

Final Judgment and Civil Orders  
**APRIL 11, 2014**

## For Example:

1 When you applied for a “marriage license” a private, for-profit franchise of the  
2 UNITED NATIONS doing business as the STATE OF \_\_\_\_\_ claimed a  
3 custodial **ownership** interest in your marital relationship and the products resulting  
4 from it. On the basis of your own signature, this entity secretly claimed to own  
5 you, your wife, and your children as chattel. According to them, when you apply  
6 for a marriage license, the nature of the marriage contract changes and becomes a  
7 "civil contract".

8 *"Marriage is a civil contract to which there are three parties - the husband, the*  
9 *wife and the state." Van Koten v. Van Koten. 154 N.E. 146.*

10 Did you ever **intend** to give a foreign privately owned corporation merely calling  
11 itself the STATE OF \_\_\_\_\_ permission to distribute your assets in a  
12 divorce, force you to pay alimony and child support, and to seize custody of your  
13 minor children under armed force?

14 Were these results of signing a “marriage license” ever disclosed to you by the  
15 STATE? Did the STATE disclose its identity and nature, as a franchise of a  
16 foreign, for-profit, privately owned corporation?

17 You were **never** required to have a marriage license to be lawfully married----but  
18 was that fact ever fully disclosed to you by the STATE?

19 **You have the absolute right to rescind your signature from any contract that**  
20 **was not fully disclosed to you.** Such a contract is null and void, as if it never  
21 existed at all, and all payments and other asset distributions exercised under it are  
22 subject to return to the lawful owner(s), plus reasonable interest.

23 **You are not obligated by any contract obtained under conditions of fraud,**  
24 **deceit, or non-disclosure. The STATE is culpable for its failure to disclose.**

25 Any demand that you produce a “marriage license” as a prerequisite to access  
26 services and benefits to which you are otherwise entitled---such as medical  
27 insurance coverage for your spouse --- are illegal monopoly inducements.

28 **This is just the tip of the iceberg.**

## In the Presence of God, Pope Francis, and the World:

Let it be known to all living and dead, and to all those responsible for administration of the affairs of the living and dead, that all commercial contracts ever actually or presumptively existing between the living man known to the public as “james-clinton:belcher” and the living woman known to the public as “anna-maria:riezinger” and their similarly named ESTATES and privately held American express and *inter vivos* trusts, including “Anna M. Riezinger-von Reitz and James C. Belcher” and the **following incorporated entities**---the United States of America (Minor), the city-state of Westminster, United Nations, UNITED NATIONS, the UNITED STATES, Federal Reserve, FEDERAL RESERVE, International Monetary Fund, IMF, and all their respective franchises, agencies, and departments including the State of Alaska and STATE OF ALASKA--- are all and uniformly invalidated for semantic deceit and non-disclosure.

All signatures of the living man and woman are rescinded from all documents in the possession of any of these incorporated entities which claim or seek to claim any beneficial commercial interest in them or their ESTATES or which claim any representative capacity related to them or their ESTATES whatsoever.

All interest, good faith service, and accrual on investment owed to the living people as the beneficiaries and entitlement holders of their own ESTATES is due and owed to them and their heirs without exception or prejudice by the officers and administrators of the United States of America (Minor), the city-state of Westminster, and the United Nations.

Be it also known that these and other individual American Nationals now exercise their birthright upon the land of the organic states united by the Articles of Confederation (1781) and that they have the full and unimpeded right to act as Judges of these organic states, to issue orders related to their administration, and to demand compliance with all Articles of the national trust indenture and commercial service contract known as “The Constitution for the united States of America” and all related international treaty provisions owed to us by the United States of America (Minor) and the United Nations and the city-state of Westminster, and any successors, executors, administrators, corporate officers, elected or appointed officials, trustees, agents, agencies, franchises, franchise operators, and employees thereof, now and in perpetuity.

64 To: All Concerned and All Recipients of FINAL NOTICE dated February 3, 2014

65

### **Final Judgment and Civil Orders**

66 Fifty-five (55) days have passed without any sworn affidavit in rebuttal of the facts presented by  
67 the FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE DEFAULT issued to the  
68 individuals, persons, and institutions responsible for default. All have been promptly and  
69 properly notified of mis-administration of the public trusts established in the Names/NAMES of  
70 living Americans and the organic American states by incorporated entities doing business as the  
71 United States of America, Inc. and the UNITED STATES, INC. and their trustees, officers,  
72 employees, and agents who are under contract to provide governmental services to those harmed.

73 Under Law of the Sea the claims and demands presented by the FINAL NOTICE OF  
74 COMMERCIAL AND ADMINISTRATIVE DEFAULT dated February 3, 2014 are decided and  
75 are now in permanent settlement. They stand as **fact** in law.

76 Notice of the *Motu Proprio* issued by Pope Francis acting as Trustee of the Global Estate Trust  
77 on July 11, 2013, has been presented to all directly interested parties in Alaska via ancient Edict  
78 of Notice: Notice to Principals is Notice to Agents and Notice to Agents is Notice to Principals.  
79 The United States of America (Minor) and the Federal Reserve Banks dba the United States of  
80 America, Inc. and the United Nations City State and its agency the International Monetary Fund,  
81 (IMF) dba UNITED STATES, INC. and its STATE OF ALASKA franchise are commanded and  
82 required under contract to the Global Estate Trust to perform according to The Constitution for  
83 the united States of America and to cease and desist action against the American people and the  
84 organic American states, including Alaskans and the Alaska State created by The Alaska  
85 Statehood Compact.

86 The Alaska Bar Association, its members, the various Court Administrators, and the Alaska  
87 Judicial Council have been similarly notified and ordered to cease and desist practices,  
88 presumptions, and procedures which serve to defraud living Americans and lay false claims  
89 against their private property assets under pretense of war and color of law.

90 The entities addressed under FINAL NOTICE OF COMMERCIAL AND ADMINISTRATIVE  
91 DEFAULT dated February 3, 2014 are all competent to recognize their culpability and failure to  
92 perform under commercial service contract, failure to honor the national and state trust  
93 indentures, and failure to provide full and free disclosure of contracts solicited by the named  
94 governmental services corporations and agencies cited for default.

95 **Absent a fully disclosed and actual maritime contract entered in evidence and subjected by**  
96 **the court to examination and open discussion, no valid contract can be presumed to exist**

97 **and no American ESTATE or other vessel can be prosecuted under any maritime or**  
98 **admiralty jurisdiction.** No contract based on unilateral, uninformed, undisclosed, or otherwise  
99 prejudicial claims of residency, benefit, status, license, mortgage, or other contract lacking true  
100 equitable consideration and consent can be maintained with regard to the ESTATES of American  
101 Nationals who are living inhabitants of the land and air jurisdictions of the Global Estate Trust,  
102 and not naturally subject to the jurisdiction of the sea.

103 All such American Nationals who are inhabitants of the land and their ESTATES are  
104 additionally protected by treaty and national trust and are owed safe conduct for themselves and  
105 their commercial vessels on the High Seas and Navigable Inland Waterways. For military  
106 tribunal purposes, all American Nationals, American ‘persons’, and commercial vessels are non-  
107 combatant civilian Third Parties.

108 All Provost Marshals, all members of the civilian police forces, all members of the American  
109 military, all members of STATE operated National Guard units, all members of government  
110 agencies including the U.S. Marshals Service, FBI, State Troopers, BLM, BATF, IRS, and other  
111 code enforcement agents are ordered to recognize the civil authority of the organic 50 states  
112 created by Statehood Compacts and united under The Articles of Confederation, and to also  
113 recognize the absolute civil authority of the American people inhabiting these organic and  
114 geographically described states in all matters pertaining to them and the administration of their  
115 domestic government on the land known as The United States of America (Major), not to be  
116 confused with the United States of America (Minor) which is a foreign, maritime entity under  
117 commercial contract to provide governmental services for The United States of America (Major).

118 All police and military officers are obligated to honor the **Law of the Land** in all dealings with  
119 or pertaining to the organic states and their living inhabitants without exception, noting that these  
120 people and states are owed the terms and conditions of the original equity contract known as The  
121 Constitution for the united States of America, are to be addressed under **American Common**  
122 **Law** exclusively, and that they retain their natural and unalienable rights, including their **natural**  
123 **identity, property rights and controlling interests** without prejudice and regardless of fraud  
124 and monopoly inducement practiced against them in breach of trust and contract default.

125 All actions of the various Probate Courts operating in maritime jurisdictions and merely  
126 presuming death based upon the inaction of American National beneficiaries of the American  
127 Republic and serving to establish maritime salvage liens against their ESTATES are by these  
128 Orders invalidated, made null and void. All American Nationals whose names and ESTATES  
129 are presently included on tax rolls, and who are recorded by census data, school records, birth  
130 certificates, and other public documents **must be presumed to be alive and competent** in the  
131 absence of a properly **sworn** Death Certificate signed by the local Coroner stating cause of death,

132 date, time, and place, corroborated by at least two responsible and knowledgeable living  
133 witnesses. In the case of legitimately missing people diligent search and fully disclosed  
134 publication of all claims against their estates must be made by giving Notice to the last known  
135 address and next of kin. Any contrary presumption or practice is fraudulent, null and void.

136 Any action of the Probate Courts operating in maritime jurisdictions and making claim upon  
137 actual real assets of similarly named American Nationals in behalf of legal fiction “missing  
138 persons” owned by the United States of America, Inc., UNITED STATES, FEDERAL  
139 RESERVE, or any franchises or agencies thereof, are similarly rendered null and void. Once  
140 created legal fictions do not have any necessary or valid estate; such estate as they may  
141 legitimately be granted must be obtained under conditions of fully revealed and disclosed  
142 contract entered into voluntarily and with explicit individual understanding and consent. Any  
143 estate obtained by legal fiction entities by process of semantic deceit or undisclosed contract  
144 belongs in fact and law to those defrauded. These Civil Orders command and require the return  
145 of all titles to land, homes, properties, and businesses which have been held under color of law  
146 by the Federal Reserve doing business as the United States of America, Inc., and their  
147 bankruptcy Trustee, the Secretary of the Treasury of Puerto Rico, and their administrative agents,  
148 including the Custodian of Alien Property and the Comptroller General.

149 All separate registrations under the Sheppard Towner Act and the Selective Service Act of  
150 American Nationals and their progeny by agents of the United States of America (Minor) dba the  
151 United States of America, Inc. and its various State franchises and subsequently maintained by  
152 STATE franchises of the United Nations and the International Monetary Fund, are invalid as a  
153 class for anything but traditional recording purposes and the benefit of any securities based in  
154 whole or in part upon these and any other involuntary or undisclosed registrations such as  
155 “Vehicle Registrations” are **private property** benefiting the individual American Nationals who  
156 are the **lawful entitlement holders** of all commercial vessels operated under their given names  
157 by any corporation providing governmental services, **including banks**. All vessels in commerce  
158 operated under the names of American Nationals are owed full treaty and trusteeship obligations  
159 from the United States of America (Minor) and the United Nations and all franchises and  
160 agencies which these nation states operate worldwide.

161 These Civil Orders command performance delivering unto Caesar upon the land, including  
162 return of all real assets and property owed to American Nationals free of claim, debt, and  
163 encumbrance created under conditions of fraud, breach of trust, and breach of commercial  
164 contract.

165 All judges, attorneys, clerks, and other employees of incorporated courts and court systems,  
166 together with the international banks employing them, who have knowingly failed to fully and  
167 freely disclose their nature, identity, status, jurisdiction, standing, and venue are subject to  
168 international criminal prosecution for felony fraud under full commercial liability and officers of  
169 the law and military officers who enforce illegal actions ordered by these in-house international

170 commercial tribunals against American Nationals at the request of any such “court” are  
171 responsible for war crimes committed against non-combatant civilians as of September 1, 2013.

172 All politicians and Trust Management Organization employees acting directly or via franchise or  
173 agency who have been elected or appointed to private corporate offices within governmental  
174 service corporations, their franchises, or agencies, and who have knowingly pretended to occupy  
175 public offices of the American organic states and who have transgressed beyond their limited and  
176 private authority are **fully liable** for impersonating American public officials while acting as  
177 private corporate officers.

178 All federal and federal franchise (“State” and “STATE”) employees who have **willfully** and  
179 **knowingly** conspired to misinform, mislead, mortgage, indebt, extort credit from and otherwise  
180 undermine the material interests of American Nationals via non-disclosure, fraud, racketeering,  
181 force of arms, extortion, compulsion, semantic deceit and constructive unlawful conversion are  
182 guilty of international war crimes against unarmed and non-combatant civilian inhabitants of the  
183 land and against commercial vessels belonging by birthright and copyright to those inhabitants.

184 The United States of America (Minor) and the city-state of Westminster and its franchises,  
185 employees, and agents, are ordered to comply with all stipulations and limitations required by the  
186 original equity contract known as “The Constitution for the united States of America” when  
187 addressing American Nationals, and when providing any and all government services to  
188 American Nationals inhabiting the land of the domestic geographically defined 50 states. They  
189 are likewise commanded to release all titles and claims held under color of law against the  
190 ESTATES of the American states and the American Nationals inhabiting the organic states of the  
191 Union. All incorporated governmental services organizations must immediately cease all action  
192 against the material interests of their employers and creditors, the American states and people,  
193 and settle all accounts.

194 There are no so-called “war powers” allowed to any member of Congress representing The  
195 United States of America (Major), which has remained at peace since 1865. Likewise, there are  
196 no “emergency powers” granted by any of the organic states, no indefinite detainment provisions  
197 applicable to any American National under the National Defense Authorization Act 2012 or any  
198 similar “Act” of Congress. All “Acts of Congress” undertaken without full commercial liability  
199 and not fully enacted as Public Law apply only to the employees and citizens of the United  
200 States of America (Minor) and no claim of employment or “US citizenship” made by the United  
201 States of America (Minor) against any inhabitant of the land of the 50 states can be maintained  
202 on the basis of undisclosed, unilateral, or second party contract or presumption in violation of the  
203 actual American Public Law governing US citizenship, US Statute at Large 2.

Final Judgment and Civil Orders

**APRIL 11, 2014**

204 Any deliberate or systematic use of the given name of any living individual man or woman by  
205 **any incorporated entity pretending to represent them or their material interests** to create  
206 legal fiction entities operated under-in-or for their name without the full knowledge and consent  
207 of that individual is a **prohibited abuse of the rights of usufruct**. All such acts, proposals,  
208 programs, and agencies created by the United Nations and by the United States of America  
209 (Minor) addressed to American Nationals seeking to conscript, obligate, indebt, misinform, or  
210 entrap them into any contract whatsoever in which the identity and true nature of the Parties is  
211 obscured, not in kind, or wherein the actual terms, claims, conditions, and results of contract are  
212 not made explicit, plain, and fully revealed are null and void *ab initio*, as if they never were. All  
213 representations serving to misappropriate the good faith and credit of American Nationals and  
214 their organic states in favor of any incorporated entity are self-interested, null and void. All  
215 registrations, licenses, application processes, and similar devices used by the Federal Reserve  
216 dba United States of America, Inc. and International Monetary Fund dba UNITED STATES and  
217 the FEDERAL RESERVE now operating as an entity incorporated under United Nations  
218 auspices, and their various agencies and “state” franchises, are fraudulent, null and void, contrary  
219 to Public Law of the United States of America (Major) and the individual free states.

220 **Any undeclared agent of the United States of America (Minor) or the United Nations**  
221 **caught soliciting such contracts will be arrested, prosecuted, and deported and no further**  
222 **enforcement of such contracts will be allowed on the soil of the United States of America**  
223 **(Major) against any birthright inhabitant of the land.**

224 **Such foreign, repugnant, and misrepresented commercial contracts include but are not**  
225 **limited to: vehicle registrations, driver licenses, marriage licenses, voter registrations,**  
226 **applications for welfare or medical or insurance benefits, including “social security**  
227 **insurance”, claims of foreign citizenship or foreign personage, residency, mortgages, and**  
228 **public employee retirement benefits.**

229 Parents are not enabled to indebt, pledge, conscript, or otherwise enter their children into any  
230 form of bondage, debt, peonage, or enslavement. Any and all relinquishments of individual or  
231 parental rights must be voluntary, fully disclosed, completely enumerated, fully discussed, and  
232 the real natures and actual identities of all parties to any custodial, commercial, or grant contract  
233 of any kind whatsoever, like any agency appointment, must in **all** details be fully revealed and  
234 disclosed, explicitly discussed, explicitly agreed upon, and voluntarily entered into by all parties.  
235 Any contracts failing these requirements and merely being presumed to exist via tacit  
236 agreements, third party representations, or presumed benefit are null and void.

237 These Civil Orders require that all law enforcement and military officers currently in the  
238 employment of the United States of America (Minor), the city-state of Westminster, and the  
239 United Nations, together with their commercial companies under contract to provide services  
240 within the 50 states United be fully and freely informed of these facts and the limitations that are  
241 fully applicable to them and their operations on American soil. All American Nationals are to be

242 considered non-combatant Third Parties without exception, who are owed peace and protection  
 243 and performance upon all commercial contracts, treaties, trust indentures, and agreements  
 244 entered into with the Global Estate Trust and its members, franchises, and agencies.

245  
 246 These Civil Orders also require that corporate administrative tribunals being operated as courts  
 247 of any kind explicitly and fully declare their identities, natures, venues, services, ownerships, and  
 248 proper jurisdiction in plain, explicit, fully revealed language with no further purpose of evasion,  
 249 obstruction, or lack of good faith service. They are additionally commanded to scrupulously  
 250 observe their limitations and to clearly state their foreign jurisdictions whenever addressing  
 251 American Nationals.

252  
 253 These Civil Orders come without the United States of America (Minor), without the United  
 254 Nations, without the city-state of Westminster, without representation, and without prejudice.

### 1. What does the Pope, the Holy See, and the Vatican have to do with anything?

278

279

280

281

282

283

284

285

All forms of law beginning with Ecclesiastical Law and including the ancient Law Merchant and Law of the Sea, the Roman Civil Law, and most recently, the Uniform Commercial Code and International Criminal Code are ultimately defined by the Holy See and administered by the Roman Curia, under the Trusteeship of the Pope. Control and caretaking of the earlier law forms was undertaken by the Holy See during the First Holy Roman Empire (800 A.D.) and by contract and consent, has remained in the Holy See's control ever since. The two more recent law forms, the Uniform Commercial Code and the International Criminal Code are copyrighted by Vatican subsidiaries.

286

287

288

289

290

**The Papacy has functioned in two distinct roles for over 1200 years, exercising both sacred and temporal powers.** The Pope is named in two distinct offices and wears two different hats. As the leader of the Church and in sacred office, he is properly regarded as "His Holiness Pope Francis". As the CEO in charge of worldwide commercial affairs executing the temporal powers of the second office, he operates as "FRANCISCUS".

291

292

293

294

295

296

297

298

299

The duties of both offices are distinct and yet ultimately inter-related, due to the Pope's responsibility to oversee the Global Estate Trust. Since the 1400's (see Primary Source Reading List) every Pope has acted as the ultimate Trustee and Steward of the entire Earth conceived as a Trust: the Global Estate Trust. This Trust, which was created over 400 years ago, is divided into three jurisdictions---Air, Land, and Sea. All three are further divided into realms of the Living and the Dead---the living being actual flesh and blood men and women and animals and other creatures in which the blood flows or sap ascends, the dead being all those organic entities who have died and all legal fiction entities, including trusts, corporations, foundations, transmitting utilities, cooperatives, limited liability partnerships and so on.

300

301

302

303

**The Air Jurisdiction** remains with the Holy See, is universal, **global**, and inclusive in nature regardless of individual religious preferences or beliefs, rules all affairs from the surface of the Earth to the Heavens, is inhabited by spiritual beings both living and dead, has a global population, functions under the Law of Love and the Ancient Law of Freewill and is

304 administered via ecclesiastical canon law generally under direction of the Rectors of the National  
305 Shrines established in each country.

306 **The Sea Jurisdiction** is international in character, has an **international** citizenship, rules  
307 all affairs on or directly below the surface of the seas and navigable inland waters, is inhabited  
308 by living men and women known as Merchants and Sailors, and all living sea creatures, as well  
309 as all ships and legal fiction entities engaged in maritime and admiralty businesses and contracts,  
310 functions under the Law Merchant (maritime) and Law of the Sea (admiralty) and is  
311 administered worldwide by the British Crown Temple dba Inner City of London aka  
312 “Westminster”, and the Lords of the Sea.

313 **The Land Jurisdiction** is **national** in character, is inhabited by living men and women,  
314 together with land creatures and plants, has a citizenship based on nationality and which in most  
315 instances includes both the living men and women and legal fiction entities, rules affairs of the  
316 land from the surface to the depths beneath, functions under The Law of the Land, and is  
317 administered worldwide by the Universal Postal Union and the individual national Postmasters.

318 Each jurisdiction—Air, Land, or Sea---has its own law forms. The Air functions under  
319 ecclesiastical and canon law. The Sea functions under the Law Merchant and Law of the Sea.  
320 The land functions under the Law of the Land.

321 This is the Big Picture, and in the end, it is all administered by the Holy See and the  
322 Roman Catholic Church, which has struggled by turns to maintain an “orderly and peaceful  
323 Kingdom on Earth” and at times through its history has admittedly been overwhelmed by  
324 corruption and human error.

325 By its nature and function the Global Estate Trust has established a vast **interlocking**  
326 **trust directorate** that exists worldwide and extends from the Holy See down to the local level of  
327 government administration.

328 A trust is formed when a **Donor** places assets into the care of a **Trustee** for the good of  
329 **Beneficiaries**. In forming the Global Estate Trust it was considered that Christ placed the entire  
330 planet in the care of St. Peter, that the Pope is Peter’s successor Trustee, and over time it has  
331 been realized that all people and living creatures are intended Beneficiaries of the Global Estate  
332 Trust, not just members of the Roman Catholic Church. This realization is one of the most direct  
333 results of the Protestant Reformation, which asserted individual dominion over the Earth as  
334 granted in Genesis 1:26-28. Today, as confirmed by Popes John Paul II, Benedict XVI, and  
335 Francis, the Global Estate Trust serves all people regardless of faith, color, or creed.

336 **2. How does the Global Estate Trust function? Why haven’t I heard of it before?**

Final Judgment and Civil Orders

**APRIL 11, 2014**

337 The Global Estate Trust is over 400 years old. It was older than The United States of  
338 America is today when The United States of America was formed. It has organized the entire  
339 planet according to its system of postal districts---also called “federal districts” in America. The  
340 Global Estate Trust and the services it provides----legal services, banking services, police  
341 services, postal services---is so ubiquitous, so integrated worldwide, that we take its existence for  
342 granted and wrongly think that our individual government provides all this.

343 The truth is that the so-called “federal government” in America has always been owned  
344 and operated as a private for-profit governmental services company **operating under contract**  
345 **to provide certain stipulated governmental services**, and---later in history, has been operated  
346 as an umbrella corporation with subsidiaries created as franchises and agencies under subcontract  
347 to provide these same services by the Global Estate Trust and its national subsidiaries.

348 **Side Note:** In the eighteenth century when the original equity contract known as “The  
349 Constitution for the united States” was drawn up, the word “federal” was a synonym for  
350 “contract”, so the nature of the government as an entity under contract to provide services was  
351 apparent to the people. The state legislatures formed to represent the land jurisdiction as separate  
352 nations ---the larger equivalent of city-states----and the people inhabiting these organic states  
353 were clearly aware of the subservient nature of the federal government in all matters not clearly  
354 delegated to it as were the Founders and Framers of the Constitution. Article X clearly reserves  
355 all other rights to the states and the people.

356 In summary, our entire planet receives governmental services from one gigantic  
357 interlocking trust directorate: the Global Estate Trust. The gentleness with which generations of  
358 Popes have exercised their power as the ultimate Trustee should not be mistaken for lack of  
359 power, but rather as respect for Free Will and reluctance to interfere with those entrusted to  
360 administer their own affairs. In the temporal realm a Pope is a man like any other man, and it is  
361 often difficult to obtain all the facts and to be assured of right action. Restraint and tolerance  
362 have therefore been the hallmarks governing the exercise of temporal power by the Popes for  
363 many decades, but we are now entered upon a time when corruption and criminality have so far  
364 progressed among many governmental service corporations worldwide that maintaining the role  
365 of global trustee has required action by the Pope and the Holy See.

366 Over time, specialized service centers organized as separate city-states have taken over  
367 specific aspects of the operations of the Global Estate Trust. This so-called “Empire of the City”  
368 spans the globe. Rome and Vatican City remain the home base of operations responsible for  
369 overall administration worldwide. The Inner City of London, also known as “Westminster”, is a  
370 separate, independent, international city-state within London and it is home to the Crown Temple  
371 which administers legal services and is also home to the Fleet Street hub of international banking  
372 services. The District of Columbia, another city-state, is the center of defense and police  
373 services worldwide. The United Nations, yet another separate independent city-state, is the hub  
374 of international trade, aid, and negotiations.

375 Over the course of time, delivery of these many services has been organized by separate  
 376 for-profit corporations and organizations operating in each country under the auspices of an  
 377 umbrella Trust Management Organization functioning as the national government. Almost all  
 378 national governments have been incorporated by the Holy See. The American national  
 379 government is no exception.

380 The Pope acting in his temporal office and the Holy See and its administrative  
 381 management arms--- the Vatican, the Roman Curia, the British Crown, the Crown Temple, the  
 382 United Nations, the Pentagon, the Vatican Bank, the Universal Postal Union and a great many  
 383 other Global Estate Trust franchises and subsidiaries---provide nearly all governmental services  
 384 worldwide, in addition to their roles administering various obligations owed to the many national  
 385 trusts.

386 **The Global Estate Trust is by far the largest corporate enterprise on Earth.** Indeed,  
 387 the very concept of “incorporation” was created by the Holy See and incorporated entities  
 388 continue to be created and administered entirely under copyrights and administrative law forms  
 389 of the Roman Curia. The Pope has the undisputed right to liquidate any incorporated entity that  
 390 is not functioning lawfully and according to its charter. He may also order disposition of  
 391 corporate assets to the creditors of any incorporated entity that he liquidates, and can alter or  
 392 void any statute passed by any incorporated government at will.

393 People don’t see the Global Estate Trust in the same way that they don’t see the Earth  
 394 beneath their feet. It has always been there. They take it for granted as part of the landscape of  
 395 the world, but in fact, it is the result of tireless, conscious, determined effort expended over  
 396 centuries of time. There is, in essence, “one world government” and it has been here throughout  
 397 the development of the North American Continent as a commercial and political power, from the  
 398 earliest exploration and colonization down to the present day.

### 399 **3. What is a “national trust” and why does it matter?**

400 When a new nation is born and enters the international community as The United States  
 401 of America did in 1776, a contest begins over representation of the land and its assets. Once  
 402 such a contest is resolved, the Pope, acting within his temporal office is the Donor of all the  
 403 assets to be held in the national trust being established, formally recognizes the new nation. As a  
 404 first step in this process, a postal district is established and a post office is created for the seat of  
 405 government. Benjamin Franklin accomplished this step more than twenty years prior to the  
 406 American Revolution.

407 There are four very commonly encountered entities that routinely call themselves either  
 408 “the United States” or the “United States of America” in some guise, three “Constitutions” of

Final Judgment and Civil Orders

**APRIL 11, 2014**

409 these entities that are commonly referred to, and three versions of “United States Congress” in  
410 play. In all, there are over 350 different legally recognized meanings of the four words “united  
411 states of America” so it is necessary to draw a line and focus for a moment on only two of these  
412 entities---those representing actual national trusts. **There is The United States of America**  
413 **(Major) that represents the now-50 American states acting in perpetual union guaranteed**  
414 **by The Articles of Confederation, and there is the United States of America (Minor) that**  
415 **consists of the District of Columbia and “other insular states”---Guam, Puerto Rico,**  
416 **American Samoa, et alia.**

417 To add to the confusion, in addition to these trust-based entities, we also have an  
418 incorporated commercial company doing business as the United States of America, Inc., another  
419 commercial company doing business as the UNITED STATES, INC., and additional entities  
420 doing business as the USA, the UNITED STATES OF AMERICA, E PLURIBUS UNUM THE  
421 UNITED STATES OF AMERICA and so on. Be aware of the semantic confusions and deceits  
422 that abound as a result. **Note the slight differences in names---capitalization, punctuation,**  
423 **and prepositions used throughout this document. Each slightly different name or spelling**  
424 **or punctuation denotes a separate legal entity.** Boldface is used herein merely to help sort out  
425 some of these natural confusions and emphasize important points of interest.

426 We have **The** US Trust (Major) and **the** US Trust (Minor)---both—which are both  
427 subsidiary national level trusts within the Global Estate Trust, both operating in tandem in the  
428 region of North America. The “states” of the United States of America (Minor) are “states of  
429 America” in the same sense that South American countries are “states of America”, e.g.,  
430 Organization of American States is an organization of what are commonly thought of as nations,  
431 but which can equally be called “states” and also “American states” without implying that they  
432 are “states” affiliated with The United States of America (Major) or the United States of America  
433 (Minor).

434 When **The** US Trust Major was established to benefit **The** United States of America  
435 composed of the now-50 organic states united, the beneficiaries named were the American  
436 people and their natural and unalienable rights were recognized as assets protected by the  
437 national trust indenture contained within the Preamble and Bill of Rights of an original equity  
438 contract known as “**The Constitution for the united States of America**”.

439 All inhabitants of **organic, geographically defined states** are living men and women.  
440 They are all owed American Common Law as their law form. The entire civil government **on**  
441 **the land** is vested in each and every single one of them. The jurisdiction of the Air protects  
442 them and their property and interfaces with the governments operating upon the land jurisdiction  
443 to ensure proper administration.

444 The governmental services required by the original Constitution were provided by a Trust  
445 Management Organization operated as a private, for-profit, but unincorporated company known

446 simply as “The United States”, which was organized by the Founding Fathers, especially  
 447 Benjamin Franklin, John Adams, Thomas Jefferson, James Madison, Alexander Hamilton,  
 448 Benedict Arnold, and George Washington.

449  
 450 “The Company” was organized in 1754 by Benjamin Franklin. George Washington was  
 451 its eleventh President. As the largest land owner in North America, Washington was an obvious  
 452 choice. The foremost objective of this commercial entity, which was privately fully supported  
 453 by King George III of England, was the westward expansion of colonization beyond the  
 454 Appalachian Mountains---in contravention of the Treaty of the Delawares which the King had  
 455 signed with the Native nations just prior to the American Revolution. From this perspective and  
 456 from the subsequent settlements reached with the leaders of the Revolution it can be reasonably  
 457 deduced that the entire operation was conceived, orchestrated, and carried out with the support of  
 458 European powers merely interested in securing a piece of the much larger pie guaranteed by the  
 459 westward expansion that was allowed via the artifice of establishing a new government. Portraits  
 460 of both Washington and Franklin enshrined at the Middle Temple enclave in the Inner City of  
 461 London suggest that they were in fact operatives of the Crown doing King George’s dirty work--  
 462 ---a fact evident in the Treaty of Paris wherein the King is recognized as “the Prince” of the  
 463 United States of America, paid tribute in mineral resources, and guaranteed a perpetual  
 464 hegemony governing the commercial and international affairs of the Americans.

465  
 466 Presidents and members of Congress still take their Oath to “the United States”, not the  
 467 United States **of America**---howbeit, this is a different company called by the same-sounding  
 468 name --“the UNITED STATES”. This gives rise to confusion in the same way that two men  
 469 called “John” may be mistaken for each other. Watch for this same use of “mistaken identity” as  
 470 an excuse for fraud and despotism throughout the current system.

471 The Office of President is and always was a private business executive office, not a  
 472 political one, and as a result, to this day, the President is elected to office by a privately drafted  
 473 Electoral College, not by voters in any General Election.

474 The original unincorporated Trust Management Organization first operated by President  
 475 George Washington was bankrupted by President Abraham Lincoln on April 24, 1863, as a result  
 476 of the cost of the Civil War. Eleven years of “Reconstruction”---- also known as bankruptcy  
 477 reorganization--- followed, and a quiet usurpation based on semantic deceit and not-so veiled  
 478 fraud commenced. Administration of the American national trust passed on to a new Trust  
 479 Management Organization operated by a cartel of international banks (which became the Federal  
 480 Reserve) as “the United States of America” and doing business as “the United States of America,  
 481 Inc.”.

Final Judgment and Civil Orders

**APRIL 11, 2014**

482 For insight into this, read the 1850 Act of Admissions which clearly delineates the role  
483 and identity of the original organic and unincorporated “usa” verses the United States, and the  
484 difference between the similarly named trust organizations and the commercial service  
485 companies. Also read the Reconstruction Act of 1867 and the Act of 1871 incorporating a  
486 municipal (city-state) government for the District of Columbia.

487 When the second national trust known as “**the** US Trust” was formed to benefit the new  
488 District of Columbia city-state in 1871, the beneficiaries named were **not** “We, the People” of  
489 the original national trust, but a mix of living people born in the District of Columbia and other  
490 federal enclaves including Puerto Rico, American Negroes who were never granted other  
491 citizenship after the Civil War, federal employees, members of the active duty military forces,  
492 and **incorporated entities** formed under the auspices of “the United States of America (Minor)”.

493 Unlike The United States of America (Major), the United States of America (Minor)  
494 allows corporations organized under its auspices to be “citizens”, a fact that has led to no end of  
495 fraud and criminality.

496 All “US citizens” have only “Civil Rights” –that is, privileges---granted by “the **US**  
497 **Congress**”. This **separate national entity** initially operated its business affairs as “United  
498 States of America, Inc.” – a corporation chartered in Delaware, under By-Laws published as **the**  
499 **Constitution of the United States of America**. Note the differences in capitalization and the use  
500 of the preposition “of” in place of “for” which distinguishes this version of “Constitution” as a  
501 separate legal document from the original equity contract known as The Constitution for the  
502 united States of America. The agents of the United States of America (Minor) also popularized  
503 “The Pledge of Allegiance” as a means of providing tacit public notice and securing assumed  
504 consent for its actions without, however, fully disclosing its nature and intentions or the process  
505 of usurpation against The United States of America (Major) it engaged in.

506 Please note the actual words of The Pledge of Allegiance: “I (securing a claim of  
507 individual consent) pledge (an ancient feudal act) allegiance (contract) to the United States of  
508 America (which version is only indicated by the lack of capitalization on the word “the”) and to  
509 the Republic (original organic states’ government) for which it stands, one nation, under God,  
510 indivisible, with liberty and justice for all.”

511 Note that there hasn’t been “one nation” since 1871. There have been two nations  
512 operating under two separate administrative protocols and two national trusts, but it has been the  
513 subversive objective of Congress to join both into one entity and operate it as an oligarchy, just  
514 as the Congress currently operates the United States of America (Minor) as an oligarchy.

515 The Pledge of Allegiance--- an innocuous-appearing mantra endlessly repeated in public  
516 schools and public meetings across America is a VERBAL CONTRACT secretly obligating the  
517 victims to accept representation of their Republic by “the United States of America” which failed

518 to properly identify itself or seek open consent and which merely claimed to “stand for” the  
519 American Republic.

520 The Pledge of Allegiance is an undisclosed **entrapment into contract** ceding authority  
521 to represent the individual inhabitants and the American Republic to “the United States of  
522 America” similar to what happens when an unwary individual hires a lawyer to “represent” them  
523 and “stand for” them in a court. **The representative gains a largely unaccountable controlling**  
524 **interest in the affairs of their actual employer who is relegated to the status of a ward of the**  
525 **state, incompetent, or dependent.**

526 As a result of this semantic deceit and duplicity, no valid new contract between the  
527 organic American states and the United States of America (Minor) was ever established. The  
528 “Constitution of the United States of America” remains a document peculiar to the United States  
529 of America (Minor), not to be confused with the original equity contract known as The  
530 Constitution for the united States of America.

531 At the beginning of last century there were two completely separate versions of “United  
532 States of America” operating and two kinds of “US (C)itizens” and two “Constitutions” and the  
533 “US Congress” was acting in two roles in conflict of interest. The original Constitution known  
534 as “**The Constitution for the united States of America**” and the By-Laws of the newly formed  
535 federal corporation known as “**the Constitution of the United States of America**” formed under  
536 the auspices of the United States of America (Minor). **All this semantic deceit was and is**  
537 **extremely complex and deliberately designed to defraud and confuse.**

538 A separation of the Land and Sea jurisdictions was set up from the very founding of **The**  
539 **United States of America** and made part of the Treaty of Paris, Treaty of Westminster (with the  
540 Inner City of London—a separate international City-State), Treaty of Ghent, et alia, however, it  
541 was never envisioned that the District of Columbia would form a **separate** city-state and operate  
542 a **separate national government under deceptively similar names**, simply by allowing  
543 members of Congress to wear two hats and creating two kinds of “citizenship”.

544 **These two separate national trusts operated under deceptively similar names have**  
545 **co-existed for almost 150 years, but the semantic deceit involved has resulted in endless**  
546 **confusion, fraud, breach of trust, and ultimately, identity theft practiced by the United**  
547 **States of America (Minor) against The United States of America (Major).** Additional insight  
548 into this development of “two Americas” can be gained by reading the Insular Tariff Cases  
549 (1900-1904) ---the most famous of which is Downes v. Bidwell.

550 The separate National Trusts create two separate nations--- **The United States of America**  
551 (Major) which includes the 50 domestic States bound in perpetual union by The Articles of

Final Judgment and Civil Orders

**APRIL 11, 2014**

552 Confederation (1781) and **the** United States of America (Minor) which represents the District of  
553 Columbia (formally renamed the “State of New Columbia” in 1984) in union with the so-called  
554 “Insular States” comprised of “federal possessions and territories”. The circumstance also  
555 creates two kinds of citizen--- U.S. Citizens and US citizens as already noted.

556 The United States of America (Major) is a Republic composed geographically defined  
557 states and inhabited by living men and women. These states (small “s”) are all formed by  
558 Statehood Compacts. This version of United States of America functions under the Law of the  
559 Land which is the American Common Law and the federal government---that is the Trust  
560 Management Organization charged with protecting **The** U.S. Trust and providing the nineteen  
561 stipulated governmental services under contract---- is restricted by The Constitution for the  
562 united States of America.

563 Members of “The United States of America in Congress assembled” are obligated to  
564 function under complete commercial liability and as a sovereign Body Politic, with the result that  
565 no “Congress” has occupied these offices since 1865, and the further result that no substantive  
566 and fully enacted Public Law affecting U.S. Citizens has been passed since then. The organic  
567 states and the people inhabiting them have been silent since December of 1865, a circumstance  
568 that unscrupulous individuals have used as an excuse to claim that the American government is  
569 defunct---despite the fact that the actual civil government is embodied in each and every living  
570 American.

571 As you will note upon reading the Admissions Act of 1850, the Congress operating as a  
572 Body Politic is the “congress of the united states of america” operating as the “senate” and the  
573 “house of representatives” directly representing the living American People and the Republic  
574 states. When operating as the true representative government of The United States of America  
575 (Major) the names of these political bodies are never capitalized. This is not a typographical  
576 error or the result of quaint old language conventions. This is part of the language of law that  
577 has existed since Roman times.

578 The United States of America (Minor) is a Commonwealth inhabited by “US citizens” – a  
579 mix of living people and incorporated entities. This separate city-state is operated as an  
580 oligarchy by the members of the “US Congress”. It functions entirely under the law forms of  
581 international commerce (maritime) and Admiralty. The “US Congress” of the United States of  
582 America (Minor) also operates as the Board of Trustees of the United States of America, Inc.,  
583 and its members enjoy limited liability----with the result that they can only pass “Public Policy”,  
584 not Public Law. Increasingly, this out-of-control oligarchy has functioned in a criminal,  
585 despotic, irresponsible, and reckless manner, disrespecting its contractual obligations to The  
586 United States of America (Major), misrepresenting itself “as” The United States of America  
587 (Major), and facilitating numerous kinds of fraud, racketeering, and inland piracy against the  
588 American People inhabiting the 50 States while pursuing increasingly violent and criminal

589 activities overseas---trading in drugs, prostitution, alcohol, arms, and other “federally controlled”  
590 substances.

591 The national trusts—which are all donated by the Pope in his capacity as the Global  
592 Estate Trustee--- are important because they define the assets of the nation and the beneficiaries  
593 of the trust. **They also obligate specific parties to act as Trustees and to protect the nation**  
594 **under trust indenture and contract.**

595 The Pope is the Ultimate Trustee and the Global Trustee of the Air Jurisdiction. The  
596 Rector of the National Shrine is responsible for administration of this jurisdiction in the United  
597 States of America (Minor), and is therefore responsible for holding their administrators  
598 accountable. The British Monarch is our Trustee on the High Seas and Inland Waterways and is  
599 directly accountable for protecting us and our commercial “vessels” in the international  
600 jurisdiction where our rights and material interests have been violated. The U.S. Postmaster is  
601 our Trustee on the Land, but owing to the corruption of the government already described, that  
602 office was vacated and released. In correction, Pope Benedict XVI established a new Postmaster  
603 Office to provide oversight for all of North America in 2010.

604 **4. You’ve charged that there is commercial and administrative default---why? What is**  
605 **this bankruptcy you keep talking about?**

606 There are actually several bankruptcies involved, beginning with the bankruptcy of The  
607 United States (Company) in April of 1863. That resulted in Abraham Lincoln creating the  
608 Lieber Code, also known as General Order 100, and making the U.S. Army responsible for  
609 safeguarding the nation’s money. The United States of America (Major) still operates under the  
610 Lieber Code and despite no less than three (3) public declarations ending the Civil War by  
611 President Andrew Johnson, the U.S. Army continues to control and administer the government of  
612 the Republic. This is how we get offices containing military titles like Inspector **General**,  
613 **Lieutenant** Governor, and US Postmaster **General**.

614 This is also why we have been kept in a constant state of “war”----at least on paper----  
615 since 1860. Over time, public knowledge of the circumstance and the Lieber Code has faded,  
616 leaving the U.S. Army to increasingly function without any oversight or restraint. Understanding  
617 of their role as guardians of the Republic and the people has also faded within the ranks, until  
618 today we are faced with the possibility of having the President of a foreign commercial  
619 corporation ordering our own troops to fire on us. We may all thank God that the Holy See  
620 remembers things long after others forget, and has the resources to remind the U.S. Army of its  
621 real purpose and mission.

Final Judgment and Civil Orders  
**APRIL 11, 2014**

622 Next, there was the bankruptcy of the United States of America, **Inc.** in 1933, by  
623 Executive Order of its President, Franklin Delano Roosevelt. The Creditors of this commercial  
624 bankruptcy, the World Bank, IBRD, and Federal Reserve – (the IMF claims to represent **all**  
625 creditors including the living Americans who were named the **priority creditors**)---appointed  
626 the Secretary of the Treasury of Puerto Rico to act as the US Bankruptcy Trustee.

627 Still to come is the bankruptcy of the UNITED STATES (Incorporated), a French  
628 commercial corporation named after the original “United States” bankrupted in 1863, and  
629 formed to administer the governmental services contracts of the United States of America, Inc.  
630 during its bankruptcy reorganization.

631 These bankruptcies of the Trust Management Organizations providing governmental  
632 services to Americans have all been planned ----and they provide vast profit for the perpetrators  
633 and equally great losses to the American people.

### 634 **The Great Bankruptcy Fraud**

635 **This is the essence of the bankruptcy fraud:** one Trust Management Organization  
636 (incorporated) creates “franchises” named after individual living Americans, runs up huge bills  
637 against these legal fiction entities, leaves the hapless living people of “similar name” to pay the  
638 bills or have their credit wrecked and their private property assets seized-----while skipping off  
639 and filing for bankruptcy protection for itself.

640 Meanwhile, another incorporated Trust Management Organization sets up shop under a  
641 similar name and takes over the service contracts “in behalf of” the former TMO undergoing  
642 bankruptcy reorganization, creates its own set of franchises named after living Americans, runs  
643 up huge bills against these separate legal fiction entities, leaves the hapless living people of  
644 similar name to pay the bills or have their credit wrecked and their private property assets seized-  
645 ---while skipping off and filing for bankruptcy protection for itself.

646 Repeat as necessary----for as long as you can get away with it.

647 The two Trust Management Organizations currently involved are both operated by  
648 international banking cartels. The Federal Reserve, which is as “federal” as Federal Express,  
649 operates the United States of America, Inc. The United Nations, Inc. doing business as the  
650 International Monetary Fund, Inc. (IMF) operates the ”secondary” front organization doing  
651 business as the UNITED STATES, INC.

652 As of July 1, 2013, the hapless American people mistaken as sureties---- and their Estates  
653 functioning under names in the form “John Quincy Adams” ----paid off all the debts, all the  
654 interest, all the trumped up service charges that were brought against them as a result of the  
655 bankruptcy of the United States of America, Inc. in 1933. The United States of America, Inc.  
656 was released from bankruptcy and all its debts were settled as of that date.

657 The Federal Reserve has meanwhile re-named and re-invented itself as a new corporation  
 658 organized under the auspices of the United Nations, a separate city-state, and is doing business  
 659 internationally as the FEDERAL RESERVE. That is, it is no longer an American institution and  
 660 is operating under UN rules and charter.

661 At the same time, the UNITED STATES, INC. is running up trillions of dollars of debt  
 662 against the credit of its own brand of manufactured out of thin air “sureties”---- Puerto Rican  
 663 ESTATE trusts operated under the NAMES of living Americans in the form “JOHN QUINCY  
 664 ADAMS”----with the clear intention of having Barack Obama declare bankruptcy just as FDR  
 665 declared bankruptcy---leaving the hapless living Americans of “similar name” to pay off the  
 666 trumped up debts of the UNITED STATES, INC. while it seeks bankruptcy protection in turn.

667 **The newly organized “FEDERAL RESERVE” is busily populating America with**  
 668 **yet another new set of “franchises”-----these new legal fiction entities named after living**  
 669 **Americans are all being named in this form: “JOHN Q. ADAMS”, which isn’t even a legal,**  
 670 **identifiable name, and they are all transmitting utilities.**

671 When people pay bills addressed to these new entities and appear to “accept” these new  
 672 names – having been misled into assuming that these entities are the same as the living people---  
 673 the charlatans will have carte blanche to make a whole new con game set up for themselves, assert  
 674 new claims against the people and the states “redefined” as public transmitting utilities, and not  
 675 be bound by “specificity”.

676 Please note that “JOHN Q. PUBLIC” could be “JOHN QUINCY PUBLIC” or “JOHN  
 677 QUENTIN PUBLIC” or, or, or. The lawyers among us know perfectly well that “JOHN Q.  
 678 PUBLIC” is not a legal name. It is purely a commercial, trade-marked name belonging to a  
 679 corporation as chattel, and the reason this change is being attempted is that the IMF is no longer  
 680 able to charge off the cost of providing government services to the ESTATES of the American  
 681 People which were improperly held as “sureties” backing the debts of the United States of  
 682 America, Inc.---- a “doing business name” of the old Federal Reserve System.

683 **It is imperative that this scheme be recognized and stopped at the onset and that**  
 684 **these false claims by the FEDERAL RESERVE be objected to immediately, individually,**  
 685 **and collectively.**

686 Their intention is clear and the history is cast in cement. These Trust Management  
 687 Organizations have committed gross breach of trust, gross fiduciary malfeasance, gross unlawful  
 688 conversion, gross identity theft, gross conspiracy to defraud. They are international crime  
 689 syndicates in every sense of those words, and they are on the verge of repeating their past  
 690 history; like parasites, they have simply “moved on” to other hosts, passing from The United

Final Judgment and Civil Orders

691 States of America (Major) to the United States of America (Minor) and now to the United  
692 Nations City-State.

693 The federal reserve, an **unincorporated** association of banks operating under the  
694 auspices of **The United States of America (Major)** in 1900, moved on to become the **Federal**  
695 **Reserve**, an **incorporated** association of banks operating under **the United States of America**  
696 **(Minor) circa 1930**, and it is now moving on again, to function as the **FEDERAL RESERVE**,  
697 an entity incorporated under the auspices of the **United Nations**, which is a separate,  
698 independent, international city-state that has allowed the FEDERAL RESERVE to be  
699 incorporated under its auspices.

700 The Pope, in issuing the *Motu Proprio* of July 11, 2013, has said in effect---- “Enough.  
701 You are liable and will be held liable as of September 1, 2013.”

702 This continued identity theft and pillaging of private property “in the name of public  
703 trusts” isn’t going to be allowed. The resources of the entire Global Estate Trust will be  
704 mobilized to make sure that this pattern of abuse does not continue. Each and every one of you  
705 addressed has participated knowingly or unknowingly in some capacity necessary to the success  
706 of this gargantuan fraud and you are now being notified of the facts and encouraged to self-  
707 correct.

708 It would not be right or fair to sweep up the innocent with the guilty, so you have all been  
709 given multiple notices and opportunities to learn the facts. The Trust Management Organizations  
710 themselves have been given three (3) years in which to correct their operations from top to  
711 bottom or face dissolution of their charters and disposition of their assets. From the perspective  
712 of the Global Estate Trust, it doesn’t matter where the ‘federal reserve’ banks run and hide or  
713 under which national entity they choose to incorporate. The basic issues remain the same and  
714 everyone on earth has a stake in bringing this system of fraud and enslavement to an end.  
715 Everyone who works for or under the auspices of the Roman Curia---everyone in the legal  
716 profession from the lowliest clerks to the highest judges—became 100% liable for their acts and  
717 omissions with regard to these issues as of September 1, 2013.

718 All this is why we have brought FINAL NOTICE OF COMMERCIAL AND  
719 ADMINISTRATIVE DEFAULT, and that is why we keep talking about bankruptcies. Unless  
720 everyone recognizes their own culpability and takes action accordingly to pre-empt it, there will  
721 be another manufactured “national” bankruptcy in the near future and billions of people  
722 worldwide will suffer to profit a few hundred masterminds at the top of the pyramid scheme.

## 723 **5. How is our money involved?**

724 A partial answer was provided above. When the Trust Management Organization doing  
725 business as the UNITED STATES declares bankruptcy the living people will again be  
726 “presumed” to be sureties for its debts---absent concerted effort to derail the cycle of engineered

727 national bankruptcies. Those international investors who are owed money by the UNITED  
 728 STATES, INC. will come knocking on the doors of millions of Americans, under the false  
 729 presumption that these people agreed to stand as sureties for the debts of Harry Reid, Nancy  
 730 Pelosi, et alia, all doing business as the UNITED STATES, INC.

731 **This is constructive fraud based on semantic deceit and identity theft being carried**  
 732 **out by private, for-profit, largely foreign corporations operating on American soil under**  
 733 **charters and treaty arrangements that they have abundantly and criminally violated.**

734 Your currency---not your “money”--- is inevitably involved, because for eighty years you  
 735 have been passing around I.O.U.’s instead of any form of money. A “note” is an I.O. U. and a  
 736 “Federal Reserve Note” is an I.O.U. from the Federal Reserve Banks. **It is impossible to pay a**  
 737 **debt with an I.O.U. You can only go deeper into debt as a result of this practice.** A negative  
 738 plus a negative **never** equals a positive.

739 Here is the circumstance: you owe \$500 and you have no actual money to pay this debt.  
 740 The only “legal tender” in circulation is in the form of I.O.U. Notes issued by the Federal  
 741 Reserve Banks. Deliberately placed in this situation by the perpetrators of this fraud, Joe  
 742 Average American is under **monopoly inducement** and has no choice but to “pay” his debts  
 743 with I.O.U.’s, and thereby **become a debtor**, instead of a creditor.

744 **If I give you an I.O.U. as payment of a debt, have I paid you? No. I have only**  
 745 **postponed payment of my debt to a later time. That’s what the Federal Reserve has done--**  
 746 **-collected debt upon debt upon debt and never paid a dime toward any of it, since 1933.**

747 What happens when you go out and earn \$500.00 worth of Federal Reserve Notes? Your  
 748 labor allows you to pass off the debt to the Federal Reserve. You are out of the frying pan for  
 749 the moment, but **the debt is still unpaid**. That’s how the “National Debt” accumulates,  
 750 exponentially. In such a system, nobody ever gets paid for anything--- the debt just gets passed  
 751 around and builds up and up and up no matter how hard you work or how productive you may  
 752 be.

753 **Instead of being what you actually are, a nation of creditors, you are reduced by**  
 754 **sleight of hand and fraud and monopoly inducement to being debtors by definition, and**  
 755 **you can never get out of the cycle of false “debt” until you recognize the fraud for what it**  
 756 **is, stop playing the game, and put an end to it.**

757 What does the Federal Reserve do with all this debt it has been collecting for eighty  
 758 years? It enters it as **a credit for itself** against your estate. **Not only has your original debt**  
 759 **not been paid, but interest and service fees have been added to it, and that has all**

Final Judgment and Civil Orders

**APRIL 11, 2014**

760 **accumulated against your estate—your body, your labor, your home, your business, your**  
761 **copyrights and intellectual property.**

762 What happened to the value of your original labor that you expended to earn Federal  
763 Reserve Notes? **It never got credited to you.** Instead, it was siphoned off by the same people  
764 who brought you this incredible fraud. Your credit has been kept in “off book accounts”  
765 belonging to YOUR NAME---a Puerto Rican Estate trust, and after a period of time, the banks  
766 have claimed these assets as “abandoned funds”. They are holding the entire National Debt  
767 against the estates of living Americans and pretending that you and your parents and  
768 grandparents did nothing but sit on your rumps since 1933.

769 Every American who ever signed up for Social Security---having first been blatantly lied  
770 to and coerced by undeclared Foreign Agents of the United States of America (Minor) and told  
771 that Social Security was a retirement insurance program and that it was a mandatory requirement  
772 of having a job in America---has been claimed to be an **unpaid volunteer employee** of the  
773 “federal government” corporation by the perpetrators of this con game and therefore, a “US  
774 citizen” instead of an American National.

775 Unknown to those same American Nationals, the corporations masquerading as their  
776 lawful government used their “voluntary application” for “Social Security benefits” to obtain a  
777 veiled general Power of Attorney hidden in the SS-5 Form, and used it to seize control of their  
778 ESTATES. They then set up two accounts “in their names”----one administered by the Federal  
779 Reserve’s Internal Revenue Service and one administered by the “IRS” for the International  
780 Monetary Fund. One account is set up as the debt side account and follows the familiar pattern:  
781 123-45-6789. The other account is set up as the credit side account and uses the same numbers  
782 without hyphens: \*123456789\*.

783 Most American Nationals are owed several million dollars worth of credit owed to their  
784 individual ESTATE accounts, but the perpetrators of the fraud never disclose this fact. The  
785 “richest people on earth” live as debt slaves to international banking cartels that have obtained  
786 this position by fraud.

787 The final cherry on top is that these same banking interests use your tax money to buy  
788 million dollar life insurance policies on each and every “US citizen”---benefiting the bank, of  
789 course. Thus, even at the end of your lives, the banks contrive to profit from you, and they  
790 always have profit motive to kill you. Killing off young people brings more profit, which,  
791 together with stealing and controlling natural resources to manipulate commodity markets,  
792 explains why promoting wars for profit are favorite pastimes for these unspeakably corrupt and  
793 evil corporate entities.

794 The same situation applies in Canada, Australia, New Zealand, and most of Europe. The  
795 same nine digit accounting system is used throughout, and abused in the same ways worldwide.

796 6. **What is convertible debt?**

797 **A convertible debt is any form of debt that can be converted into another form of**  
 798 **debt.** Federal Reserve Notes can be converted into mortgages, stocks, bonds, annuities----any  
 799 other “debt instrument” or “debt based security”. **A fraudulent convertible debt is a debt that**  
 800 **is created by fraud and then converted.** That’s what we have going on in America right now.

801 **Pull up the Bankruptcy Act and look at Section 101 (11).** There you will see who the  
 802 actual Creditors of the Trust Management Company FDR bankrupted in 1933 are----the living  
 803 people, Americans at that time and their heirs, are the Priority Creditors and Entitlement  
 804 Holders, but because of the monopoly inducement explained in Item 5, you’ve all been  
 805 arbitrarily “redefined” as “debtors” instead.

806 What happens when you pay an electric bill addressed to the federal franchise ESTATE  
 807 trust currently doing business under your NAME as a franchise of the UNITED STATES, INC.?  
 808 You become a debtor instead of a creditor so long as you pay it in Federal Reserve Notes. The  
 809 utility company seizes these debt notes you’ve so graciously provided to them for free and  
 810 converts them into other forms of debt---buying up stocks, bonds, insurance policies, etc.----  
 811 benefiting itself.

812 The “debt” thus created is fraudulent on three counts--- first, it is the by-product of illegal  
 813 monopoly inducement forcing you to use Federal Reserve Notes as legal tender in the first place,  
 814 second, it is a debt owed by the federal franchise ESTATE trust doing business “in your name”  
 815 but deceitfully presented to you as if it were your debt, and third, you have been coerced to pay  
 816 off a billing “statement” instead of a real bill.

817 So we have a debt created by fraud converted into other forms of debt benefiting ---in this  
 818 example, a utility company which reinvests “your” Federal Reserve Notes in other forms of debt.  
 819 That is fraudulent convertible debt in practice.

820 **This is yet another way in which you are being defrauded and the value of your**  
 821 **labor and other resources is being converted to benefit incorporated entities at the expense**  
 822 **of you and your private estate.**

823 Next time you get a tax bill, a utility bill, a credit card bill or any other “bill” addressed to  
 824 YOUR NAME IN ALL CAPITAL LETTERS, look at it very closely with the understanding that  
 825 (1) the item is addressed to a Puerto Rican “federal franchise” ESTATE trust doing business in  
 826 your NAME, not to you; (2) the item is a “billing statement” or “billing summary” or some other  
 827 name, but never an actual Bill so technically, even the ESTATE has not been billed; (3) these  
 828 billing statements are not denominated in dollars---except occasionally by mistake----the  
 829 “amount owed” appears as a series of numbers, commas, and dots similar to that used to write

Final Judgment and Civil Orders

**APRIL 11, 2014**

830 dollar amounts, but there is no dollar sign and no words indicating the kind or form of money or  
831 currency that is supposedly owed.

832 For example, your property tax bill will show up addressed to YOUR NAME and the  
833 statement will show that YOUR NAME owes a number written like this: 6,955.43 for 2013 or  
834 that YOUR NAME'S house has a value of: 258,990.00 according to the Tax Assessor's Office.  
835 **These are just deceptively constructed series of numbers, dots, and commas designed to**  
836 **make you assume that these represent dollar amounts.** Again, technically, not even the  
837 ESTATE has been billed for anything.

838 It's all constructive fraud based on semantic deceit, illusion, and processes of assumption  
839 knowingly pursued under conditions of non-disclosure.

840 This is done on purpose, with malice aforethought. The perpetrators are giving you  
841 notice that a bill related to the ESTATE named after you **exists**, but they are actually and  
842 purposefully preventing you from paying it. If they sent a real Bill, you could either discharge it  
843 through the U.S. Treasury Window at any Federal Reserve Bank, or, you could present it for  
844 payment under UNCITRAL and exchange it against your Birth Certificate Bond or other assets  
845 held by the US Bankruptcy Trustees in your name. This process of discharging debts, unlike  
846 using Federal Reserve Notes, **actually pays the bill**, and since the entire game is about forcing  
847 you to indebt yourself, the perpetrators spare no effort to prevent you from discharging the bills  
848 related to **their** "federal" ESTATE trust.

849 **Another reason they refuse to provide you with an actual Bill is that what they are**  
850 **doing is a crime.**

851 As long as they are sending these "billing statements" to a federal franchise ESTATE  
852 trust, they technically can't be accused of billing **you**. As long as they don't provide you with an  
853 actual Bill, they can't be accused of false billing, either. According to them, they don't know  
854 what you are talking about. What bill? We never sent that man a bill....we sent a **billing**  
855 **statement** addressed to a **Puerto Rican ESTATE trust** that "just happens" to have the same  
856 name and address. Who cares if we fully intend to force and coerce the living man to pay us  
857 with an I.O.U. and owe us even more debt after he "paid" than when he started?

858 **7. Are you telling me that I don't owe any taxes? How is that possible? It costs money to**  
859 **provide governmental services. If I don't pay my taxes, how will the schools be funded and**  
860 **the fire departments and libraries stay open?**

861 The fact is that **all** governmental services contracts are between states and other  
862 incorporated entities, not states and people. **Technically, it's literally impossible for a living**  
863 **man or woman to owe any tax for any governmental service.**

864 Remember that all valid contracts must be “in-kind”. Corporations can contract only  
 865 with other corporations. Living people can contract only with other living people. The  
 866 proliferation of “trusts” has been used as a vehicle ---literally creating a “commercial vessel”  
 867 capable of interfacing with corporations and entering into corporate contracts. The creation of  
 868 these “individual public trusts” and their supposed obligations has been done **without** the  
 869 knowledge, consent, or participation of the living people merely upon the “representations” made  
 870 “in their behalf” by third parties claiming to “represent” them-----lawyers and unscrupulous  
 871 politicians.

872 Note that even the original equity contract known as The Constitution for the united  
 873 States of America is between the States and the government being created by contract to provide  
 874 the States with services—not the living people. We, the People, are only mentioned as the  
 875 **beneficiaries** of the Natural and Unalienable Rights that are assets held in the national trust and  
 876 further outlined and defined by the Bill of Rights. **We are not direct parties to this or any**  
 877 **other governmental services contract.**

878 As for how do governmental services get paid for? Your states are inestimably valuable  
 879 and properly administered, they contain vast material assets that can be utilized to generate  
 880 income more than sufficient to pay for all governmental services---and this is in fact what **all** the  
 881 states do. **They already generate more than enough income every year to pay for all**  
 882 **governmental services.** They simply keep track of their expenses and provide a “billing  
 883 statement” addressed to your ESTATE in hopes that you will step forward and “volunteer”-----  
 884 to pay a share of the expenses **for them**, so that their private, for-profit corporation is enabled to  
 885 operate without any expense and seize the entire profit from the sale and utilization and  
 886 investment of your organic state’s assets entirely for its own benefit.

887 If by chance your ESTATE fails to voluntarily cough up its share this year, they will  
 888 conveniently forget all the other labor and currency and value you have contributed in prior years  
 889 and also fail to mention all the money they made this year off of the “state” assets **you** are  
 890 supposed to be the beneficiary of. Alaskans should at this point take a moment to estimate their  
 891 actual share of revenue collected from the oil industry this year, versus the pittance offered as a  
 892 “Permanent Fund Dividend”. Now they should calculate their actual share of the Permanent  
 893 Fund Dividend as shareholders. And they should, if they are rational beings, be very, very upset  
 894 with those claiming to “represent” them and their interests.

895 After all, those who claim to “represent” you have taken seats as the officers of this same  
 896 foreign franchise for-profit “STATE” corporation and they see it as their duty to make sure that  
 897 corporation is as profitable as possible----so they justify attacking you, their employer, and  
 898 seizing your assets and telling you what to do and how to do it and when and how often----all in

## Final Judgment and Civil Orders

**APRIL 11, 2014**

899 the name of somehow ultimately benefiting you via entrapment, enslavement, armed extortion,  
900 and fraud.

901 Every unit of “government” in America is not only in control of and profiting from the  
902 use and misuse of vast “public” assets, they are rolling in the money and credit they have  
903 extorted from the actual beneficiaries of the public trusts, then rolling some more in the money  
904 and credit they have made from investing all this purloined largesse, and proliferating new and  
905 ever-more numerous units of government and government agencies ----like a cancerous growth  
906 soaking up the sugars of the Body Politic.

907 Every year the corporations running your federal, state, and municipal “government”  
908 make so much more money than they expend on public services that the idea that taxation of  
909 individual living men and women and their private property assets is “necessary” to fund public  
910 services is laughable. Exactly how these criminally mismanaged corporations hide the loot so  
911 that they can continue to “poor mouth” and impose more taxation will be addressed in answer to  
912 other questions.

#### 913 **8. Why are the courts at fault?**

914 In 1938 following a Supreme Court case known as Erie Railroad v. Thompkins  
915 executives from the Roosevelt Administration called a meeting with the US Supreme Court  
916 Justices, Senior Judges from all the Circuit and Appellate Courts, and the most prominent  
917 lawyers of the times, and they told them a purposeful and self-interested lie. They said that the  
918 United States of America was bankrupt---they just neglected to say which “United States of  
919 America” and what form of “United States of America” they were talking about. They also told  
920 the legal professionals that because of this bankruptcy, they were to operate their courts ONLY  
921 in maritime jurisdictions. Verbatim: “We don’t care what you call it, but you can only run  
922 maritime and admiralty courts.”

923 From that time to this, that is what the members of the American Bar Association have  
924 done. They have run a fantastic gamut of “courts” pretending to operate as “state courts” and  
925 “custody courts” and “US DISTRICT COURTS” and “Superior Courts” and on and on----and  
926 pretended to operate courts at equity and under civil law, but the entire time they have operated  
927 exclusively as maritime courts and as in-house corporate tribunals.

928 **The courts are at fault because they know they are routinely operating in**  
929 **jurisdictions that have nothing to do with the cases before them.** They are at fault because  
930 they know they are operating in maritime jurisdictions and pretending otherwise. They are at  
931 fault because they have accepted unilateral contracts as “valid” maritime contracts. They are at  
932 fault because they do not require proof of any valid maritime jurisdiction, even when called on  
933 the carpet for failure to do so. The list goes on.

934 Why have the courts malfunctioned in this way and continued on this course for almost  
 935 eighty years? Part of it is ignorance. A great many American jurists have grown up under  
 936 these conditions and they don't know that anything different ever existed. Many don't know  
 937 that "statutory law" is maritime law and if the judges and lawyers don't know, who does? Some  
 938 don't even know that "statutory law" applies uniquely to statutory entities----legal fictions  
 939 created by statute.

940 The rest of the reason is pure graft and corruption for profit on the part of those who **do**  
 941 know what is going on.

942 "Federal" judges have issued standing orders to "invest" all court cases through the Court  
 943 Registry Investment System (CRIS) ----that is, to "deposit" them **as securities** into the Federal  
 944 Reserve Bank in Dallas, Texas.

945 **Every such court case is assigned a US Treasury Public Debt Number --- a Docket**  
 946 **Number in "State" courts and a Case Number in "US DISTRICT COURTS". This makes**  
 947 **every court case a financial transaction and "securitizes" it.**

948 After the Public Debt Number is issued, which converts the court case into a counterfeit  
 949 obligation under 18 USC 472, et seq. 473, 474, the Court Administrator again counterfeits the  
 950 same debt obligation by adding a CUSIP number to the "Instrument". One counterfeit  
 951 obligation benefits the Federal Reserve, the second one benefits the IMF.

952 CUSIP is an acronym for Committee on Uniform Securities Identification Procedures,  
 953 and a copyrighted and registered trademark of The American Bankers Association. The court  
 954 administrators work for the banks, not any "court system" unless you want to call it the Bank  
 955 Court, where the bank always wins.

956 At this point in the fraud, the "court administrator" working for the banks has converted  
 957 every court case into a banking financial securities instrument----which puts the court itself into  
 958 the position of being "creditor" and BOTH the plaintiff and the defendant are cast into the role of  
 959 "debtors".

960 **The judges are acting with a vested interest with insider knowledge and they are**  
 961 **insider trading in complete and utter violation of the judicial canons.**

962 They cannot act without bias when the quantity and quality of their salaries, benefits, and  
 963 retirement packages are sitting in the docket every day awaiting their "investment". Rather  
 964 than ruling on the merits, arguments, or even the facts, they are making financial investments in  
 965 every case---futures contracts, in a future they can direct.

Final Judgment and Civil Orders  
**APRIL 11, 2014**

966           **They are running a rigged gambling operation out of the courthouse, under the**  
967 **noses of the Alaska State Troopers, the FBI, and the US Marshals, who all turn to these**  
968 **icons of rectitude for “legal” advice instead of using their own noses and common sense to**  
969 **determine what is lawful.**

970           The judges and court administrators are also committing tax fraud by shifting the “debt”  
971 created by every case onto the individual(s) who are actually the Creditor(s) in every case, and  
972 converting the case into an investment security belonging to the Dallas Federal Reserve Bank  
973 instead, which in turn shifts the money from the Creditor side of the “transaction” into the  
974 pockets of the Debtors. **They are deceptively laundering a fraudulent debt into corporate**  
975 **assets belonging to the bank, and converting those assets into revenue sharing funneled**  
976 **back to the Department of Transportation (Federal Reserve) or DEPARTMENT OF**  
977 **TRANSPORTATION (IMF) franchises, respectively.**

978           So in addition to running a rigged gambling operation out of the courthouses, the courts  
979 are also laundering vast amounts of fraudulently procured credit assets back into the operations  
980 side of the two colluding Trust Management Organizations. A whopping percentage of the total  
981 take from all this securities fraud goes into the judge’s retirement fund also administered by the  
982 Dallas Federal Reserve Bank.

983           It is self-explanatory why the courts and their administrators are at fault for this entire  
984 situation, that it is outrageous and not to be tolerated, and also why it must come to a halt and be  
985 brought to a halt by those responsible for administration of these entities. Any jurist who values  
986 his or her “law license” issued by an international banking cartel being operated as a criminal  
987 syndicate more than he or she values the law deserves to be disbarred----and will be.

988 **9. In one of the demonstration cases you repeatedly made a great issue of whether or not**  
989 **the Judge was acting as a trustee or not, and at one point even offered to appoint him**  
990 **directly as your trustee. Why?**

991           I did this to determine and place on the record which “hat” he was wearing. According to  
992 Section 3 of Article XIV of the Constitution of the United States of America---- the Federal  
993 Reserve corporation dba United States of America, Inc. By-Laws ----all public employees are  
994 trustees.

995           **The question of trusteeship is vital.** Public employees under both “The Constituton for  
996 the united States of America” and “the Constitution of the United States of America” and all the  
997 related subsidiary “State Constitutions” are openly declared and required to act as trustees and to  
998 protect the respective National Trusts. It has been the erroneous practice of the UNITED  
999 STATES, INC. and its STATE franchises to forget about its obligations in this respect, and to  
1000 concentrate entirely on the juicy federal services contracts it inherited during the bankruptcy  
1001 reorganization of the United States of America, Inc.

1002 The “Constitution of the United States” (yet another separate Constitution) under which  
 1003 the UNITED STATES, INC. was organized has no mention of trusteeship, but that doesn’t mean  
 1004 the fiduciary obligations vanished simply because a successor Trust Management Organization  
 1005 has tried to ignore them. It only means that judges who don’t admit to being trustees are  
 1006 **admittedly** operating in the foreign international jurisdiction of the IMF organization.

1007 This was already implied by the title block style of the header on the case, but settling the  
 1008 Trustee matter forced the JUDGE to give up any pretension of *in personam* jurisdiction and to  
 1009 reveal the actual venue of the proceedings, which he otherwise attempted to obscure.

1010 Throughout that case the JUDGE took an active litigant’s stance and practiced law—  
 1011 liberally---from the bench, flagrantly acting in support of the bank’s attorney. Several times  
 1012 during the proceedings the Judge was observed smiling, winking, and nodding to her. Although  
 1013 we entered Special Appearance throughout and demanded proof of jurisdiction from the outset---  
 1014 and even though the bank’s attorney is required to prove jurisdiction beyond reasonable doubt by  
 1015 canon of law---she made no attempt to do so beyond a naked verbal assertion that the ESTATES  
 1016 “resided in Alaska”---which has no meaning in a verbal context, because it is impossible to  
 1017 determine which version of “Alaska” is being referenced.

1018 During the first Hearing, the JUDGE deliberately obscured the venue and jurisdiction of  
 1019 the court, claiming that his authority derived from “the de jure Constitution of the State of  
 1020 Alaska”----a document that doesn’t exist and **which would obligate him to act as our trustee** if  
 1021 it did. Soon after making this claim, the JUDGE made an excuse to leave the courtroom and  
 1022 formally change the jurisdiction of the proceedings under the pretense of getting copies of a  
 1023 document for us. This only served to move the in-house corporate tribunal to Special Admiralty.  
 1024 Nobody operating under judicial canon would engage in such deceitful behavior, nor would  
 1025 anyone operating an honest court have reason to engage in such arcane procedure.

1026 **By process of elimination, it stands that THE SUPERIOR DISTRICT COURT FOR**  
 1027 **THE STATE OF ALASKA, INC. was operating an agency-based “federal” debt collection**  
 1028 **procedure process against privately owned and operated international *inter vivos* trusts**  
 1029 **under the presumption that they were instead ESTATE franchises of the UNITED**  
 1030 **STATES, INC. operated in arrears by federal employees.** This was all set up and maintained  
 1031 in the face of open and un-rebutted objection, without jurisdiction, in the absence of any  
 1032 validated claim or authority whatsoever to address us, the living principals, beneficiaries of the  
 1033 ESTATES, and Priority Creditors.

1034 Part of the corruption of the courts is that they do not openly, freely, and honestly reveal  
 1035 the jurisdiction they are operating in at any given time, and do not discuss the presumptions---  
 1036 often far-fetched presumptions---they are operating under. In the demonstration case 3AN-12-

**APRIL 11, 2014**

1037 6858CI the JUDGE claimed to be operating the court under the administrative auspices of the  
1038 United States of America (Minor)'s local franchise, the State of Alaska, then used a subterfuge to  
1039 change that declared jurisdiction to international maritime jurisdiction without disclosure. This  
1040 sort of "bait and switch" artifice is inherently fraudulent and leads inevitably to self-interested  
1041 and purposeful confusion at law.

1042 **10. Who are you? How do you know all this?**

1043 Our families have struggled with the administration of the Holy Roman Empire—and the  
1044 Global Estate Trust---- in all its guises, for over a thousand years. There is no lie that a banker  
1045 can utter that we haven't heard a dozen times before. There is no scam that a con artist can  
1046 conceive that we haven't already dealt with.

1047 **Now, it's your turn.**

1048 We are tired of reading the entire list of Primary Source Documents and reference books  
1049 included for your interest, plus hundreds more arcane documents detailing the attempts of Popes  
1050 and Kings and Presidents and Congresses to do things both wonderful and horrible. This  
1051 particular responsibility means becoming a lawyer whether you like law or not, becoming a  
1052 banker whether you can stomach banking or not, becoming a historian even if history makes you  
1053 gag, and becoming both a researcher and a journalist, because you have to keep up with the ever-  
1054 changing game board that is the globe rotating under your feet.

1055 It means either being a wolf or a shepherd, because you cannot be a sheep after such an  
1056 education. Francis is the last Pope we shall serve. We've been Good Shepherds for the innocent  
1057 and helpless people of the world, but we might have been predators just as well. This is a matter  
1058 of individual choice, and it bears consequences no matter what you do.

1059 For those who have a conscience and who prefer to sleep at night and to look at  
1060 themselves in mirrors without wincing, being a Good Shepherd works best. For the one in 25  
1061 among us who couldn't care less who they hurt, how much, or for what venal reasons, being a  
1062 predator may be the only option, because such animals (and you know who you are) see  
1063 innocence as ignorance, see weakness as opportunity, see goodness of any kind as an excuse for  
1064 contempt, and purity of any sort as an excuse to despoil it.

1065 Just be aware--- there are 24 shepherds to every wolf and 390 million increasingly  
1066 disgusted Americans poised to take out the entire Puerto Rican Navy.

1067 **11. Why did you include Pat Dougherty, the Managing Editor of The Anchorage Daily  
1068 News, to receive a FINAL NOTICE? He's not a politician or a public employee or a  
1069 banker or a judge, so it doesn't appear to make sense?**

1070 Go to The Anchorage Daily News archives and look at the first ad in the Legal Notices  
1071 Section of the October 1, 2013 edition under high magnification. Write down the words that you

1072 actually see are printed there and compare them to the words that **appear** to be printed on that  
1073 page when you are reading this ad without the aid of a strong magnifying glass.

1074 We believe that it will be self-explanatory, and if it isn't, we have many actual copies of  
1075 all the publications of this specific Notice archived around the world for your inspection. The  
1076 actual copies published as part of The Anchorage Daily News on that date show a very peculiar  
1077 thing: the words that **appear to be** on the page aren't actually there. At high magnification, it  
1078 becomes apparent that an entirely different and diabolical message is embedded in the page.  
1079 This is another fraudulent use of microprint to void the actual lawful notice, similar to the use of  
1080 microprint on "personal" checks, replacing what appears to be merely a line for your signature  
1081 with a line of microprint that designates your signature as an "authorizing" signature, not an  
1082 issuing signature----which changes your presumed status from that of a beneficiary to that of an  
1083 employee.

1084 That ad and two similar prior ads were placed in the paper in behalf of the People of  
1085 Alaska, as Legal Notice to the politicians, judges, bankers, corporate officers, social planners and  
1086 others scheming to injure and defraud their neighbors in the upcoming game of national  
1087 bankruptcy. The ad ran three times, and each time, the print staff at The Anchorage Daily News  
1088 corrupted it in such a way that the perpetrators of all this fraud can technically claim that the  
1089 clearly intended Public Notice was never delivered, and that instead, the underlying distorted and  
1090 diabolical message was published instead. After all, they will argue among themselves and slap  
1091 each other on the back for such cleverness----the Sheep will never catch on, and it's the ink on  
1092 the page that counts, not the ink that *seems* to be on the page.

1093 Or is it? We, the Shepherds, have something to say about that----and it is merely this:  
1094 fraud vitiates everything. The intent to publish and the act of publishing the Notice stands as  
1095 originally written and **delivered by the Post Office**.

1096 Pat Dougherty has a commercial responsibility to provide his advertisers with good faith  
1097 service, especially those who place ads in the Legal Notices section of the newspaper. By  
1098 allowing distortion of the **actual** content of Legal Notices via the use of puerile optical illusions,  
1099 he does great disservice to everyone involved and he assists in preserving the ongoing  
1100 criminality instead of pulling an oar to straighten it out. It's true that those responsible for all  
1101 this corruption and graft have lied to the members of the Fourth Estate just as they have lied to  
1102 everyone else, but an editor bears responsibility for what appears --or fails to appear--in the  
1103 Legal Notices.

1104 That's why Pat Dougherty got a NOTICE of default. The Anchorage Daily News  
1105 charged for a legal notice that was never actually published. This is certainly commercial  
1106 default, and as he is responsible for what goes on in the press room, administrative default with

1119 Body Politic = senate = house of representatives = civil government = full commercial liability =  
1120 sovereign nation = American Nationals = Natural and Unalienable rights = U.S. Trust =  
1121 American Common Law = U.S. dollar = Public Laws = Full Enactment Clauses = State  
1122 Governors as in “Alaska State Governor”.

1135 Clauses = public franchises organized as *foreign situs* trusts doing business under the Names of  
1136 living Americans = Names using Upper and Lower case style conventions, e.g., John Quincy  
1137 Adams = US Dollar = vessels in commerce = Law of the Dead – Probate Law, Administrative

1139 U.S. Department of the Treasury = U.S. Department of Commerce = U.S. Department of  
1140 Transportation.....etc., etc., etc.,

1141 **The UNITED STATES** = regional subsidiary of the UNITED NATIONS dba “UNITED  
1142 STATES, INC.” = 57 American “states” = French commercial corporation = secondary  
1143 governmental services contractor operated by the International Monetary Fund, an agency of the  
1144 United Nations, an independent international city-state located in New York State = international

1145 commercial union = Puerto Rican Cestui Que Vie ESTATE trusts operated as franchises of the  
 1146 UNITED STATES, INC. under the NAMES of living Americans = JOHN QUINCY ADAMS =

 1148 CONSTITUTION OF THE UNITED STATES = US DOLLAR = US DISTRICT COURT=  
 1149 UNITED STATES SENATE =PRESIDENT OBAMA = UNITED STATES HOUSE OF  
 1150 REPRESENTATIVES = UNITED STATES CONGRESS = ACTS OF CONGRESS = STATE  
 1151 OF OHIO = GOVERNOR OF OHIO = US TREASURY DEPARTMENT = INTERNAL  
 1152 REVENUE SERVICE.....etc, etc., etc.

1153 **Whenever you see names in all small letters** or when you see entities physically  
 1154 described, you are talking about the Republic and the real world of living people and private  
 1155 property and valid contracts. All **real assets** of the nation are held in perpetual trust by the  
 1156 Global Estate Trust. The trials and tribulations of individual Trust Management Organizations  
 1157 are never supposed to affect any asset held in trust. Thus, the name “nelly-jo: blanchard” is the  
 1158 name of a living female. So is “Nelly-Jo **of the family** Blanchard” a valid way to designate a  
 1159 living female. A US dollar is a known weight of silver refined to a stated quality. The Georgia  
 1160 State has known geographical borders. But, Nelly Jo Blanchard is a foreign situs trust created  
 1161 and owned under conditions of deceit and non-disclosure by agencies of the State of Georgia, a  
 1162 franchise of the United States of America, Incorporated, which is owned and operated as a  
 1163 business by the Federal Reserve, Inc. which is incorporated in turn under the auspices of the  
 1164 United States of America (Minor). In the same way, NELLY JO BLANCHARD is a foreign  
 1165 (Puerto Rican) ESTATE Trust --- a Roman Inferior Trust--- created, owned, and operated under  
 1166 conditions of deceit and non-disclosure by the International Monetary Fund (IMF) which is an  
 1167 agency of the UNITED NATIONS, INC. operating under the auspices of the United Nations, an  
 1168 independent, international city-state.

1169 **When you see names styled in Upper and Lower Case**, you are talking about  
 1170 incorporated entities known as “legal fiction entities” spawned by the United States of America  
 1171 (Minor) or one of its corporate municipal franchises, such as the State of Alaska, which exist  
 1172 only on paper, are subject to their charter, and enjoy certain immoral advantages in commerce.  
 1173 Nelly Jo Blanchard is the Name of a *foreign situs* trust created by agents of the United States of  
 1174 America, Incorporated, to function as a “commercial vessel” and to act as a surety for their own  
 1175 corporate debts---without the knowledge or consent of the similarly named living American.  
 1176 “Nelly Jo Blanchard” --- is a *foreign situs* trust claimed and owned as chattel by the Federal  
 1177 Reserve Banks doing business as the United States of America, Incorporated. **These entities**  
 1178 **are in fact abusing the legal conventions which apply to naming corporate entities and**  
 1179 **making a *de facto* false claim by using a small “t” in describing themselves as “the United**  
 1180 **States of America” and doing so by claiming to represent BOTH the 50 states and the 7**  
 1181 **insular states. This adds to the confusion as to who is who and what is what.**

Final Judgment and Civil Orders

**APRIL 11, 2014**

1182           **When you see NAMES styled in all UPPER CASE letters**, you are talking about  
1183 additional incorporated entities spawned by the UNITED STATES, a regional subsidiary of the  
1184 UNITED NATIONS, chartered in Puerto Rico, operated as franchises, agencies and subsidiaries,  
1185 functioning as secondary creditors in commerce and commercial vessels owned and operated by  
1186 the International Monetary Fund. “NELLY JO BLANCHARD” is a Roman Inferior Trust (also  
1187 known as a Cestui Que Vie Trust) operated out of Puerto Rico by the IMF doing business as the  
1188 UNITED STATES, INC. and all under the auspices of the UNITED NATIONS, INC. which is  
1189 in turn organized under the authority of the United Nations acting as a separate independent and  
1190 international city-state.

1191           The next stage of this endless fraud is beginning now, with conversion of the IMF owned  
1192 and operated ESTATE trusts into transmitting utilities owned and operated by a new UN  
1193 subsidiary calling itself the FEDERAL RESERVE. This entity is creating yet another bunch of  
1194 legal fiction entities under names styled in this form: “JOHN Q. PUBLIC” and all named after  
1195 living Americans.

1196           This entire con game is based on non-disclosure and semantic deceits and is a form of  
1197 sophisticated identity theft carried out via abuse of the rights of usufruct exercised by Trust  
1198 Management Organizations acting in Breach of Trust **---and all done by organizations which**  
1199 **owe the victims absolute fiduciary accountability.**

1200 **13. Do you mean that when I get a tax notice from the IRS addressed to my NAME, it isn't**  
1201 **actually addressed to me?**

1202           Precisely. It is addressed to a Puerto Rican ESTATE Trust and you are presumed to be a  
1203 federal official---specifically, a federal contracting officer known as a “Withholding Agent”  
1204 working for the government of the United States of America (Minor) who is responsible for  
1205 administering this ESTATE as a civil executor. Every time you sign a 1040 or a 1065 or other  
1206 federal tax document claiming to be a Withholding Agent, you obligate yourself to act as a “US  
1207 citizen” subject to every jot of Federal Code, including the 120,000-plus pages of gobbledygook  
1208 known as the Internal Revenue Code, plus whatever whims the US Congress may have next  
1209 week. Withholding Agents are responsible for collecting and withholding taxes on revenues  
1210 imported to Puerto Rico.

1211           The perpetrators tax you for the privilege of donating your money to a Puerto Rican  
1212 ESTATE Trust operated under your name by the IMF---which you do every time you deposit  
1213 money in an account belonging to YOUR NAME IN CAPITAL LETTERS and thereby  
1214 “voluntarily” convert your own private property into corporate income and also accrue the  
1215 import tax due for importing revenue to a Puerto Rican Trust.

1216           They operate a monopoly on legal tender such that you have no valid means to pay a  
1217 debt, then prevent you from discharging any debt --- **which is the only remedy they provided**  
1218 **to justify their monopoly on legal tender** ---and then they tax you for the privilege of donating

1219 the I.O.U.'s they foisted off on you in the first place to a Puerto Rican ESTATE trust operated in  
1220 your name.

1221 **Next, if you let them get away with it, the new FEDERAL RESERVE will subtly**  
1222 **change the NAME on “your” ESTATE account, changing it to this form: JOHN Q.**  
1223 **PUBLIC, which is a transmitting utility – yet another legal fiction entity created out of thin**  
1224 **air-and operated under a “similar name” ----and they will happily make false claims of**  
1225 **debt and ownership against this entity, too.**

1226 All the gold that the United States of America, Incorporated, stole from your  
1227 grandparents in the 1930's will now be used to issue a “new currency” backed with gold and  
1228 silver----gold and silver they seized under force of arms from your families to begin with and  
1229 never paid back--- **and the new “US Treasury Notes”, like the “Federal Reserve Notes” will**  
1230 **still be mere I.O.U.'s that further indebt you every time you use them to “pay” a debt.**

1231

#### 1232 **14. What is the bottom line of all this?**

1233 There is either a contract between the governmental service providers, or there is no  
1234 contract for services in play. If there is a contract, they have to abide by it. If there isn't a  
1235 contract, nobody is obligated to pay the providers for any service provided, and in this case,  
1236 those providing the services additionally become recognizable as foreigners without any cause to  
1237 be on American soil, therefore subject to deportation and confiscation of their assets.

1238 The only valid contract ever established between the American states and the Global  
1239 Estate Trust, is the Original Equity Contract known as The Constitution for the united States of  
1240 America. The purported changes made in 1871 and the “new” constitution published at that  
1241 time pertained only to the United States of America (Minor) and was never fully disclosed and  
1242 never properly ratified as anything wider ranging, with the result that all the changes made in  
1243 1913 and 1933 were never fully disclosed and never ratified by the states, either.

1244 The documents known as “the Constitution of the United States of America” published in  
1245 1871 and the more recent “Constitution of the United States” have no meaning outside the  
1246 narrow confines of the United States of America (Minor) and the incorporated entities that  
1247 created these documents. They hold no water in international commerce. They have no valid  
1248 basis as international treaties between the United States of America (Minor) and The United  
1249 States of America (Major).

Final Judgment and Civil Orders

**APRIL 11, 2014**

1250           **The only contract binding the American states to the Global Estate Trust remains**  
1251 **the over-200 year-old Constitution for the united States of America, and that is the contract**  
1252 **that must be performed upon if any contract exists at all.**

1253           It is “one way or the other” from an international treaty and commercial contract  
1254 standpoint---either there is a contract that must be honored, or there is no contract and these  
1255 freebooters need to be removed from American shores and their false claims need to be  
1256 repudiated. **This is precisely the viewpoint that the Pope is obligated to take as the Trustee**  
1257 **responsible for the administration of the Global Estate Trust as a whole, and it is the stand**  
1258 **he has taken.**

1259           In enforcing the original equity contract the Pope can call upon all the other members of  
1260 the Global Estate Trust ---over 200 countries---and he will have many willing supporters if he is  
1261 forced to take action against the present leadership of the United States of America (Minor) dba  
1262 PRESIDENT BARACK H. OBAMA and the US CONGRESS.

1263           Both Russia and China have already pledged their support to impose economic and  
1264 military sanctions if the criminal banking cartels presently operating the American government  
1265 don’t back down and restore the commodity-based monetary system, agree to implement Basel  
1266 III banking protocols, stop rigging the commodity markets, and take other steps ensuring global  
1267 security and prosperity.

1268           It is in the best interests of everyone on earth outside a very narrow group of politicians,  
1269 bankers, lawyers, military officers, and corrupt churchmen to bring the present criminality to a  
1270 halt, so, one way or another, it will be done.

1271           The Pope has no choice, and neither do you.

1272           The bottom line can be summed up in one question to be answered---is there a contract or  
1273 not? If so, that contract must be honored. If not, the employees of the United States of America  
1274 (Minor) and the United Nations are out of a job and those who knowingly promoted the fraud are  
1275 to be prosecuted as criminals and deported.

1276           **15. What is the status of an American facing the present court system?**

1277           There are only two possibilities currently being entertained by the members of the  
1278 American Bar Association, as a result of the shakedown put in place by the Roosevelt  
1279 Administration eighty years ago following the Erie Railroad v. Thompkins case: (1) they are  
1280 addressing an in-house administrative corporate tribunal to provide information or make a claim  
1281 against the United States of America (Minor) or one of its municipal franchises or agencies per  
1282 the Administrative Procedures Act, or (2) they are facing a foreign maritime court and acting  
1283 under a burden of undisclosed false presumption---except in the very few cases where an actual  
1284 maritime issue and contract exists.

1285           **Those are the only possibilities and the members of the American Bar Association**  
1286 **fight hard to ignore or weasel out of ever admitting that they are functioning in either**  
1287 **capacity.**

1288           **There is no such thing under the current system as a State Statute.** There isn't a  
1289 single valid Enactment Clause anywhere to be seen in the volumes of "statute" published by the  
1290 "State of Alaska", nor is there any power of enactment within the Administrative Code of the  
1291 STATE OF ALASKA.

1292           Anyone properly trained in the practice of law has only to glance at these documents to  
1293 know they are private in-house publications. Unfortunately, two generations of American  
1294 lawyers have been purposefully left in ignorance as pernicious as that inflicted on the general  
1295 populace.

1296           This ignorance better serves the purposes of the "Court Administrators" who are  
1297 employees of the same banks that have perpetuated the gross fraud and criminality engulfing the  
1298 monetary system, the banking system, the political system, and the government both state and  
1299 federal.

1300           The perpetrators have gone so far as to openly and publically declare in the Foreign  
1301 Sovereign Immunity Act and the International Organizations Immunity Act that all state offices  
1302 have been relinquished to the UN and all state law has been released to international venues, so  
1303 even by their own admission, there is no opportunity to question these facts. It is all public  
1304 record.

1305           All the administrative "law" practiced by the courts in America is Roman Civil Law  
1306 created under the auspices of the Roman Curia and transplanted as the law form chosen by the  
1307 international bankruptcy trustees to administer the bankruptcy of the United States of America,  
1308 Incorporated.

1309           All the maritime law practiced by the STATE OF ALASKA courts is "Special  
1310 Admiralty"---a gobbledygook created and adopted to allow perverse presumptions of maritime  
1311 association and contract in civil cases involving *foreign situs* trusts created by the United States  
1312 of America (Minor) that are merely **presumed to be** sureties for the debts of the bankrupt Trust  
1313 Management Organization dba United States of America, Inc. ----and all washed down with  
1314 ample and outrageous probate fraud.

1315           According to the perpetrators, the "vessel" they created, a *foreign situs* trust belonging to  
1316 the State of Alaska franchise of the bankrupt United States of America, Inc., went missing years  
1317 ago. John Quincy Adams hasn't been heard from, or so they claim, so he has been presumed

1318 dead and his estate has been rolled over into a Puerto Rican ESTATE trust operating under the  
1319 name JOHN QUINCY ADAMS.

1320 This is venal probate fraud of the worst sort, carried out systematically against an  
1321 unsuspecting and peaceful populace of civilian inhabitants of the land, people who are owed the  
1322 full protection of their International Trustees, the Pope and HRM Elizabeth II, and the good faith  
1323 and service of their **employees** under commercial contract to provide governmental services.

1324 All the admiralty law practiced by the US DISTRICT COURT is international Law  
1325 Merchant falsely transplanted without contract or consent, usurping upon the land and used  
1326 against the unwitting American people with devastating effect upon them and their fraudulently  
1327 constructed ESTATES in flagrant violation of the Treaties of Westminster.

1328 There are at present **no** formal courts in America serving **living** Americans at all. The  
1329 only way a living American can appear is via Special Appearance--- a status akin to a ghost who  
1330 may be heard and seen, but without standing.

1331 To address any court in America with standing, a living American has two choices: to  
1332 reclaim controlling interest in their ESTATE according to the ancient laws governing Roman  
1333 Inferior Trusts---which throws a mighty monkey wrench into a “court system” that is not  
1334 designed to ever deal with American civil executors, or, two, to create an American *inter vivos*  
1335 trust operating under a separate legal name which is competent to address commercial issues in a  
1336 public international venue.

1337 Living Americans are owed the American Common Law, and as we’ve already seen, the  
1338 American Bar Association has acted under a fraudulent administrative order to operate **only** in  
1339 administrative and maritime (international) venues since 1938.

1340 Without overturning this administrative protocol, the courts CANNOT function lawfully  
1341 in the vast majority of cases, so they don’t function lawfully. They function as described herein  
1342 as criminal ventures, rigged gambling syndicates, operating for-profit prisons that are  
1343 “guaranteed full occupancy by contract”, and so on.

1344 **16. If the federal government is just a private, for-profit Trust Management Organization**  
1345 **providing governmental services as a corporation with a lot of “STATE” franchises, like**  
1346 **Burger King, International---what does that mean for the “STATE” legislatures?**

1347 It means that they are committing major league constructive fraud. They have no  
1348 “legislative power” outside the private affairs of their own deceptively named corporation, no  
1349 valid claim to the American national trust assets, no valid claim upon the American states, no  
1350 controlling interest in the states and certainly no controlling interest in the private assets of the  
1351 American people. They cannot even claim to represent anyone but the small percentage of those  
1352 who bothered to vote, AND, who voted for them, individually -----a matter which cannot be

1353 proven at all with a secret ballot. **All these people claiming to “represent” others can’t prove**  
 1354 **that they represent anyone at all.** At best they can round up a group of family and friends who  
 1355 will swear that they voted for them in the most recent election.

1356 Grandma Grace and Uncle Henry notwithstanding, with less than 30% of the populace  
 1357 voting, there is no way for the most popular politicians in Juneau or Washington, DC, to claim  
 1358 that they represent a majority controlling interest of any kind.

1359 As a practical matter, every member of the current “US CONGRESS” and every member  
 1360 of the STATE OF \_\_\_\_\_ LEGISLATURE is operating as an international criminal  
 1361 engaged in fraud and identity theft and they are impersonating American officials----whether  
 1362 they know it or not.

1363 **The Alaska State operates under the Alaska Statehood Compact.**

1364 It is **foreign** with respect to the State of Alaska and also **foreign** with respect to the  
 1365 STATE OF ALASKA. Those who are operating these private, for-profit corporations in  
 1366 violation of their corporate charters and in violation of the public trust have cause to know that  
 1367 they are NOT the government of the Alaska State and that they do NOT have any controlling  
 1368 interest in Alaska State assets.

1369 **Note:** it is the “Alaska State Capitol Building”, not the “State of Alaska Capitol  
 1370 Building”. These interlopers are occupying public buildings and impersonating public officials  
 1371 like a flock of starlings stealing the nests of better birds, and the fact that most of them--- like  
 1372 most of their constituents--- are totally ignorant of this fact, does not alter it at all.

1373 **17. What can be done to correct this situation?**

1374 **As a first step, the American Nationals can operate their own courts.** They are not  
 1375 obligated to depend upon BAR accredited attorneys for anything, and would do well not to hire  
 1376 them except under very narrowly defined “limited” Power of Attorney to act as agents, not  
 1377 representatives. The original equity contract includes the creation of a Grand Jury system which  
 1378 is meant to operate as a Fourth Branch of government, serving to present charges against those  
 1379 guilty of crimes and misdemeanors against the living inhabitants of the 50 states. Qualified  
 1380 Grand Jurors volunteer to serve as part of a statewide or county jury pool and may investigate  
 1381 any allegation of criminal or civil wrong-doing which comes to their attention. Following due  
 1382 process, they are enabled to present either indictments (against US citizens) or present charges  
 1383 (against American Nationals).

1384 As for trial juries, they may be convened by any elected county sheriff or by a U.S.  
 1385 marshal (note the small “m”) or elected county judge---who does not have to be a member of the

**APRIL 11, 2014**

1386 Bar Association. The U.S. marshals are under contract to protect the U.S. Mail and are the only  
1387 “federal” law enforcement officers commissioned to act as constitutional officers. They have  
1388 free egress on the land of the 50 states United when engaged in the performance of their duties.  
1389 All other similarly named offices operated as “US Marshals” or “US MARSHALS” are private  
1390 and non-constitutional agency positions that enjoy no special status or granted access on the land  
1391 of the 50 states United, similar to NSA, BATF, IRS, FBI, and DEA officers. In a few remaining  
1392 locations, notably in Alaska, there are as yet no fully functioning counties and the U.S. marshals,  
1393 Provost marshals, civil postmasters and notary publics serve as the constitutional officers.

1394 All US Marshals and US MARSHALS can be “invoked” to occupy the constitutional  
1395 office of U.S. marshal by explicitly addressing them in this capacity and requesting them to  
1396 function in that office. A similar situation exists when requesting service from a notary public,  
1397 postmaster, or provost marshal. The same individual can be called upon to function in both  
1398 public and private offices, and are required to do so, though they are seldom fully advised or  
1399 trained in their responsibilities as constitutional officers.

1400

1401 American Nationals can also demand that all persons elected to public office fill those  
1402 offices immediately, under oath, in **unincorporated** capacity, and function in that capacity  
1403 **exclusively** for the duration of their term in office. This requires them to accept full commercial  
1404 liability for their actions and to function with full fiduciary obligation to the people of the state.  
1405 They can then no longer play the game of “Which hat am I wearing now?” and function in  
1406 conflict of interest, plundering the assets of the organic state and the living people for private  
1407 banking and other corporate interests while claiming to “represent” those same states and people.

1408 Americans can also operate their unincorporated state legislatures to enforce and update  
1409 the actual Constitution for the united States of America by a process of ratified amendment  
1410 undertaken by properly informed and seated **unincorporated** state legislatures and a national  
1411 referendum of the **unincorporated** Body Politic composed of living people---bearing in mind  
1412 that **this document has not been altered since December of 1865**----or, we can negotiate a  
1413 totally new contract with the Global Estate Trust, but given the present state of general  
1414 ignorance, that would hardly be advised.

1415 Those who are nominally occupying public office need to act with propriety for now and  
1416 limit their actions to those appropriate for **employees** of the Alaska State and the Alaskan  
1417 People. Those who are members of the Alaska Bar Association need to demand immediate,  
1418 drastic, and unequivocal administrative change----or tear up their BAR Cards and start their own  
1419 club operating real American Courts under real American Common Law.

1420 **18. This whole situation makes me feel terrified and out of control. Why are you so cool**  
1421 **and calm?**

1422           The Pope is determined to do the right thing and he is doing it, despite wild accusations,  
 1423 despite false claims, despite a very vile propaganda campaign launched against him personally  
 1424 and against the Roman Catholic Church by globalist bank operatives. With more than a billion  
 1425 members worldwide, the Church is one of the largest Body Politics on earth and its membership  
 1426 cuts across all racial and national boundaries. There are also more than two billion people with a  
 1427 direct interest in correcting this situation, including the entire combined populations of North and  
 1428 South America, Canada, Australia, Japan, and most of Europe. The Americans aren't in this  
 1429 stew pot alone. What happens to us happens to everyone else caught in the same system. That  
 1430 includes the perpetrators and their home bases--globally. The reckoning is coming too fast for  
 1431 them to move their operations far enough. The globe has become too small.

1432           Under international law, however, Americans are unique in that the entire civil  
 1433 government is vested in each and every living man and woman born on American soil.  
 1434 Americans, quite literally, are sovereigns on the land. The lowliest file clerk in America has  
 1435 more **civil** authority than the entire federal government, so there is no lack of civil government in  
 1436 America and never has been.

1437           Any claim that the civil government has not operated since 1865 due to the fact that a  
 1438 properly seated and functioning congress has not acted since then is immediately rendered null  
 1439 and void by the simple fact that sovereigns upon the land are **not obligated** to convene a  
 1440 congress or any other legislative body. We can do what we like, but we must now recognize  
 1441 that our own failure to operate our own civil government has created a vacuum of power that  
 1442 unscrupulous men have sought to take advantage of. The counties, the basic building blocks of  
 1443 the American civil government, must be rebuilt and redirected to function properly at a  
 1444 grassroots level. Usurpation onto the land by "boroughs" and "municipalities" existing under  
 1445 "federal" charters---that is, under the auspices of the United States of America (Minor) or the  
 1446 United Nations City State---which are **foreign nations creating unauthorized settlements on**  
 1447 **our land---** must be stopped and the existing charters of municipalities like DETROIT must be  
 1448 voided as criminal personage carried out by foreign powers against the state of Michigan and its  
 1449 people.

1450           Some individual states have given these freebooters asylum, including the states of  
 1451 Virginia, Maryland, Delaware, and New York. By so doing, they have allowed foreign nations  
 1452 to take root and operate on our shores to the detriment of all Americans. The states of Delaware,  
 1453 Maryland, and Missouri have all knowingly allowed the proliferation of foreign corporations  
 1454 using names overtly designed to mimmick and be confused with The United States of America  
 1455 (Major), other states, federal and state agencies, and a plethora of other entities. In so doing,  
 1456 they have helped promote and promulgate this entire fraud scheme. Their state legislatures are  
 1457 culpable and answerable to the other states with which they are joined in perpetual union.

## Final Judgment and Civil Orders

**APRIL 11, 2014**

1458 Americans are blessed in that they have been taught the Great Laws of the Bible. They  
1459 know the essence of justice, so they are competent to self-govern. The premise of American  
1460 Common Law is simple enough for a child to understand: **do no harm**, and when and if you do  
1461 harm someone, make up for it. American Common Law is also simple in this respect--- if  
1462 there's no real, actual victim, either a dead body or a living man, there is no crime.

1463 There are no victimless crimes under American Common Law, and the lack of a real,  
1464 living injured party bringing complaint is the absolute, drop-dead proof that the entire court  
1465 system is being purposefully and self-interestedly mis-administered in foreign jurisdictions  
1466 generally having nothing whatsoever to do with American Nationals or their property interests.

1467 All American Nationals being improperly addressed by one of these foreign admiralty  
1468 courts should ask five questions: (1) Where is the alleged **maritime** contract? (There isn't even  
1469 a whiff of sea air in 99.9% of all the cases before these courts, and they have no jurisdiction  
1470 extending more than a mile inland.) (2) Who or what is being addressed as the DEFENDANT?  
1471 (Nail them down---Is this a trust? It can't be a living man because the name is in all capital  
1472 letters. So...is the DEFENDANT a transmitting utility? A cooperative? Who is it owned by? )  
1473 (3) Is this court a constitutional entity, and if so, is it organized under Article 3 or Article 5?  
1474 (Neither, but it has to be under one of the two, if it is an American Court. Most "JUDGES" will  
1475 vacate at this point.) (4) Where is and what or who is the Injured Party named as PLAINTIFF?  
1476 (Again, it's not a living man or woman, so what is it? Who owns it? Who is responsible for it?)  
1477 and (5) What jurisdiction or authority does this court or its officers have to address fraudulent  
1478 claims to my attention? (If the documents were mailed, they committed mail fraud. If they were  
1479 hand delivered, they trespassed on private property.)

1480 The over 80 million regulations and statutes and codes that the incorporated Trust  
1481 Management Organizations have created for themselves and their employees and their "citizens"  
1482 don't apply to Americans. So under what authority do these cretins continue to assert that they  
1483 do?

1484 As for the claim that is sometimes made that Americans fell under the "exclusive  
1485 legislative" control of the United States of America (Minor) via its establishment of "state"  
1486 franchises, it is clear that all it accomplished was attempted identity theft. The same goes for any  
1487 claim made by the United Nations. It is also clear that all claims of "war powers" and "national  
1488 emergency" apply only to the United States of America (Minor) and that no such powers and  
1489 emergencies have ever existed within or been declared by The United States of America (Major).

1490 The bankers at the bottom of all this criminality can, potentially, cause destruction and  
1491 havoc, but in the end they will lose along with everyone else if they do, and let's face it, they  
1492 have more to lose. Even the arms dealers and Mafiosi and drug lords can ill-afford to lose their  
1493 American Hemisphere real estate and American investments and American bases of operation.  
1494 The bad guys are in a position where they can only shoot themselves in the foot.

1495 They either allow an orderly return to American self-government under American law  
 1496 and an American Dollar that is a real dollar, or they can try to find a nice new home in Iran or a  
 1497 similarly non-aligned nation. Their flight to “UN protection” will not ultimately help them, and  
 1498 that has already been decided by the Pope and the Global Estate Trustees.

1499 As for any claims based on a theoretical military coup and attempts to define the presence  
 1500 of the US Army on American soil as a “foreign occupation” by the United States of America  
 1501 (Minor), there are numerous reasons why such claims do not stand up in the international  
 1502 community. First, then-President Andrew Jackson made three public declarations officially  
 1503 ending the Civil War. Second, even if it is under the direction of the President of the United  
 1504 States when it comes to defending The United States of America (Major), the US Army is paid  
 1505 for its services and under contract. Any action undertaken by the US Army against American  
 1506 Nationals on the land of the 50 states United would be a blatant commercial crime, and the  
 1507 United Nations could ill afford a reputation for allowing, aiding, or abetting that.

1508 Finally, the perpetrators of this scheme are well aware that in some senses “Hell” is very  
 1509 real. The Pope’s recent admonishment of the Italian Mafiosi is not devoid of meaning for them,  
 1510 and the messages going out worldwide to the administrators of the Crown Temple have similar  
 1511 content-specific meaning for the recipients.

1512 So, all things taken together, that’s why we are so cool and calm---as stated in the FINAL  
 1513 NOTICE all these issues, claims, and considerations have already been deliberated upon and  
 1514 decided at the very highest levels of international governance.

1515 **19. All these “legislatures” and public officials have been using public resources and**  
 1516 **buildings and everything else to benefit their own private for-profit corporations for**  
 1517 **DECADES---for example, they’ve sold off billions of dollars worth of Alaska’s oil for**  
 1518 **pennies on the dollar to their cronies in the oil companies, siphoned off billions into slush**  
 1519 **funds they haven’t accounted for, all by impersonating American public officials and**  
 1520 **merely asserting a controlling interest in the assets of the organic states.....that’s what**  
 1521 **you’re telling me?**

1522 Yes.

1523 In 1946 the “federal government”----which you now know is simply a private, for profit,  
 1524 mostly foreign-owned corporation under contract to provide governmental services---adopted a  
 1525 crooked bookkeeping system and the “US CONGRESS” gratuitously declared it to be legal for  
 1526 the government, even though it was recognized as being illegal for everyone else.

1527 They basically borrowed the “double entry bookkeeping system” from Fast Eddie  
 1528 O’Hara, who was Al Capone’s bookkeeper. The IRS learned it from Eddie when they

Final Judgment and Civil Orders

**APRIL 11, 2014**

1529 prosecuted Capone back in the 1920's. Getting rid of this system has been the principle driving  
1530 force behind all the Basel I, II, and III banking reforms.

1531 The essence of the crooked government accounting is in keeping two sets of books, use  
1532 of undisclosed "off book" escrow accounts, undeclared income accounts, and "future time  
1533 encumbrances". They have also failed to transparently report their "public investments" to the  
1534 public.

1535 To use an example from Alaska--- the STATE OF ALASKA splits its income streams  
1536 into "budgeted" and "non-budgeted" income. The GOVERNOR decides how much he wants to  
1537 give out as a budget and the LEGISLATURE argues over this little bone and keeps the crowds  
1538 entertained for the rest of the session. **This sideshow keeps attention focused only on the**  
1539 **budgeted amount.** Meanwhile, the far greater share of the income and investment is being  
1540 "passed through" to investment accounts and escrow accounts and subsidiary accounts belonging  
1541 to technically separate agencies.

1542 Once a year the STATE OF ALASKA produces a financial report called the  
1543 COMPREHENSIVE ANNUAL FINANCIAL REPORT --- the CAFR. This is far from a true  
1544 "comprehensive" financial report, in that it passes off responsibility for including the detailed  
1545 data from all the ANNUAL FINANCIAL REPORTS of entities like the ALASKA MENTAL  
1546 HEALTH TRUST and the ALASKA HOUSING FINANCE CORPORATION and the  
1547 UNIVERSITY OF ALASKA and so on, but it does reveal some very startling things and it  
1548 provides the basis to dig out the truth about STATE OF ALASKA finances.

1549 The last time this sort of analysis was done was in the 1990's and it was only a "big  
1550 strokes" research project. It did not get down to the fine detail level, nor did it exhaustively  
1551 investigate myriad subsidiary ANNUAL FINANCIAL REPORTS, only the three largest ones at  
1552 that time. The STATE OF ALASKA had over \$3 trillion dollars in unreported "non-budgeted"  
1553 income, interest, investments from prior years, other investment income, program fees, and  
1554 monetized assets standing on the books. Only the COMMISSIONER OF REVENUE,  
1555 LINDSEY GOLDBERG, THE GOVERNOR'S OFFICE, and senior bureaucrats at  
1556 LEGISLATIVE BUDGET AND AUDIT would have an accurate guess how much it has ratted  
1557 away now.

1558 This is typical of the way these corporations work. They keep people distracted by  
1559 focusing public attention on the pennies in one pocket while they are stealing the gold bars from  
1560 the other pocket.

1561 As an example of the corporate conflict of interest----the leadership of the "STATE OF  
1562 ALASKA LEGISLATURE" and various other corporate players have been happily colluding to  
1563 squeeze-play the Alaskan people out of the benefit of their natural gas resources. The STATE  
1564 OF ALASKA has long owned via investment a very large interest in ENSTAR NATURAL GAS  
1565 and has a vested interest in maintaining ENSTAR's monopoly as the only viable gas supply

1566 utility in Alaska. So, as a self-interested private corporation, the STATE OF ALASKA is  
1567 determined to keep the price of natural gas and propane in Alaska unnaturally high, to help  
1568 maintain ENSTAR'S monopoly on in-state gas energy supplies, and to prevent any large scale  
1569 development of Alaska's gas resources that would encourage competition for ENSTAR. It also  
1570 has a vested self-interest in wrangling pipeline construction contracts for ENSTAR.

1571 This is an especially choice investment for the STATE OF ALASKA because public  
1572 utilities are regulated and thereby **guaranteed** a 12% above cost profit, no matter what the costs  
1573 of a project may be. All the cost in such a venture gets passed onto the consumers, and the  
1574 perpetrators get a 12% profit **no matter what**.

1575 The STATE OF ALASKA corporate leadership is willing to consider a wildly expensive  
1576 small or medium diameter gas pipeline that guarantees extremely high consumer gas prices in  
1577 Alaska for decades to come---because that option (1) guarantees ENSTAR's monopoly for  
1578 decades to come, (2) guarantees top prices for propane delivered in-state for decades to come,  
1579 and (3) guarantees a 12% **above cost** profit for ENSTAR---and the STATE OF ALASKA **no**  
1580 **matter what the costs of construction are**---for every mile of pipe the company lays.

1581 This situation neatly demonstrates the conflict of interest which exists all across the board  
1582 when private for-profit corporations are allowed to assume a controlling interest in public assets.  
1583 They have a built-in and constant temptation to operate in favor of their own bottom line at the  
1584 expense of the organic states and the people they are obligated by fiduciary trust to serve.

1585 This gas development plan to construct a small or medium diameter gas pipeline is  
1586 perfectly desirable from the standpoint of the STATE OF ALASKA'S bottom line, but it betrays  
1587 and victimizes the actual beneficiaries of the Alaska Trust, the ones who should be benefited first  
1588 and most of all by Alaska's resources.

1589 This calculated breach of public trust for private profit is on top of the theft of identity  
1590 and credit that has already been described, and it goes on in every STATE franchise, not just the  
1591 STATE OF ALASKA.

1592 The take home message to members of the STATE OF ALASKA LEGISLATURE is that  
1593 the organization is already in gross violation of its charter, in violation of the public trust, acting  
1594 in breach of trust, engaging in felony fraud, acting with gross fiduciary malfeasance, and cannot  
1595 make up for the past. Billions upon billions of dollars have been stolen and wasted, misdirected,  
1596 poorly invested for petty, selfish reasons, and siphoned off by the STATE OF ALASKA.

1597 A new dialogue must begin, and in the meantime, those occupying corporate offices need  
1598 to be very mindful of the limitations, temptations, and actual nature of their elected office within  
1599 a private corporation under contract to provide stipulated governmental services. They must also

## Final Judgment and Civil Orders

**APRIL 11, 2014**

1600 be aware that they have no valid controlling interest in the assets of the Alaska State and that  
1601 they have failed to perform according to the Alaska Statehood Compact, which potentially voids  
1602 all contract for all services and all contracts which the STATE OF ALASKA has or has entered  
1603 into since 1959.

1604 As an example of the same phenomenon at the national level, the “US Congress” recently  
1605 passed the Dodd-Frank Act, gratuitously granting itself the right to confiscate money deposited  
1606 in bank accounts properly belonging to American Nationals. Unknown to those Americans, the  
1607 banks have secretively practiced unlawful conversion against them and what they think of as  
1608 their bank accounts have all been established instead in the name of Puerto Rican Estate Trusts  
1609 that are under the control of the United States of America (Minor). Poor old john-quincy:adams  
1610 has been “donating” all his credit accruals in the form of his checking and savings and demand  
1611 deposits and mortgage escrow holdings and everything else to benefit John Quincy Adams, and  
1612 that long-lost beneficiary’s Estate has been rolled over into an ESTATE trust doing business  
1613 under “his” NAME---- JOHN QUINCY ADAMS, which actually owns and controls all the bank  
1614 accounts.

1615 Don’t worry if you get dizzy trying to follow all the semantic deceit. It’s all fraud, top to  
1616 bottom and front to back, null and void, unlawful, illegal, and criminal without excuse. The  
1617 point is that Senators Dodd and Frank thought it was perfectly all right to bilk the American  
1618 people out of their life savings and retirement accounts ----and they did this while overtly  
1619 claiming to “represent” the victims and their estates.

1620 The men and women sitting as officers of both the United States of America, Inc. and the  
1621 UNITED STATES, INC. feel secure committing these and other heinous commercial crimes  
1622 against Americans, because technically, they are not Americans anymore. Once they took their  
1623 oath of office, they came under the protection of the United States of America (Minor) and the  
1624 United Nations and they claimed “immunity” for all their acts.

1625 Unfortunately for them, fraud is a crime on an international basis, and any incorporated  
1626 entity, whether it purports itself to be a nation, a state, or the local D.Q. franchise, is subject to  
1627 dissolution for violation of its charter and for actions identifying it as a criminal syndicate.  
1628 Likewise, the officers of a criminal syndicate are readily exposed without the benefit of any  
1629 corporate veil or diplomatic immunity.

1630

1631 **20. You have put your own private assets at risk to pursue justice and correction of all**  
1632 **these circumstances. You stated in the FINAL NOTICE that THE SUPERIOR COURT**  
1633 **FOR THE STATE OF ALASKA owes you “reparations” and damages in the amount of**  
1634 **\$1,600,000.00 and that the STATE OF ALASKA stands subject to dissolution as a result.**  
1635 **How is all this possible? Wasn’t the property foreclosed for not paying a commercial**  
1636 **mortgage?**

1637 Fraud vitiates everything and it makes no difference who the fraudsters are, or, in this  
1638 case, who they pretend to be. There are no “courts” in America having any valid jurisdiction  
1639 over us or our private property, including the **private** trusts recorded as the actual owners of the  
1640 property in question.

1641 The reparations result from damage done to us and our estate by the United States of  
1642 America (Minor) and its franchises operated as “States” and the damage claim further results  
1643 from the STATE OF ALASKA’s failure to monitor and control the operations of THE  
1644 SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA.

1645 Technically, under the Law of the Sea, we could claim 800 times the loss as damages, but  
1646 that represents precisely the kind of cut-throat and unreasonable piracy we seek to end. The  
1647 actual material damage to our joint estate trust is currently and fairly estimated at \$1,600,000.00  
1648 USD and that reasonable and limited amount is what we have claimed.

1649 THE SUPERIOR COURT FOR THE STATE OF ALASKA is a private, for-profit, non-  
1650 governmental entity operated by the ALASKA COURT SYSTEM, INC. which is operated by  
1651 the FEDERAL RESERVE. As described earlier, the CLERK set up a docket number and penal  
1652 bonds and “deposited” the case as a security in the DALLAS FEDERAL RESERVE BANK.  
1653 JUDGE PAUL OLSON received the converted security making the COURT the creditor and  
1654 ruled in favor of---guess who? The COURT and the COURT’s employer, the FEDERAL  
1655 RESERVE. This is gross conflict of interest, unlawful conversion, insider trading, etc.----but it  
1656 is also fraud in name and deed.

1657 Just as the United States of America (Minor) claims to stand for **The** United States of  
1658 America (Major), THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA is  
1659 deceptively named to imply that it operates under the auspices of the STATE OF ALASKA. It  
1660 does not, and the ATTORNEY GENERAL for the STATE OF ALASKA will very quickly  
1661 confirm this. THE SUPERIOR DISTRICT COURT **FOR** THE STATE OF ALASKA is a  
1662 private for-profit debt collection agency and the only thing the “for” in its name implies is that  
1663 Alaska is its geographically defined place of operations.

1664 The STATE OF ALASKA’s failure is that it has not honored its obligation to protect the  
1665 assets of the national and state trusts. As a franchise of the UNITED STATES, INC. which  
1666 inherited the trust obligations along with the juicy service contracts that it has administered  
1667 throughout the bankruptcy reorganization of the United States of America, Inc., the STATE OF  
1668 ALASKA was a successor trustee.

1669 The STATE OF ALASKA = bankruptcy trustee of the “State of Alaska” = trustee of the  
1670 Alaska State, and as any mathematician knows, equivalencies work both ways. Although the so-

1671 called “national bankruptcy” of the old Trust Management Organization has been settled as of  
1672 July 1, 2013, it was still ongoing at the time the demonstration cases were prosecuted, and no  
1673 matter how the ATTORNEY GENERAL tries to side-step the issue, both the redeemed ESTATE  
1674 trusts and the actual title holder, an American express *inter vivos* trust, were and are owed his  
1675 protection.

1676 Our rights and private property assets are all part of the national trust and like assets held  
1677 in any trust, these assets are inviolate, **not subject to** claims that result from any bankruptcy of  
1678 trustees---and this is true now as it was in 1933 and in 1863 and from the moment the individual  
1679 organic states proclaimed their geographic boundaries as independent nation-states.

1680 Seeking to convert our private property assets into foreign corporate assets by a process  
1681 of contractual entrapment, semantic deceit, and non-disclosure is fraud, as is the hypothecation  
1682 of corporate debt against our private property assets under similar conditions of deceit and non-  
1683 disclosure, as is creation of property titles under color of law, as is sale of property and transfer  
1684 of property titles without full disclosure, as is the use of off-book demand accounts in the  
1685 administration of mortgage agreements, as is usury, as is the use of unilateral contracts, as is the  
1686 use of I.O.U’s as legal tender.

1687 The STATE OF ALASKA, INC. as the local franchise of the UNITED STATES, INC. is  
1688 responsible for safe-guarding our rights and those include our private property rights which have  
1689 been grossly, knowingly, and self-interestedly violated by THE SUPERIOR DISTRICT COURT  
1690 FOR THE STATE OF ALASKA, INC. which has acted without jurisdiction and without a valid  
1691 controlling interest against declared non-combatant civilian beneficiaries and **Third Parties** to  
1692 this entire circumstance.

1693 The properties in question were **recorded** more than ten years ago with the Recorder’s  
1694 Office in the name of a single private internationally held *inter vivos* trust dba “Anna M.  
1695 Riezinger-von Reitz and James C. Belcher” which was properly established in original  
1696 jurisdiction many years ago to act as a viable American commercial vessel in international  
1697 commercial venues. Acting under duress and to clear the titles, we additionally and momentarily  
1698 donned the “Federal Contracting Officer” hat that is ours as remedy for the first round of fraud  
1699 and predation unleashed by FDR and in that capacity released all “federal” liens held against the  
1700 properties. By Public Policy of the United States of America, Inc. and by the Uniform  
1701 Commercial Code that binds the UNITED STATES and its STATE OF ALASKA franchise, all  
1702 mortgages financed by any bank operated under the auspices of any “federal” or “state”  
1703 corporation providing services to us, is subject to discharge favoring the beneficiaries of the  
1704 ESTATES. Those documents are also on file with the Alaska Recorder’s Office.

1705 When we presented THE SUPERIOR DISTRICT COURT FOR THE STATE OF  
1706 ALASKA with copies of the Birth Certificates of the Puerto Rican ESTATE trusts doing  
1707 business as “ANNA MARIA RIEZINGER” and “JAMES CLINTON BELCHER” and presented

1708 ourselves as the living beneficiaries of these trusts, which are Cestui Que Vie Trusts, two things  
 1709 should have happened. First, the COURT should have inquired as to our identity in behalf of the  
 1710 bankruptcy trustee and required that we produce competent witnesses and supporting  
 1711 documentation –which in this case we provided in the form of an Ecclesiastical Deed Poll and  
 1712 affidavit entitled “Statement of Identity” autographed by living witnesses. Second, the COURT  
 1713 should have recognized that we are the lawful beneficiaries and equitable title holders of the  
 1714 NAMED trusts asserting a controlling interest in their assets, and the COURT should have  
 1715 relinquished its merely assumed position as creditor and arbiter.

1716 When the true beneficiary of a Cestui Que Vie Trust appears in COURT ---if it is a real  
 1717 “court” of any kind---it **must** collapse the trust in favor of the equitable title holder. Must. No  
 1718 questions asked. **THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA**  
 1719 **failed to do this and it violated international law in the process.**

1720 **It also revealed its nature as nothing but a glorified debt collection agency operating**  
 1721 **under conditions of open fraud and collecting moreover from innocent Third Parties under**  
 1722 **conditions of armed extortion.**

1723 **The COURT’s Officer, the prosecuting attorney, Michelle Boutin, hired the**  
 1724 **ALASKA STATE TROOPERS to act as mercenaries and enter our posted private**  
 1725 **property under armed force and threaten to evict us from our home and thereby extorted**  
 1726 **more than \$100,000.00 from our private estate trust.**

1727 There is no practical difference between what the COURT did in our demonstration case  
 1728 and Don Guido demanding protection money. It’s the same exact racket being carried out under  
 1729 the noses of the ALASKA TROOPERS who were even co-opted into providing enforcement for  
 1730 this, and the FBI which was notified and informed, and the U.S. marshals, who are under  
 1731 contract with the Universal Postal Union to protect us and prevent the mail fraud that was used to  
 1732 promote the COURT’s actions, and the STATE OF ALASKA, the local franchise of the  
 1733 UNITED STATES, INC. which should have been busily protecting our interests as the known  
 1734 Primary Creditors of the United States of America, Inc.

1735 We couldn’t possibly owe the Federal Reserve more than the Federal Reserve already  
 1736 owed us, and the STATE OF ALASKA knew that, claimed to be our local representative in the  
 1737 US BANKRUPTCY proceedings----yet stood by, allowed this, and did nothing.

1738 In a very real sense, we had already paid our protection money---to the STATE OF  
 1739 ALASKA and the STATE OF ALASKA failed to perform, which resulted in this egregious harm  
 1740 to us and our real property assets. Instead of honoring its contract, the STATE OF ALASKA (an

1741 IMF franchise) colluded with the ALASKA COURT SYSTEM (a FEDERAL RESERVE  
1742 franchise) to attack and bilk innocent civilian Third Parties.

1743 **To recap:** Our individual estates were claimed by the United States of America, Inc.  
1744 under conditions of fraud and non-disclosure and via a process of identity theft and semantic  
1745 deceit, were entered as sureties in their corporate bankruptcy proceedings. Our estates were then  
1746 rolled into a Puerto Rican ESTATE trust operated under our NAMES by the US Bankruptcy  
1747 Trustee, the Secretary of the Treasury of Puerto Rico. When we presented Special Appearance  
1748 and redeemed the Birth Certificates issued to these ESTATES as Third Parties and produced  
1749 proof that we are the living beneficiaries of these ESTATE trusts, the COURT employed by the  
1750 FEDERAL RESERVE (we are their priority creditors) should have recognized our controlling  
1751 interest immediately and should have discharged all debts accrued in the interim by those merely  
1752 claiming to represent us.

1753 The entire claim of the FEDERAL RESERVE operating THE SUPERIOR DISTRICT  
1754 COURT FOR THE STATE OF ALASKA against our trust property is, as you can see from all  
1755 the foregoing, based on a series of false claims and semantic deceits. After more than a hundred  
1756 years of fraud and false claims and layers of semantic deceits, it is virtually impossible to  
1757 determine who actually holds title to anything in America without recourse to the Law Merchant  
1758 (modern day Uniform Commercial Code) and Law of Adverse Possession.

1759 In the international jurisdiction that all these incorporated entities operate in, possession  
1760 is nine-tenths of the law, and via our private internationally held *inter vivos* trust doing business  
1761 as “Anna M. Riezinger-von Reitz and James C. Belcher” – a separate unified legally named and  
1762 copyrighted entity operated in original jurisdiction---- my husband and I have been in open,  
1763 notorious, and unopposed possession of the property described as Lots 11 and 12, Block 2, Birch  
1764 Park Subdivision in Big Lake, Alaska, for more than ten (10) years, and have undertaken all the  
1765 improvements thereon without exception. By adverse possession in international admiralty and  
1766 also according to “statute” adopted by the corporations responsible for attacking us and  
1767 published as their “law” ----the property and the assets are ours free and clear.

1768 THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA and its Officer  
1769 Michelle Boutin failed to honor its own published “law” and continued its assault against us and  
1770 against our ESTATE property.

1771 That we are separate, civilian, and Third Parties not owned as chattel by the United States  
1772 of America, Incorporated, not standing as sureties thereof, and not made debtors merely because  
1773 of fraud practiced upon us was clearly established by our actions presenting the ESTATE “Birth  
1774 Certificates” to THE SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA. The  
1775 Birth Certificates are monetized securities presented to the COURT for redemption by the actual  
1776 beneficiaries of these “ESTATES” and are proof that (1) the NAMES thereon are **not** the same  
1777 as the name of the trust that the property discussed in the foreclosure action is held under; (2)

1778 that the estates of the “decedants” listed were probated improperly and under false presumptions  
 1779 resulting in the improper hypothecation of debt against the ESTATES; (3) that we, living  
 1780 Americans, are the actual beneficiaries of these Puerto Rican ESTATE trusts, and that we are  
 1781 the equitable title holders of all the ESTATE assets, including the monthly mortgage payments  
 1782 that we paid in error and which are **owed to us**; (4) the ESTATES established and monetized “in  
 1783 our names” are Roman Inferior Trusts----as beneficiaries reclaiming our controlling interest in  
 1784 these ESTATES, we are owed return of all assets free and clear of debt hypothecated against our  
 1785 assets by any and all secondary beneficiaries----including the United States of America, Inc.,  
 1786 including the UNITED STATES, INC., including any and all debts of their franchises and  
 1787 agencies and corporations organized under their auspices.

1788           Attack upon our private trust dba “Anna M. Riezinger-von Reitz and James C. Belcher”  
 1789 is an attack against the trust property interests of American civilians who are Third Parties being  
 1790 harmed and defrauded as a result of improper trust administration and claims resulting from  
 1791 constructive fraud practiced by the officers of the United States of America, Inc. and the forced  
 1792 imposition of “Federal Reserve Notes” as legal tender under conditions of monopoly inducement  
 1793 and in breach of trust and contract.

1794           Under international law, including the international Law of the Sea, the action of THE  
 1795 SUPERIOR DISTRICT COURT FOR THE STATE OF ALASKA and its officer, Michelle  
 1796 Boutin, against our private trust and their pretended jurisdiction over our redeemed trust assets in  
 1797 general, is both constructive fraud and a war crime for which the United States of America  
 1798 (Minor) and the United Nations stand responsible.

1799           To give the non-lawyers an insight into the situation:

1800           The United States of America, Inc. acting in Breach of Trust and without granted  
 1801 consent, created *foreign situs* trusts which it operated under our names styled in Upper and  
 1802 Lower case letters: e.g., John Quincy Adams. This corporation and its officers who were under  
 1803 contract to defend our national trust and provide governmental services to our organic states then  
 1804 claimed that these *foreign situs* trusts were standing as “surety” for their own private corporate  
 1805 debts---circumstantially implying that individual living Americans had voluntarily agreed to  
 1806 stand good for the debts of the United States of America, Inc. and that they and their property  
 1807 and the assets of their organic states were all valid collateral for the debts of the privately owned  
 1808 and operated United States of America, Inc.

1809           **This was done without granted authority, without disclosure, and without consent**  
 1810 **by officers of a privately owned and operated corporation merely under contract to**  
 1811 **provide enumerated services to the victims.**

Final Judgment and Civil Orders  
**APRIL 11, 2014**

1812           It was and is pure, self-interested fraud based on semantic deceptions, and it was carried out  
1813 without disclosure as a “private” matter concerning only the United States of America,  
1814 Incorporated and its officers---not the clearly intended victims of the constructive fraud.

1815           None of the corporate officers engaging in this activity and making these absurd claims  
1816 upon the actual **employers** of the United States of America, Inc. had any granted authority to  
1817 make these representations “in behalf” of anyone, much less the people they were bound to  
1818 serve.

1819           The United States of America, Inc. was entered into receivership. The Trustee of the  
1820 bankruptcy, the Secretary of the Treasury of Puerto Rico, promptly created new “public trusts”  
1821 under the NAMES of the individual living Americans, e.g., JOHN QUINCY ADAMS, within  
1822 the jurisdiction of the United States of America (Minor), and “removed” the original *foreign*  
1823 *situs* trusts together with their assets to Puerto Rican jurisdiction.

1824           You and everything you own have (supposedly) come under the jurisdiction of Puerto  
1825 Rico and the United States of America (Minor). The problem with this is that it has all been  
1826 accomplished on the basis of non-disclosure and fraud and fraud vitiates---that is, utterly  
1827 destroys and negates--- everything it aims to accomplish.

1828           So there is and can be no valid claim raised by any of these incorporated entities, nor by  
1829 their bill collectors, against you or your estate. As the FINAL NOTICE clearly stated, this **fact**  
1830 has already been **determined and decided** at the very highest levels of world governance and by  
1831 the Trustee of the Global Estate Trust, the Pope, who has demanded compliance from the United  
1832 States of America (Minor) and all its various corporate franchises and agencies---including the  
1833 State of Alaska and the STATE OF ALASKA and from the United Nations operating the  
1834 UNITED STATES and its franchise the STATE OF ALASKA and so on.

1835           All the fraud, all the false claims being made against American ESTATES, has to come  
1836 to an end.

1837           What remains to be done, and what has been done in the demonstration cases, is to  
1838 redeem the individual ESTATES---that is, to reclaim and restore these ESTATES and their  
1839 assets to their natural beneficiaries, free and clear of all encumbrances created by fraud and by  
1840 mis-administration by incompetent or criminally inclined trustees.

1841           **The proof of everything said here is evident on the face of the Birth Certificates**  
1842 **provided by the various agencies responsible for administering this massive international**  
1843 **fraud.**

1844           The Birth Certificate documents are all securitized and monetized---bonded, in fact, and  
1845 issued on bond paper and traded on exchanges---in the NAME of Puerto Rican ESTATE trusts,

1846 as a result of **probate** proceedings and are clearly signed by **Registrars**----officers of the various  
1847 local probate courts. These ESTATES are all Roman Inferior Trusts.

1848 What does this mean?

1849 JOHN QUINCY ADAMS (insert your NAME) is an ESTATE trust whose actual  
1850 beneficiary is “presumed dead”.

1851 You, the living man or woman, born as an American on the land of one of the organic  
1852 American states are the “missing” beneficiary, though you must hack through two layers of fraud  
1853 to establish the fact and kick the butt of the American Bar Association all the way to Puerto  
1854 Rico.

1855 **You, the living man or woman, are in precisely the same situation as Robinson**  
1856 **Crusoe returning home after being away for twenty years. Robinson’s estate has been**  
1857 **seized by the courts, probated, rolled over into a Roman Inferior Estate Trust---also known**  
1858 **as a Cestui Que Vie Trust---- and handed over to his butler. The butler has had a wild**  
1859 **time, charged up Robinson’s credit cards, mortgaged his estate, invested and spent his**  
1860 **money, drunk up the wine cellar, and caused the Crusoe name to fall into disrepute. Now,**  
1861 **at long last, Robinson has returned and presented irrefutable proof of his identity and his**  
1862 **status as a living man owed the return of his property free and clear of all the debts and**  
1863 **encumbrances placed upon it as a result of misadministration, fraud, and fiduciary**  
1864 **malfeasance on the part of his (former) butler. In addition, in this case, “Robinson” is**  
1865 **owed reparations from the court for failure to immediately return his property to his**  
1866 **control and void all claims established since the improper probate of his estate, and also**  
1867 **from the corporation administering the “government” for failure to impose oversight on**  
1868 **the probate court which colluded with the butler and gave the estate assets to the butler**  
1869 **instead of the rightful heirs.**

1870 That’s where you are now, if you are an American born on the land of one of the organic  
1871 states of the Union----and it is all the result of breach of trust, gross fiduciary malfeasance,  
1872 unlawful conversion, semantic deceit and non-disclosure---and other criminal activities  
1873 undertaken by two foreign corporations merely hired under commercial contract to protect you  
1874 and your assets and to provide nineteen enumerated governmental services. It has been further  
1875 exacerbated by ignorant and corrupt state legislators who have colluded with the erring federal  
1876 government officials.

1877 The FEDERAL RESERVE operating as a “new” corporation formed under the auspices  
1878 of the United Nations (which is a separate international city-state), is pretending that it owns you  
1879 as a slave and owns your ESTATE assets, too. It is pretending that it, not we, have controlling

1880 interest in our ESTATE assets, and even though its claims are clearly rebutted and disproven as a  
1881 self-serving fiction, it is continuing to prosecute marine salvage liens under “Special Admiralty”  
1882 rules created by these perpetrators to expedite this fraud against Americans.

1883 This unlawful prosecution is continuing even though we have presented the “certificates”  
1884 issued by the probate court to form our “ESTATES” under the false presumption of our death  
1885 and by presenting these to the COURT and properly identifying ourselves, we have in fact  
1886 “redeemed” our ESTATES and placed them back in their original jurisdiction and under our  
1887 private control.

1888 We have objected to the fraud and to the strong-arm extortion that the FEDERAL  
1889 RESERVE and its agencies dba the ALASKA COURT SYSTEM, INC. and THE SUPERIOR  
1890 DISTRICT COURT FOR THE STATE OF ALASKA have engaged in against us, and we are  
1891 holding the STATE OF ALASKA as the local franchise of the UNITED STATES, INC. ---the  
1892 Trustee---responsible for failing to take action in our behalf and failure to exercise administrative  
1893 control over corporations that have been formed under UNITED STATES auspices and which  
1894 are operating in a criminal fashion against the peaceful inhabitants of the land.

1895 **There either is or is not a contract.**

1896 These corporations are operating in violation of their charters and are subject to  
1897 dissolution as criminal enterprises. We have demanded immediate correction and to date, they  
1898 have not self-corrected nor has the STATE OF ALASKA taken the necessary action as the local  
1899 franchise operator to impose correction. The GOVERNOR and ATTORNEY GENERAL are  
1900 culpable in the extreme for this circumstance and also responsible for the continuing false arrest  
1901 of Alaskans James L. Jensen, Jr. and Robin L. Jensen.

1902 In their most recent and audacious move yet, THE SUPERIOR COURT FOR THE  
1903 STATE OF ALASKA, yet another “COURT” separate and distinct from “THE SUPERIOR  
1904 DISTRICT COURT FOR THE STATE OF ALASKA” has “ordered” the “execution sale” of  
1905 property and assets belonging to us that are **not** mortgaged and **not** under any valid contract  
1906 whatsoever with **any** entity created by, belonging to, or administered by these charlatans or the  
1907 banks that operate them, properties which have already been formally released from any “federal  
1908 lien” whatsoever. They and their officer, Michelle Boutin, have advertised a “JUDICIAL  
1909 FORECLOSURE SALE” in the absence of any “judicial” power whatsoever.

1910 Every member of the law enforcement agencies and the military commanders are on  
1911 Notice of this circumstance, from the Provost Marshals to the U.S.marshals Office, to the FBI to  
1912 the Alaska State Troopers. So is Interpol. And so is the Pope.

1913 **The same exact circumstances and conditions apply to the misadministration of the**  
1914 **ESTATES of 390 million Americans, and it must be resolved in their favor.**

1915           Meanwhile it is important for everyone involved to understand that the “government” is  
 1916 just another corporation under contract to provide specified services for hire, that this problem is  
 1917 not limited to America, and that the real civil government resides in the individual living  
 1918 Americans who have **unlimited civil power** on the land of the organic states.

1919           **All of the crimes, frauds, and failures described herein have taken place outside the**  
 1920 **land jurisdiction of The United States of America and in “international waters” --- but it**  
 1921 **hardly matters, because fraud is fraud upon the sea as upon the land, and fraud vitiates all**  
 1922 **claims based upon it.**

1923           On May 28, 2014, officers of THE SUPERIOR COURT FOR THE STATE OF  
 1924 ALASKA are advertising a “JUDICIAL FORECLOSURE SALE” of some of our **redeemed**  
 1925 ESTATE property under the patently self-serving and continuing false presumption that we,  
 1926 living Americans, and our **redeemed** ESTATES, are sureties for the debts of the United States of  
 1927 America, Inc. and are responsible for the expenses of its BANKRUPTCY TRUSTEES, including  
 1928 their expenses to prosecute our ESTATES under these false presumptions in the TRUSTEE’S  
 1929 own private COURTS.

1930           However, this fraud has been fully recognized by the Global Estate Trust.

1931           We are the priority creditors of the bankrupt United States of America, Inc. We are their  
 1932 employers and creditors, not the employees and not the debtors in this situation.

1933           The men engaging in these acts of mis-administration are criminals who have worked a  
 1934 complex, highly coercive, and multi-generational fraud scheme known as a “Reverse Trust  
 1935 Scheme” against us, against every other American born on the land, and against many other  
 1936 national governments as well.

1937           If the international banks and the members of the BAR Associations do not come into  
 1938 compliance with the actual law and respect the property rights of Americans, Canadians, and  
 1939 others who have been impacted by similar “public trust” schemes, their corporations will be  
 1940 dissolved and their professional associations will be outlawed. Individual bankers and lawyers  
 1941 who have knowingly and willingly participated in this fraud will be branded as criminals, their  
 1942 property will be confiscated, and they will be deported from The United States of America  
 1943 (Major).

1944           It’s really that simple and just a matter of time before everyone knows what has gone on  
 1945 here, who did it, who is responsible for this deplorable criminality, and why. Those responsible  
 1946 would do well to take *immediate* determined action to correct.

Final Judgment and Civil Orders

**APRIL 11, 2014**

1947 **21. Are the accompanying “Civil Orders” legitimate? Do I have to act upon them as an**  
1948 **elected, appointed, or commissioned officer?**

1949 Yes, you do. Remember that every living American born on the soil of one of the fifty  
1950 states United is literally an internationally recognized sovereign on the land of those states. In  
1951 administering our affairs and those of our organic states, our will is absolute. These Civil Orders  
1952 are issued under civil, commercial, and canon authority **without representation**. The  
1953 Constitution for the united States of America, the Treaty of Paris, the applicable Treaties of  
1954 Westminster, and the Treaty of Ghent, which establish and protect the national trust of The  
1955 United States of America (Major) and our individual estates must be honored.

1956 American states operating in sovereign and original jurisdiction have issued these Civil  
1957 Orders commanding compliance from the (E)STATE trustees, administrators, and employees,  
1958 requiring their proper performance under contract. **There is no higher authority.**

1959 To reduce it to practical terms---when you accept a job, are you obligated to perform your  
1960 duties? Wouldn't you expect to be fired, if you didn't? Are you obligated to obey your actual  
1961 employer, the owner of the company? Or do you think you will fare better obeying a middle-  
1962 manager who is giving you opposing orders and merely claiming to “represent” the boss? Do  
1963 you have to perform on your contracts?

1964 We think it is obvious that you are obligated to obey your actual employers, not those  
1965 who merely claim to represent them. No amount of corruption, criminality, or fraud serves to  
1966 obscure the claim of Americans on American states and American private property.

1967 This is both a public and a private matter, and has been made so by acts of fraud and  
1968 violence perpetuated by corporations acting in violation of their charters as criminal enterprises,  
1969 all of which have been operated in maritime and admiralty jurisdictions in breach of trust.

1970 **22. Are you telling me that changing from an unincorporated government to an incorporated**  
1971 **government is like an evil twin brother usurping an estate from a rightful heir?**

1972 Not quite. The United States of America (Major) has no twin, but it does have a tumor-  
1973 like foreign outgrowth which has turned parasitic and which is transgressing against the Body  
1974 Politic.

1975 In commercial terms--- when people act **as** people they come together in free association  
1976 and act under full commercial liability. They are responsible and accountable for their debts and  
1977 deeds. When people form corporations to “represent” them or their interests in some capacity,  
1978 and bring these corporations together in association, what you get is a corporate conglomerate  
1979 that is **not** fully accountable for its debts and deeds because of the corporate veil. This “veil” is  
1980 the same veil that stands between life and death.

1981 Incorporated “persons”----which include commercial corporations, trusts, cooperatives,  
 1982 trusts, and foundations--- are considered dead. They have no motive force of their own. They  
 1983 are operated by third parties under charters granted by nations and states that have themselves all  
 1984 been chartered by the Holy See. Such entities have a natural limited liability, because they are  
 1985 not conscious. When such entities are formed, the intentions and purposes of their creators are  
 1986 clearly stated and typically include a catch-all phrase--- “any other lawful purpose” ---to cover  
 1987 additional unforeseen circumstances. All corporations are required to function lawfully and in  
 1988 accord with their charters. Any violation of their charter, such as deviation from their stated  
 1989 purpose or failure to perform it, any unlawful activity whatsoever, provides grounds to demand  
 1990 dissolution of a corporate entity and distribution of its assets to its creditors.

1991 Because corporations are not fully liable for “their” acts, they are allowed to go bankrupt  
 1992 without prejudice against their owners and operators. Only assets belonging to the corporation  
 1993 are subject to bankruptcy. The privately held assets of the owners and operators are not affected.

1994 Thus, when the United States of America, Incorporated, went bankrupt in 1933, its  
 1995 President, Franklin Delano Roosevelt, was not bankrupted and neither were the members of the  
 1996 “US Congress” running it as corporate officers. The organic states and the American people  
 1997 should never have been subject to its bankruptcy, either, and wouldn’t have been, except that the  
 1998 Roosevelt Administration falsely and deliberately claimed that they were “voluntary” assets  
 1999 standing as surety for the debts of the United States of America, Inc.

2000 This claim was based on a “pledge” made by the Conference of Governors acting on  
 2001 March 6, 1933. These “Governors” ---- men operating “State” franchises of the United States of  
 2002 America, Inc.---gratuitously promised the “good faith and credit of their states and the citizenry  
 2003 thereof” without bothering to explicitly say which or what kind of “state” or “citizenry” they  
 2004 were referring to when they made this pledge. Everyone present presumably knew that their  
 2005 public office did not grant them any ability to promise resources belonging to the American  
 2006 states much less the private property of the American People, but the creditors gleefully  
 2007 presumed that the organic states and the American people were legitimately on the hook,  
 2008 extended vast amounts of credit to the perpetrators, and began advancing false claims against the  
 2009 resources of the organic states and the private property of the American People.

2010 Imagine that Burger King, International, went bankrupt, called a meeting of all the local  
 2011 franchise owners, and asked them to pledge the assets **of their customers** as collateral backing  
 2012 the debts of Burger King, International.

2013 That’s what happened in 1933.

Final Judgment and Civil Orders

**APRIL 11, 2014**

2014           There's just one real monkey wrench in this for the perpetrators and their central bank  
2015 buddies. **It's all fraud and fraud vitiates everything it touches.** The "Governors" had no  
2016 legitimate authority to pledge even a square foot of American soil, much less pledge the private  
2017 property assets of the American People. That they purported to do this and that the self-interested  
2018 bankers and lawyers allowed them to do this, is an act of criminality that staggers the  
2019 imagination.

2020           It is identity theft, impersonation of public officials, semantic deceit, unlawful  
2021 conversion, and constructive fraud carried out on a planetary basis. Not only were the American  
2022 People and their organic states cruelly victimized, so were their friends and neighbors and  
2023 trading partners. Meanwhile, the members of the "US Congress" changed hats to become  
2024 members of the "US CONGRESS", and, glutting on the vast amounts of credit being offered to  
2025 them----all based on their patently false claim that they had granted authority to sell everything  
2026 and everyone in America as chattel and to use us and our land as surety for their private  
2027 corporate debts--- they charged up our credit cards to the hilt and left us to pay the bill.

2028           That is why the "US government" needs to be entirely reformed, the reason that every  
2029 member of "CONGRESS" and every "GOVERNOR" and every member of every "STATE  
2030 LEGISLATURE" needs to be jack-booted in the rump, the reason that the assets of all the  
2031 complicit banks need to be confiscated, the reason that the current banking institutions and their  
2032 supposed "watch dog agencies" like the SEC need to be dissolved as criminal enterprises, the  
2033 reason that all "national debt" needs to be repudiated worldwide, the reason that the Bar  
2034 Associations --worldwide--- need to be disbanded and outlawed, the reason that the "City State"  
2035 status of the District of Columbia and the United Nations ---both---needs to be rescinded, the  
2036 reason that the English People likewise need to rescind the "City State" status of the Inner City  
2037 of London and flush Fleet Street and the Crown Temple into the Thames..

2038           The immense power of the Pope's Temporal Office needs to be employed to straighten  
2039 out this steaming manure pile of government "service" organizations once and for all.

2040           How are we going to accomplish this? Simple. We tell each other the truth, we forgive  
2041 each other, we liquidate the offending corporations, we prosecute those who have purposefully  
2042 and knowingly perpetuated this fraud, and we start over with a clean slate. The People of  
2043 Iceland have already done this successfully. There is no reason that the rest of the world can't do  
2044 the same.

2045           As for the American People it is long overdue for us to dust off our laurels and walk the  
2046 walk as true world leaders, instead of allowing ourselves to be directed by thugs, and letting  
2047 criminals set up shop in our banks, courthouses, and seats of government. A housecleaning of  
2048 major proportions is long overdue, and the image of "Rosie, the Riveter" comes to mind.

2049           The perpetrators of this fraud will want to defend themselves and continue making their  
2050 false claims and continue bilking the American People. They will make all sorts of threats and

2051 accusations and try to start trouble, maybe even try to make the American Armed Services and  
 2052 other “government agencies” use force against the People of the Land. If they do so, they will  
 2053 only identify themselves as criminals and make their status as criminals crystal clear for the  
 2054 entire world to see.

2055 **23. There are really only 22 questions, but this one answers the dreadful unasked moral**  
 2056 **question.**

2057 Pity Pope Francis, the man who has inherited this incredible convoluted and criminal  
 2058 mess. He is doing his best to straighten it out, but he needs help---your help. If you are an  
 2059 American and the least bit interested in your own future and the false claims being made against  
 2060 your property assets and those of your organic states, it is time to take affirmative, positive,  
 2061 determined, and non-violent action.

2062 Pope Francis is being attacked, viciously, by hired media and propaganda masters who  
 2063 are working hard every day at the behest of the banks and the Bar Associations to vilify the  
 2064 Roman Catholic Church--- which is now the primary obstacle in the way of achieving ---not a  
 2065 gentle, kind, unified government for the world that respects free will and individual people as  
 2066 Children of God---but a demonic version sponsored by the Crown Temple.

2067 These two organizations are rivals by design. The Roman Catholic Church worships  
 2068 God, the Creator. The Crown Temple worships Lucifer, the Liar. In past ages these  
 2069 organizations have engaged as necessary evils endemic to creation, each one bent on corrupting  
 2070 the other in an endless cycle ---one drawing good out of evil, and the other dedicated to creating  
 2071 evil out of good.

2072 This reflects the duality seen everywhere and in everyone.

2073 The Church stands in bright light, in robes of white, advocating life. The Crown Temple  
 2074 stands in the darkness, wears robes of black, and advocates death.

2075 It is no coincidence that the followers of Lucifer indulge in such a fantastic array of  
 2076 semantic deceptions, false identities, corporate personas, and lies, for they literally worship the  
 2077 Father of All Lies. It is no mistake that they seize by deceit and violence and lay waste to human  
 2078 lives, because they worship Satan. This is not really any secret. They have existed and  
 2079 endeavored to rule over everyone else since 3760 BC. They were insane then and they are insane  
 2080 now. In Babylon, their priests self-castrated and practiced every possible kind of violence and  
 2081 black magic. They murdered (by burning alive) infants in the name of their goddess. All that has  
 2082 changed is that in modern times cult members keep their working parts and worship a male deity  
 2083 instead. They still defend mass murder of infants. They still deal in illusions---legal **fiction**  
 2084 entities and fiat money. They still wear black robes.

Final Judgment and Civil Orders

**APRIL 11, 2014**

2085 Which side will win the eternal battle?

2086 Pope Francis is standing firm for all that is right and real, for life, for love, for justice, for  
2087 truth. Those in charge of the Crown Temple are standing just as firm for evil, for death, for  
2088 hatred, for injustice, for lies. At any time, the Pope could falter and become the Anti-Christ. At  
2089 any time, the Anti-Christ could fail and be relinquished to the dustbin of history.

2090 The great dream of the Church is the Kingdom of God on earth, a peaceful kingdom built  
2091 on life and love. The great dream of the Crown Temple is to rule, period, forever, as the slave  
2092 master of others. Just as “the United States of America (Minor)” pretends to be The United  
2093 States of America (Major), the Crown Temple often pretends to be the Roman Catholic Church.  
2094 Sometimes, quite often, they succeed in planting their operatives in the Church.

2095 That’s why the Church gets branded with all the infamy and violence that results when  
2096 one of the Crown Temple members gains prominence. Crown Temple initiates brought us the  
2097 Inquisition and similar atrocities---all “in the name of” and wearing the vestments of the Roman  
2098 Catholic Church. This is why the Church has been bedecked with gold and jewels and treasures,  
2099 surrounded by Egyptian obelisks and other fertility symbols---not to reflect a love of God, but to  
2100 glorify a perverse worship of sexuality, not to adorn the Church, but to silently coerce and  
2101 implicate and tempt and deceive and enslave and provide excuse to accuse the Roman Catholic  
2102 Church of all the sins of the Crown Temple. To this day, all priests of Satan must first gain  
2103 priesthood in the Roman Catholic Church: if you are dedicated and duplicitous enough to be  
2104 ordained as a Roman Catholic priest while secretly worshipping Lucifer, you have passed your  
2105 entry level test as a Satanist.

2106 Apologists have tried to excuse the existence of the Crown Temple as a necessary evil  
2107 built into the fabric of the natural world. They postulate that without its lies and fake money and  
2108 the violence and conflict it perpetuates every day, people would have nothing to motivate them  
2109 and the world’s economy would collapse. People are livestock, they say, here merely to exist  
2110 for our profit, to be milked, shorn, and slaughtered. If people were allowed to use and enjoy the  
2111 resources that properly belong to them, they’d sit on their rumps all day and drink pina coladas  
2112 (like we do) and all the processes and work necessary for our comfort and profit would grind to a  
2113 halt.

2114 Others have taken the stance that continuing to tolerate the Crown Temple in our midst is  
2115 like allowing a giant colony of disease-infested rats, or a cancer, to consume the globe. The  
2116 underlying insanity of the Masters of Deceit is all too apparent to justify allowing them to  
2117 continue their rampages. They brought us both the First and Second World Wars without a  
2118 thought or backward glance. During their hegemony in America, they have kept the American  
2119 people constantly embroiled in wars for profit throughout the globe, which has caused  
2120 Americans to be hated and feared by decent and innocent people everywhere. They have done  
2121 this at the same time that they have bilked the American “taxpayers” for credit that supposedly

2122 supports welfare recipients and foreign aid---but which is actually siphoned off to benefit the  
2123 criminals and fund their operations among us.

2124 **Less than 20% of all money supposedly appropriated for welfare payments and less**  
2125 **than 2% of foreign aid ever reaches its purported destinations.**

2126 Nothing is what it seems. The courts are the criminals. The “money” is worthless debt.  
2127 The gods are the servants. The students are the teachers. Everything on earth is upside down and  
2128 reversed. Everything that you think is separate is in fact unified and everything that you think is  
2129 wrong is ultimately right.

2130 **Perhaps most important----everything that you think is secret is fully known.**

2131 Those who describe their brothers and sisters as “useless eaters” and who strive to  
2132 defraud and control and pillage and rape and murder for profit and pleasure, and also those who  
2133 refuse to forgive and refuse to provide justice-----take note---**there are no secrets**. From that  
2134 enlightened perspective, you will finally see the very real need to reform your precious Self.

2135 All those who cherish what is good in their hearts, who know their weakness, who are  
2136 able to feel love and gratitude, who yearn for justice, who sigh and moan every day for relief---  
2137 all your deeds, motives, and circumstances, even the inmost desires of your hearts are also  
2138 known.

2139 So it is written that what is done in secret will be declared from the housetops, and that  
2140 the truth shall set men free.

2141 The truth will inevitably invade your mind like a virus download onto a computer. You  
2142 will realize that nobody can represent you and that “representative government” is a ridiculous  
2143 lie. You will require government to be your servant, not a ruler over you. You will know that  
2144 you belong to the land, and that the land does not belong to you. You will know that lines drawn  
2145 on a map are just lines on a map. You will see the illusions within which you have lived, and you  
2146 will realize your guilt in the same breath that you behold your victimhood.

2147 **You can be a shepherd or you can be a wolf, but you can no longer be a sheep.**

2148 The great sin for which the Americans are responsible does not digest the world in the  
2149 bowels of London, but roams on the Great Plains of America and throughout the 50 states  
2150 United. It is in the hearts and minds and lives of the American Indians we have attacked and  
2151 defrauded, reducing them to abject poverty and alienation via actual and cultural genocide.

2152 **The American Indians have suffered so terribly because they know and hold onto**  
2153 **this one, simple truth: we do not own land.**

Final Judgment and Civil Orders

**APRIL 11, 2014**

2154 Nobody does.

2155 The land owns us.

2156 Like every other lie and illusion practiced by the Crown Temple, Europeans became  
2157 infected early on with the idea that men could own land, and based upon this central lie, a vast  
2158 complex of other lies has been built.

2159 The followers of the Crown Temple have created, engendered, and promoted this insanity  
2160 as a means to control others and provide endless excuses for conflict----which creates profit for  
2161 themselves at everyone else's expense. The idea of "incorporation" is similarly immoral, insane,  
2162 and destructive. Commercial corporations exist for one reason only---to escape accountability.  
2163 On this basis alone their existence should be outlawed. The Great Lie of representative  
2164 government is another chestnut created by the Crown Temple, a blatant impossibility that has  
2165 been enshrined without question for over two hundred years.

2166 When the Americans declared that all men are equal, they meant it. There is no basis for  
2167 the empowerment of one equal over another *equal*. Likewise when they declared their  
2168 determination to enjoy free speech, free travel, and other rights of Nature, there was no room left  
2169 for the egotism of rebellious public servants. Under American law and under the American  
2170 government there is no power greater than each individual. This means that we cannot be  
2171 represented and though we may transgress and may even be outlawed, we cannot be harassed,  
2172 subjected, nor demeaned as a "thing"----such as an ESTATE or a *foreign situs* trust or a  
2173 transmitting utility.

2174 The Final Judgment and Civil Orders accompanying have been signed and sealed and  
2175 now also this information is being sealed under the authority of **anu:hotep** giving voice, sign,  
2176 and seal, proving that those who know the Lie also know the Truth.

2181 of the Franks; Pepin delivered and defended the Papal states of the Holy See, confirming

2189 Rome if he breaks his sworn agreements favoring the Pope.
- 2190 5. Magna Carta 1215 A.D. In signing the Magna Carta King John silently invoked the 1213  
2191 Papal agreement relinquishing his crown to the Pope. Thereafter, all lands explored and  
2192 claimed in behalf of Catholic Monarchs and **including the British Monarch as a vassal**  
2193 **of Rome**, were in fact first and wholly claimed in behalf of the Holy See, which returned  
2194 a portion of the profit to the vassal monarchs in the form of “jurisdictions”. The Holy  
2195 See retained the global jurisdiction of the air, granted jurisdiction of the land to temporal  
2196 authorities (recognized monarchs), and granted the international jurisdiction of the sea to

2241 treatment of the Southern States and their inhabitants during reconstruction. The Lieber  
2242 Code requires the Army, or in modern terms, the Department of Defense, to pay  
2243 reparations to all non-combatant civilians harmed. This Code has never been repealed or  
2244 changed. It is the reason that we continue to have "Secretary **Generals**" and "US

 2264 corporation in relation to a State."
- 2265 33. U.S. v. Anthony 24 Fed. 829 (1873) "The term resident and citizen of the United States is  
 2266 distinguished from a Citizen of one of the several states, in that the former is a special  
 2267 class of citizen created by Congress." Though the judge fails to fully admit the  
 2268 circumstance, "US citizenship" was created as an excuse for the "government" to claim  
 2269 ownership of all the slaves supposedly freed by the Civil War as chattel backing Union  
 2270 war debts. To this day, black Americans have only "Civil Rights".
- 2271 34. U.S. v. Cruikshank, 92 U.S. 542, 23 L.Ed. 588, (1875). "There is in our political system  
 2272 [two governments], a government of the Several [50] States, and a government of the  
 2273 United States. Each is distinct from the other and has citizens of its own. A person may  
 2274 be a citizen of the United States and of a State, and as such have different rights."
- 2275 35. United States v. Germane, 99 U.S. 508 (1879), Norton v. Shelby County, 118 U.S. 425,  
 2276 441, 6 S.Ct. 1121 (1866), etc., dating to Pope v. Commissioner, 138 F.2d 1006, 1009 (6th  
 2277 Cir. 1943); where the state is concerned, the most recent corresponding decision was  
 2278 State v. Pinckney, 276 N.W.2d 433,436 (Iowa 1979). All these are supporting case law  
 2279 establishing res judicata regarding the nature of The United States (original TMO) and a  
 2280 State (one of "Several States" of the Union) as first expressed in the Merriam's Estate  
 2281 case cited above.
- 2282 36. Title 8 USC §§ 1101(a), (3), (21) and (22) and Public Law, 15 U.S. Stat., Chapter 249,  
 2283 pps 223-224. Under Federal Code (the internal "law" of the United States of America,  
 2284 Inc.) there is no such thing as dual citizenship.
- 2285 37. Title 8 USC 1101 (a) (21) the birthright status of "American Nationals" is recognized.  
 2286 Under the statutory law of the United States of America, Inc. there is absolute distinction  
 2287 between "US citizens" and "American Nationals".
- 2288 38. The Clearfield Doctrine and USC Title 22: When a government operates as a commercial  
 2289 corporation it descends to the level of all such corporations and has no special powers or  
 2290 attributes. It is only when acting as a properly formed unincorporated Body Politic that a  
 2291 government exercises sovereign power of any kind. Virtually all governments operating  
 2292 in the world today are for-profit corporations under contract to provide governmental  
 2293 services. The American "US (Major)" government hasn't operated as a sovereign entity  
 2294 since 1865. The US (Minor) government operates as a corporation.
- 2295 39. The Insular Tariff Cases, US Supreme Court, 1900-1904 – A series of US Supreme Court  
 2296 cases that resulted in allowing Congress to operate "the United States of America  
 2297 (Minor)"----DC, Guam, Puerto Rico, et alia---as a separate and foreign nation state  
 2298 **without regard for the requirements imposed by** The Constitution for the united  
 2299 States of America (Major). From one of the cases, Downes v. Bidwell, 182 U.S. 244  
 2300 (1901), we quote Justice Marshall Harlan writing in dissent: "...two national  
 2301 governments, one to be maintained under the Constitution, with all its restrictions, the

2302 other to be maintained by Congress outside and independently of that instrument, by  
2303 exercising such powers as other nations of the earth are accustomed to... a radical and  
2304 mischievous change in our system of government will result... We will, in that event, pass  
2305 from the era of constitutional liberty guarded and protected by a written constitution into  
2306 an era of legislative absolutism... It will be an evil day for American liberty if the theory  
2307 of a government outside the supreme law of the land finds lodgment in our constitutional  
2308 jurisprudence."

2309 40. Charter of The Corporation Trust Company of America, 1907 A.D.

2310 41. Hendrick v. Maryland S.C. Reporter's Rd. 610-625. (1914) "A "US Citizen" upon  
2311 leaving the District of Columbia becomes involved in "interstate commerce", as a  
2312 "resident" does not have the common-law right to travel, of a Citizen of one of the  
2313 several states." This "power of the Congress" to rule over the people of the District of  
2314 Columbia and the Insular states was used as an excuse to impose Drivers Licenses on  
2315 "US citizens" living outside the confines of the United States of America (Minor) and  
2316 mis-applied to Citizens of The United States of America (Major)--- so-called "State  
2317 Citizens" who were entrapped into contract by a process of mis-administration and legal  
2318 presumption. This applies to the myriad "licenses" and "codes" that have been mis-  
2319 applied to the American People under undisclosed, misrepresented, and otherwise invalid  
2320 private contracts.

2321 42. The Federal Reserve Act, 1913. Allows a private for-profit banking association doing  
2322 business under the purposefully deceitful name of "Federal Reserve" to commandeer the  
2323 national monetary and economic systems, allowing these banks to print money and back  
2324 only a small "fractional" portion of it with gold or silver. Later, they will be allowed to  
2325 back the money with nothing at all but the promises of the US Congress.

2326 43. Trading With the Enemy Act, Public Law No. 65-91 (40 Stat. L. 411) October 6, 1917,  
2327 defines non-combatant American civilian Nationals and their States as "enemies" of the  
2328 United States of America (Minor). This Act originally excluded citizens of the United  
2329 States, but in the Act of March 9, 1933, Section 2 amended this to include "any person  
2330 within the United States or any place subject to the jurisdiction thereof". This has been  
2331 used as a self-serving and transparent excuse to commit fraud and violence against  
2332 Americans who never recognized any such "state of war" between themselves or their  
2333 States and the United States of America (Minor) and who were instead already owed full  
2334 fiduciary care under commercial equity contract (The Constitution for the united States of  
2335 America), reparations under the Lieber Code, and trusteeship from the Global Estate  
2336 Trust.

2337 44. The Maternity Act /The Sheppard-Towner Act, 1921, first foray into socialized medicine  
2338 and "registration" of live births.

2339 45. Minutes of the Geneva Convention(s), May 1930. Declares international bankruptcy via  
2340 treaties between the G5 nations. The United States of America, Inc. was bankrupted  
2341 internationally along with the Trust Management Organizations of four European nations  
2342 including Great Britain, which caused a domino effect worldwide bankruptcy. Please  
2343 note that the real property assets held by each national trust---- land, vegetation, animals,

2344 natural resources, etc.--- are held in **perpetual trust** and are required to be unaffected by  
 2345 the ups and downs of any Trust Management Organization charged as Trustees to  
 2346 administer business affairs in behalf of the beneficiaries, who are the living people who  
 2347 inhabit the land of each country and continent.

2348 46. Amended Charter renaming the above as The Corporation Trust Company, April 15,  
 2349 1930.

2350 47. Executive Order 6073 issued on March 10, 1933, created the "bank holiday" and closed  
 2351 the doors of the bankrupt government chartered banks (they were bankrupted as a whole  
 2352 because they operated under government charter, and because of the Great Fraud  
 2353 committed by the Governors of the several States, **not because they were individually**  
 2354 **bankrupt**).

2355 48. Executive Order 6102 issued on April 5, 1933, prohibited "hoarding" gold and required  
 2356 people to turn it (their private property) in to the Federal Reserve Banks (the creditors)  
 2357 under the false and undisclosed presumption that they were volunteering to stand as  
 2358 sureties for the debts of the United States of America, Inc.

2359 49. Executive Order 6111 issued on April 20, 1933, prohibited people from exporting gold.  
 2360 The creditors (banks) claimed that all the gold in private hands in the Several (now 50)  
 2361 States no longer belonged to the State Citizens and other Inhabitants, as a result of having  
 2362 been pledged by corporate officers of the privately owned and operated United States of  
 2363 America, Inc. acting as deceitfully named State "Governors" so confiscation of privately  
 2364 held American gold resources was instituted under conditions of false pretense and  
 2365 semantic deceit by officers of a bankrupted privately owned and operated Trust  
 2366 Management Organization and their creditors, privately owned and operated international  
 2367 banks---the World Bank (now IMF), IBRD, and Federal Reserve.

2368  
 2369 **H.J. Res 192, 73<sup>rd</sup> Congress, First Session, principally prior enrolled as Public Law,**  
 2370 **U.S. Statutes at Large, Vol. 1, Public Acts, 3<sup>rd</sup> Congress, 2<sup>nd</sup> Session, Chapter 48,**  
 2371 **especially 48.48.112** ---This is the commercial remedy that the perpetrators were  
 2372 required to create to make their confiscation of private gold and hypothecated titles to  
 2373 private land and business holdings "legal". This remedy like the underlying surreptitious  
 2374 hypothecation of debt and claims against private property made by the officers of the  
 2375 United States of America, Inc. against the American Nationals was never widely  
 2376 circulated or disclosed for obvious reasons. Unaware of how they'd been injured and  
 2377 abused by those obligated to act as their Trustees, the inhabitants of the land were equally  
 2378 unable to access this remedy, which was for the government corporation to literally pre-  
 2379 pay all debts owed by the *foreign situs* trusts created to stand as sureties of the United  
 2380 States of America, Inc. Like irresponsible teenagers promising to make the payments on  
 2381 a car, the US Congress "resolved" to pay its debts in such a way that the secondaries---

2382 the presumed co-signers on their loans, the *foreign situs* trusts they named after American  
2383 Nationals---would never default, and in theory, the living American Nationals would  
2384 never be dunned or otherwise impacted by their fraudulent semantic deceits and false  
2385 claims.

2386  
2387 In actual practice, the voucher and coupon system which should have been ubiquitously  
2388 implemented never was, and the Internal Revenue Service, the agency responsible for  
2389 both collecting taxes and dispensing credit owed individual accounts was split into two  
2390 distinct and separate entities, the Internal Revenue Service operated by the Federal  
2391 Reserve and the IRS operated by the International Monetary Fund, which colluded to  
2392 confuse and defraud the living people, billing them “as if” they owed the tax bills and  
2393 forcing them to pay the debts of the make-believe *foreign situs* trusts operated under their  
2394 names using Federal Reserve Notes, a process that not only failed to pay the debts of  
2395 these “fictional citizens” of the United States of America (Minor) but left the American  
2396 Nationals even further in debt as a result of interest and service fees and import duties  
2397 charged by the same banks.

- 2398  
2399 50. U.S. Bankruptcy Act of 1933, especially Section 101 (11)--- Declares the American  
2400 People as the Creditors, the “United States” as the Obligator, or Debtor. This established  
2401 that the signatures of Americans were to be used as credit, but the “State” franchises of  
2402 the United States of America, Inc, dba “United States”, “State of Ohio”, etc., and their  
2403 Trustees, dba Secretary of the Treasury of Puerto Rico, Custodian of Alien Property,  
2404 Comptroller of the Currency, etc., were to discharge **all** debts.
- 2405 51. “Charges Against Board of Governors of the Federal Reserve Bank System, The  
2406 Comptroller of the Currency and Secretary of the United States Treasury brought by  
2407 Congressman Louis T. McFadden, May 23, 1933, Co-Chair of House Banking  
2408 Committee, US Congressional Record, pp. 4055-4058”
- 2409 52. The Naturalization Act of 1935. More deceitful efforts to entrap American Nationals and  
2410 claim that they were “US citizens” subject to the whims of the “US CONGRESS”.
- 2411 53. 49 Statute 3097 Treaty Series 881 (Convention on Rights and Duties of States) December  
2412 26, 1933---enacted as a result of the bankruptcies, both national and international, by the  
2413 US CONGRESS---newly redefined to operate the UNITED STATES, INC. --- replaced  
2414 all the “statutory law” (Federal Code and State Statutes) with international law. That is,  
2415 the bankrupted United States of America, Inc. continued in reorganization to function  
2416 under Federal Code, but the UNITED STATES, INC. operated by the IMF operates  
2417 under the Uniform Commercial Code and International Admiralty jurisdiction.
- 2418 54. Social Security Act, 1935. Contrives under conditions of conceit and non-disclosure to  
2419 register everyone applying for any job, public or private, and to conscript them under  
2420 these conditions to act as unpaid “voluntary” Withholding Agents in behalf of the Puerto  
2421 Rican Estate Trusts set up “in their names”.

- 2422 55. U.S. Congressional Record Proceedings and Debates of the 76<sup>th</sup> Congress, Monday  
 2423 August 19, 1940, Third Session, Debate of Honorable Judge Thorkelson, “Steps Toward  
 2424 British Union, A World State, and International Strife---Part 1”.
- 2425 56. Alien Registration Act, 1940 – mandated registration of the names of all living  
 2426 Americans to create estate trusts operating under their names in foreign maritime and  
 2427 admiralty jurisdictions.
- 2428 57. Buck Act, 1940 ---“enfranchised” the ESTATES of American Nationals as “dual  
 2429 citizens” of The United States of America, and the United States of America (Minor) -----  
 2430 --and their respective franchises of the UNITED STATES, INC. operated as “STATES  
 2431 of States” (See UCC 1-207 Definitions) allowed this “enfranchisement” to stand as an  
 2432 excuse for claims of ownership and controlling interest in the assets of the individual  
 2433 ESTATE trusts-----including the living men and women as slaves, and their private  
 2434 property as chattels still presumed to be “surety” for the debts of the United States of  
 2435 America, Inc. owed for the governmental services performed by the UNITED STATES,  
 2436 INC.
- 2437 58. The Bretton Woods Accords, Inclusive, 1944, succeeded until 1971 in partial restoration  
 2438 of the Gold and Silver Standard, and as a secondary result, ceded control of all the  
 2439 agencies, assets, departments, logos, symbols, etc. to the UNITED NATIONS and its  
 2440 International Monetary Fund (IMF) agency merely doing business as the UNITED  
 2441 STATES. All STATE OF ALASKA offices are in fact UN corporate offices.
- 2442 59. *Hooven & Allison Vs. Evatt*, 65 SCt.870, 880,321 U.S 652,89 L.Ed.12, 52 (1945)  
 2443 conclusively affirmed that there are two (2) distinctly different United States with TWO  
 2444 OPPOSITE FORMS OF GOVERNMENTS.
- 2445 60. United Nations Charter, 1946. (Note, the commercial company dba UNITED NATIONS  
 2446 existed *prior* to the city-state being chartered as the “United Nations”.)
- 2447 61. Administrative Procedures Act (1946) provides statutory admission that the ESTATES of  
 2448 American Nationals are the priority creditors of the United States of America, Inc. and  
 2449 provides that American Nationals deemed to be civil executors and “federal contracting  
 2450 officers” administering their own ESTATES are enabled to bring administrative claims  
 2451 against the United States of America, Inc. assets and also against the UNITED STATES.  
 2452 This is where we got two court systems with differently styled names--- “The US District  
 2453 Court” and “THE US DISTRICT COURT” for example. This was the remedy offered to  
 2454 the victims of the first fraud for the **second** fraud carried out against them by the  
 2455 UNITED NATIONS and the US Bankruptcy Trustee, when they rolled the assets of the  
 2456 individual *foreign situs* trusts into Roman Inferior ESTATE trusts. Like the first remedy,  
 2457 this second remedy was never delivered to the people. The perpetrator banking cartels  
 2458 which were by now funding both the Courts and the COURTS simply ordered their  
 2459 employees not to recognize the identities and standing of the American Nationals,

2460 conveniently laying claim to their ESTATES without providing remedy to them for the  
2461 theft of controlling interest in their assets and misappropriation of their good faith and  
2462 credit.

2463 62. MILOSZEWSKI v. SEARS ROEBUCK, 346 F.Supp. 119 (1972)(2).  
2464 [Outside of Constitutional authority is 100% private authority – NO lawful authority. 18  
2465 USC 2381-85 Treason - Sedition.] OPINION, FOX, Chief Judge (U.S. District Court of  
2466 Michigan): “A mere statement of this fact may not seem very significant; corporations,  
2467 after all, are not supposed to exercise the governmental powers with which the Bill of  
2468 Rights was concerned. But this has been radically changed by the emergence of the  
2469 public-private state. Today private institutions do exercise governmental power; more,  
2470 indeed, than 'government' itself ... . We have two governments in America, then-one  
2471 under the Constitution and a much greater one not under the Constitution. In short, the  
2472 inapplicability of our Bill of Rights is one of the crucial facts of American life today." **In**  
2473 **fact, American Nationals are owed the Bill of Rights as they always have been. “US**  
2474 **citizens” are not owed the Bill of Rights.** The problem is that we have all been self-  
2475 interestedly mis-identified as “US citizens”---a crime known as “personage” carried out  
2476 against us by individuals and corporations in our employment and under contract to  
2477 provide governmental services.

2478 63. Foreign Sovereign Immunity Act, 1976. This releases all “State” laws and statutes to  
2479 international jurisdiction, specifically to the Uniform Commercial Code (maritime law).  
2480 The corporate franchises calling themselves “States” continue to publish their own  
2481 copyrighted version of the Uniform Commercial Code with addendums and label it as  
2482 “Statutes” but these have no actual enabling clause.

2483 64. Title 22 USC, Chapter 11, all public officials designated foreign agents.

2484 65. 22 CFR 92, 12-92.31 “Foreign Relationship” requires an oath of office, and Title 8 USC  
2485 1481 states that once an oath of office is taken, **citizenship is relinquished**. As a result,  
2486 when American Nationals are arbitrarily defined as “US citizens” and harassed by agents  
2487 of the United States of America (Minor) and the UNITED STATES, INC. into acting as  
2488 “Withholding Agents”, “Federal Contracting Agents”, or members of the Armed Forces,  
2489 or as Federal Employees of any stamp, they temporarily and **for as long as they continue**  
2490 **to act “in office”** lose the protections and benefits of their birthright citizenship. This  
2491 “presumption of employment” is often used by the corporate administrative tribunals to  
2492 defraud and abuse American Nationals who are owed all the protections of The  
2493 Constitution for the united States of America and the United Nations Declaration of  
2494 Human Rights and also good faith service under contract.

2495 66. Title 28 USC 3002, Section 15 (A), “United States” is a Federal Corporation, **not a**  
2496 **government**, including the Judicial Procedural Section.

## WHERE TO NOW?

2513

(Slightly amended April 20, 2014)

2514 Since issuing the FINAL JUDGMENT AND CIVIL ORDERS people have asked, now what?  
 2515 We are not standing in the Shoes of the Fishermen. All we can provide is an educated opinion  
 2516 offered in goodwill to the American people. Here is what we would do:

2517 **As individuals:** know who you are and take action accordingly. Are you a birthright American  
 2518 National? Or are you rightly considered a "US citizen"? If you are a "US citizen" is it a  
 2519 permanent or temporary condition of employment?

2520 **Federal employees and members of the active duty military** are considered "US citizens"  
 2521 during their employment, but they have the absolute right to quit their jobs or void their contracts  
 2522 (military service) if they are required to act in any manner contrary to the Law of the Land  
 2523 known as "The Constitution for the united States of America" while on the land.

2524 **All American Negroes** are similarly considered "US citizens" because the individual states did  
 2525 not act to formally recognize their State Citizenship at the end of the Civil War; however, this  
 2526 condition can be addressed in a number of ways. First, the United States of America (Minor) has  
 2527 guaranteed "equal civil rights"----equal to the rights of American Nationals, which includes the  
 2528 right to refuse any claims made by the United States of America (Minor) upon you, your persons,  
 2529 or your ESTATES. Second, you can push the reorganized and lawful state legislatures to  
 2530 formally recognize your equal status as Americans born on the land of the American states. That  
 2531 should have been done 150 years ago, but better late than never.

Final Judgment and Civil Orders

APRIL 11, 2014

2532 **“Foreign” Welfare Recipients** --- Americans are considered to be “foreigners” with respect to  
2533 the United States of America (Minor) and anyone receiving welfare benefits is considered to be a  
2534 “US citizen”, however, because these programs have been funded with American credit obtained  
2535 under conditions of fraud and often have been entirely paid for by the recipients as a group (as in  
2536 the case of Social Security), some other compelling basis would have to be established before the  
2537 United States of America (Minor) could convincingly claim American welfare recipients as “US  
2538 citizens”.

2539 **Retirees** – the United States of America (Minor) will no doubt attempt to claim that American  
2540 Retirees owed Social Security Insurance coverage are “welfare recipients” receiving “benefits”  
2541 (see above). Individual retirees need to object to this “interpretation” of their status and give  
2542 notice to the Social Security Administration that it is their understanding that Social Security is  
2543 and was a retirement insurance program that they paid into and are vested in, and not in any way  
2544 welfare or benefit of any Public Charitable Trust. This is just more self-interested deceit.  
2545 American workers paid for every drop of their retirement insurance coverage and are  
2546 grandfathered in once vested, just as with any other **private** insurance program. Receipt of Social  
2547 Security payments does not provide any claim against your status as an American National. If  
2548 the Social Security Administration goes bankrupt, the United States of America (Minor) will be  
2549 charged as secondary, and so on up the food chain.

2550 **Obamacare** – is a brazen attempt to corner the market on medical insurance by the federal  
2551 corporation. Ask yourselves----does Blue Cross have any right to “tax” me or force me to buy  
2552 insurance coverage from them? If not, neither does E PLURIBUS UNUM THE UNITED  
2553 STATES OF AMERICA, Inc. Just say, “No.” You are not a “US citizen” and you are not  
2554 obligated to pay or obey.

2555 **Internal Revenue/IRS** --- recognize that these are two separate agencies, one representing the  
2556 Federal Reserve System, one representing the International Monetary Fund. They act in two  
2557 separate roles. One owes you a lot of money and is obligated to pay any and all debts your  
2558 ESTATE may owe from a credit account established using nine digits without dashes:  
2559 \*123456789” and the other is owed moderate service fees for providing public services and  
2560 operates a debt account under the same number separated by dashes: 123-45-6789. These two  
2561 agencies work together to defraud you, but you have the absolute right to act as the Civil  
2562 Executor on the Land of your own ESTATE, and once you have proven who you are, you have  
2563 every right to tell the holder of the debt (IRS) to bill the holder of the credit (Internal Revenue  
2564 Service) and to discharge any taxes, tithes, or fees owed by the ESTATE.

2565 **State Legislators** – immediately enter your **public offices**, take valid oaths to the “Alaska state”  
2566 and the “living Alaskan people” (or whatever other state, such as “illinois” and people  
2567 “Illionoians” you believe you represent), and act together as an **unincorporated** Body Politic to  
2568 demand (1) release of all land within the state’s geographically defined borders that are not  
2569 specifically granted for “federal” use under permit, such as “federal courthouses”, military bases,

2570 arsenals, etc. that are traditionally allocated to the use of the “federal government”, (2) recognize  
 2571 that the “United States senators” are still under their original obligation to the state legislatures –  
 2572 they work for you and are accountable to the state, not the federal corporation, not the United  
 2573 States of America (Minor) and not the IMF. Demand that they account for their actions and  
 2574 inactions and remove them from public office if they have failed to abide by “The Constitution  
 2575 for the united States of America” and “The Alaska Statehood Compact” (just substitute the name  
 2576 of your state), (3) recognize that the “US congress members” are similarly directly accountable  
 2577 to the people of the state and demand that they immediately act to release all false claims against  
 2578 state and private property assets that have been made via the use of legal fiction entities however  
 2579 constructed, together with all false titles to land and other assets held under color of law, (4)  
 2580 recognize only “state banks” operated under state control and force all “national banks” to  
 2581 submit to state banking rules in order to do business in your state--- and make sure those rules  
 2582 are explicit in denying the use of “off book” accounts and other practices not allowed by Basel I,  
 2583 II, and III, (5) force all “courts” currently operating in your state to declare exactly who or what  
 2584 is operating them, and in what jurisdiction they are operating, and for what purpose(s) they are  
 2585 operating and make them openly, freely, and officially declare their nature and status so that  
 2586 people are no longer hoodwinked, (6) void the charters of all municipalities and boroughs  
 2587 operating in your state that have been issued under the auspices of the United States of America  
 2588 (Minor) or the UNITED STATES; these entities are under foreign obligation and have been  
 2589 established under conditions of fraud based on semantic deceit; so provide substitute issuance/ of  
 2590 city and other government unit charters as appropriate.

2591 **Note that inhabiting an American public office requires you to act with 100% commercial**  
 2592 **liability and according to The Constitution for the united States of America. As a result,**  
 2593 **you wield ultimate power, but to exercise this power you must also accept ultimate**  
 2594 **responsibility.** Also recognize that your acceptance of public office does not confer any special  
 2595 magic power or serve to make you “more equal” than any other birthright American. All  
 2596 Americans who accept the responsibility of a civil office may exercise it, because the **entire**  
 2597 power of the civil government is vested in **every** American without exception.

2598 **You cannot claim any control over public assets based on your public office while**  
 2599 **operating in a private capacity.** For example, you cannot sign a valid contract selling the  
 2600 Alaska state’s oil resources while enjoying any limited liability whatsoever, and you cannot  
 2601 make any such agreements in conflict of interest.

2602 **Governors of states** --- See above.

2603 **“US” congress members and “senators”**---- Find a distinct and unequivocal name for the  
 2604 United States of America (Minor) and end the semantic deceits and crimes that have been

2605 perpetuated as a result of this purposeful confusion at law. When you are operating the  
2606 Municipal government, or the Insular States government, either one, make it clear to everyone  
2607 everywhere that that is the capacity in which you are acting and do not allow any sloppy  
2608 interpretation of your authorities and actions to bleed over and impact American Nationals.

2609 **Judges, Lawyers, Court Clerks, Judicial Councils** --- If you've read the rest of this document,  
2610 it should be apparent that you are not required to be a member of the Bar Association. We  
2611 suggest tearing up your Bar and/or BAR cards and forming a state-based professional association  
2612 that accomplishes the worthy and positive functions of such an organization without the  
2613 corruption and negative elements. Nobody is prevented from practicing law in America and  
2614 never has been, nor is anyone prevented from offering **lawful** service. Set up your own courts as  
2615 loyal Americans, include service under American Common Law, and have at it. The Bar  
2616 Associations have long functioned as "closed union shops" and in violation of Taft-Hartley. Bust  
2617 them for it.

2618 The actual 13<sup>th</sup> Amendment to The Constitution for the united States of America does NOT  
2619 prevent you from serving your country or from plying your trade. It simply prevents you from  
2620 serving a foreign government (that of the city state of Westminster) and accepting titles from that  
2621 government as a Bar Association Member. So, purge your ranks of liars and traitors, do the  
2622 right thing as Americans, and you'll be fine. Otherwise, pack your belongings and go. You have  
2623 three years as of July 1, 2013 to settle your affairs and leave, provided that you do no harm to  
2624 anyone else and do not infringe upon the material interests of any American National in the  
2625 meantime and do not operate as an Undeclared Foreign Agent on our soil. If you cause any such  
2626 trouble, you will be immediately arrested and deported.

2627 **Bankers** - Obviously, if you've been operating a "national" bank without the American nation  
2628 on American soil and proposing to conscript Americans as debt slaves via the self-interested  
2629 presumption that American Nationals are "US citizens", you are in a heap of trouble, and need to  
2630 quickly, quietly, and determinedly make changes to recognize the interests of the American  
2631 Nationals in their own private accounts, and to admit all off-book and escrow and demand  
2632 accounts the bank has held or processed for federal corporations "in the name of" American  
2633 Nationals.

2634 All fiat money systems based on "Notes" whether "Federal Reserve Notes" or "US Treasury  
2635 Notes" are illegal in America, aka, The United States of America (Major) composed of 50  
2636 organic states, and you are under complete demand to provide legal tender based on gold and  
2637 silver coin standards. Otherwise, your clientele will be strictly limited to "US citizens" and you  
2638 will be under full obligation to completely reveal (1) the difference between "US citizens" and  
2639 "American Nationals" and precluded from offering service to any American National; (2)  
2640 required to prove the citizenship status of all clients and that they have adopted that status  
2641 knowingly, willingly, and under conditions of complete, explicit, and fully discussed disclosure  
2642 of the consequences as well as any benefits, (3) honor the living status of American Nationals

2643 and never again create accounts merely “in the name” of any living man or woman born on the  
2644 land of the American states based on “representations” made in their behalf, (4) commit no act of  
2645 false advertising, such as advertising “loans” based on the customer’s own credit. All national  
2646 banks operating facilities on the land of the states will be obliged to conform to state standards  
2647 and function according to “The Constitution for the united States of America” when addressing  
2648 or offering services of any kind to American Nationals.

2649 The circumstance that American Nationals have suffered in having no money with which to pay  
2650 debts is entirely the fault of the private, for-profit corporations under contract to provide these  
2651 governmental services and the Department of Defense Financial Services Administration. Any  
2652 bank proposing to offer service to the American Nationals must provide interest free commodity  
2653 based real money subject to the gold and silver coin standard, not corporate I.O.U.’s, not fiat  
2654 “debt notes”, and cannot charge any interest, make any loan, or offer to indebt any American  
2655 National or state on the basis of failure to provide such service.

2656 **Military Officers, Police, Provost Marshals, Civilian Employees of DOD** - Remember who  
2657 you actually work for and make no mistake. There are two different populations being served.  
2658 American Nationals pay for your services and are owed your good faith service and dedication.  
2659 “US citizens” are allowed to be present on the land of the organic states, but operate (at present)  
2660 under a different government and are not owed the same protections, rights, and guarantees. All  
2661 American Nationals are owed all protections of their national trust indenture and commercial  
2662 service contract known as “The Constitution for the united States of America” and any law, rule,  
2663 statute, or code serving to infringe upon them or their material rights in contravention of **their**  
2664 Constitution is a violation of the Law of the Land and the Supreme Law of the Land which you  
2665 are obligated to observe, honor, and protect under contract.
