONAL or the King of Sweden on the land of the organic states. He can order his paid employees to commit hari kari if he wishes to do so, and they may follow his instructions if they care to, but they may *not* under any circumstance murder anyone, assault anyone, seize any private property, or cause any trouble for **American State Citizens**, or they shall be immediately recognized as **criminals** and be treated as such.

Likewise, the government of the United States of America may do what it wills with those who are legitimately born under its hegemony, but it cannot say one word claiming authority over any birthright State Citizen of The United States of America.

Please note that Barack H. Obama is “Commander in Chief” of the “**US Armed Forces**” which legitimately includes the Puerto Rican Navy and whatever security forces are endemic to Guam, American Samoa and the other Insular States.

The Grand Army of the Republic and its successors are obligated to perform under General Order 100.

The **American Armed Forces** also known as the **Armed Forces of The United States of America** are paid for by and obligated to serve the 50 organic states, which we represent and for which we require your service. In the absence of a properly formed and operational government of the Republic, **all rights revert to the organic states**, including the civil authority to issue these General Orders. “President” Barack H. Obama is operating as an official of the United States of America and as a corporate officer in the employ of the UNITED STATES, a French commercial corporation chartered by the International Monetary Fund, an agency of the UNITED NATIONS. He is not now nor has he ever been elected to any public office of The United States of America.

Likewise the members of the “US Congress” have never taken the Oath of any Public Office of The United States of America and are merely operating *as private corporate officers* of the same commercial corporation d.b.a. the corporate “United States”.

All offices deriving and paid and/or receiving credit entirely or in part as a result of the original equity contract known as The Constitution for the united States of America are offices of the Armed Forces of The United States of America by definition and those who serve in these offices are employees of the inhabitants of the domestic 50 States defined by Statehood Compacts. As such, you are now receiving direct orders under the civil authority of these organic states.

All the foregoing circumstance is indeed the “mischief” predicted by Chief Justice Harlan in his dissenting opinion given in *Downes v. Bidwell* — mischief resulting from allowing Congress to operate two governments at once, one a **constitutional Republic**, and the other an **oligarchy under the plenary control of Congress**. The members of the “US Congress” have been corrupted by power lust or through ignorance, subverted and used to serve the aims of criminals. That does not give anyone a license to sin. It simply requires the recognition of the sins of the members of the Congress and appropriate enlightened action depriving them of any power or excuse to continue these usurpations and deceptions.

There are 515 people responsible. It is incumbent upon them to straighten things out, and for the rest of us to insist that they do. **It is also the responsibility of all members of the domestic police.**

The **right** to act comes with the **responsibility** to act!
