

FROM DE FACTO TO DE JURE

HANDBOOK FOR THE RESTORATION OF THE PEACFUL SOVEREIGN STATES OF AMERICA!

This handbook was compiled by folks from several states as a guideline to achieving the restoration of the Republic originally known as the united states of America.

Ohio Version [2]

PREFACE

From Judge Dale's *The Sovereign Citizen*¹:

WHAT IS SOVEREIGNTY?

It is the inherent right and prerogative of a civilized people to rule itself, and to dictate all of the forms and conditions of the institutions it sets up to carry out this rule.

WHAT IS DE FACTO GOVERNMENT?

The state and federal government is a corporation and therefore the Congress, State Legislatures, City Councils, Municipalities and all State and Federal Courts are corporate entities posing as Constitutional branches of government.

The delegates to the first Federal Convention prohibited the use of corporations by all governments representing the American Republic. Therefore, all of these corporate governments and their corporate laws are a usurpation of the organic Constitution of the United States of America. All State Governments are now sub-corporations of the Federal Government, making all Courts and all law enforcement personnel, corporate federal agencies or employees.

Corporations are privately owned businesses, meaning that the Corporate United States belongs to one or more private individuals, which is always governed by a Board of Directors. The Corporate United States is privately owned by a group of European Royal and Elite individuals tied to the Federal Reserve System and the letters of incorporation are recorded in the Vatican. The President of the United States is actually the CEO of the United States and the Congress and all others are corporate employees. Everything they do is in the interest of the corporate owners!

NATION STATES PROJECT

The Nations States Project was initiated by the Pennsylvania Assembly when they filed a package of documents and official Notice (see page 4) with the **PERMANENT BUREAU HAGUE CONFERENCE ON PRIVATE INTERNATIONAL LAW, SCHEVENINGSWEG 6, THE HAGUE 2517 NL.**

Their action was noticed by another group who invited folks to a phone conference and assisted as many states as possible in duplicating the document package and notification. The completed packets were sent to the Pennsylvania folks who gathered them together and had them delivered to the address above. This project was accomplished and completed with relative swiftness in 2012.

Next Step - seating the body politic

With all of the states on the same page more or less, it is now time to take the next step, i.e. to organize each state with the seating of that state's body politic and reclaim our Republic form of government.

Time is important and time is short but time is not to be considered. The reset of our nation can happen and we can all work together to accomplish the reclaiming of our nation but it can only happen with 1) **each state working to reset their own state** and 2) then committing to the action step of re-seating the national body politic. These actions can be defined and completed with the assistance of each state working together with the focus on resetting the Republic form of governance.

Michigan Assembly Member

NOTICE FOR THE HAGUE [generic]

NOTICE

We the people, the flesh and blood inhabitants, of the several nation states on the continent of North America, known as the united states of America, herby declare and give Notice to the World herewith that;

We have assembled in our individual states and given Notice that by the authority of jural assembly in each state, having ratified a sovereign constitution for its own governance, declaring its own civil authority of independence, freedom and every power, jurisdiction and right which is not expressly delegated to the united states in honourable Congress assemble, bu the will of the people.

We have assembled as a majority of the states with the purpose to return our Nation to its original design according to the true belief and intention of the free people under the Articles of Confederation, the original Constitution for the united states of America, the Declaration of Independence, the Northwest Ordinance, and the Bill of Rights, whereby we are a nation by the people, for the people and of the people.

These nation states assembled as a majority of the states herby give Notice we mandate our right of civil authority to reclaim our freedom of governance from all usurpation of our Common Laws structure so as to eliminate forevermore the existence of federal, state and local corporate entities in any position impersonating the original sovereign structure of government.

The nation states assembled as a majority of the states give Notice we intend to disavow any national affiliations with IMF, World Bank, United Nations, Federal Reserve and all other such organizations, as well as all encumbrances and claims associated with the corporate United States, which were never created, sanctioned, or authorized according to the will of the people of the united states of America.

This assembly of the majority of nation states of the united states of America, including a quorum of the original thirteen states in Union, as empowered in Article 11 of the Articles of Confederation, do also hereby agree to the admission of, lay claim to, and empower all states not having completed documentation of Notice for inclusion in this Notice document, to be included nonetheless, either as nation states in Union, pending completion of documentation, or as developing Territories, unless specifically and individually declined by them.

See APPENDIX A for specific state notice

**Present this Open Letter & Public Notice
8th October 2013**

<http://nesaranews.blogspot.com/2013/10/open-letter-from-we-people.html>

To the following:

US Military, Pentagon Joint Chiefs, Flag Officers, Provost Marshall, Inspector General, and Office of Management & Budget, US Corporation and its Agents & Actors—an act of giving Public Notice.

We THE People who are the Civilian Authority with the superior lawfull standing over the U.S. Corporation=UNITED STATES CORPORATION and authority over the U.S. Military acting under the Original Jurisdiction of the United States Constitution 1789, Bill of Rights 1791 with the original 13th Amendment="which removes persons who have accepted an entitlement from holding public office" as the United States of America, Republic form of Government, De Jure, standing as the true form of Government is proud to announce and notice the following effective IMMEDIATELY.

The purpose of this writing is to add the next pieces to the graphical explanation of the relationships between the US Corporation to Straw man and to Us - the living breathing men and women who occupy the geographical lands of the De Jure Constitutional Government for the United States of America.

We want to know that our boarders are watched and we are protected when we come and go either on pleasure or business. We want to make sure we have a roof over our head, good food not GMO to eat, and the people who represent us at State and Federal levels are looking out for us and not their personal pocket books.

So we want to disconnect ourselves from the US Corporation both personally, State and Federal wise. So the questions are many and what should we be aware of to disconnect.

On March 27, 1861, seven (7) southern states walked out of the Union along with several of the northern states under "Sine Die" breaking the contract between the Federation and Union States. The states seceding from the Union were South Carolina, Mississippi, Florida, Alabama, Georgia, Louisiana and Texas.

This event caused the contract which consisted of the Articles of Confederation, the Organic Constitution of 1789 and the Bill of Rights of 1791 to be breached.

Upon breaking this contract, the following happened: The Union of States relationship was suspended and the United States of America was suspended in its existence.

Article I – Legislation was suspended; Under Parliament Congress, Congress ceased to exist as a lawfull body and all lawfull Republic governmental Seats were vacant*

Article II – Executive branch was suspended; Office of President was suspended – Office of the President was vacant* (President had no authority to declare war). At this point, the then sitting President had no power, no authority, his position as president was suspended and considered vacant by the De Jure Republic Constitutional Government.

Article III – Judicial Courts were suspended; Article III Judicial seats are vacated.*

* = per Administrative Court Judge in a North Carolina case FILE NO.: 11 CVS 1559

On April 15, 1861, President Lincoln executed the first executive order written by any President, Executive Order 1, Executive Orders are not constitutional however it is perceived as law by the use of television propagating the deception. This is not correct; an Executive Order is the memo method of communicating between departments of a corporation and is not the law of the land.

When Congress eventually did reconvene, it was reconvened under the military authority of the Commander-in-Chief and not by Rules of Order for Parliamentary bodies or by Constitutional Law; placing the American people under martial rule ever since that national emergency declared by President Lincoln.

The Constitution for the United States of America temporarily ceased to be the law of the land, and the President, Congress, and the Courts unlawfully presumed that they were free to remake the national government in their own fashion, whereas, lawfully, no constitutional provisions were in place which afforded power or authority to enact any of the actions which were taken which presumed to place the nation under the new form of federal government control.

On April 17, 1861 and over the next five (5) weeks – seceding from the Union were the additional states of Virginia, North Carolina, Tennessee and Arkansas totaling eleven (11) confederate states.

In 1862, the unlawful congress redefined the word Person as a legal term of art, creating a fictional entity, fictional characterization, Straw man, corporate entity. Definition: Person = Fictional Characterization which allowed the unlawful congress to say “that that you can create, you can control”.

In 1864, the unlawful congress redefining the word STATE to be District of Columbia. They are setting a pattern for "that that you can create, you can control". In Webster's dictionary 1828, the definition for Columbia as a noun is America; the United States; a poetical appellation given in honor of Columbus, the discoverer.

Furthermore, the definition used today in US Corporation speeches, law, statutes, Court System for Person = Fictional Characterization and STATE= District of Columbia are hereby repealed, revoked and terminated because these words were redefined by an Unconstitutional congress to be used to entrap the living, breathing flesh and blood man or woman into debt slavery by the 14th amendment. This is spoken by the We THE People of the De Jure Constitutional Government for the United States of America.

The definition for Person and for State as per Webster dictionary 1828:

PERSON, *noun* per'sn. [Latin *persona*; said to be compounded of *per*, through or by, and *sonus*, sound; a Latin word signifying primarily a mask used by actors on the stage.] 1. An individual human being consisting of body and soul. We apply the word to living beings only, possessed of a rational nature; the body when dead is not called a *person*. It is applied alike to a man, woman or child. A *person* is a thinking intelligent being: *verb transitive*, To represent as a person; to make to resemble; to image. [Not in use.]

STATE, *noun* [Latin, to stand, to be fixed.] 1. Condition; the circumstances of a being or thing at any given time. These circumstances may be internal, constitutional or peculiar to the being, or they may have relation to other beings. We say, the body is in a sound state or it is in a weak state; or it has just recovered from a feeble state, The state of his health is good. The state of his

mind is favorable for study. So we say, the state of public affairs calls for the exercise of talents and wisdom. In regard to foreign nations, our affairs are in a good state, So we say, single state and married state. Declare the past and present state of things.

STATE, *verb transitive*, 1. To set; to settle. [See Stated.] 2. To express the particulars of any thing verbally; to represent fully in words; to narrate; to recite. The witnesses stated all the circumstances of the transaction. They are enjoined to *state* all the particulars. It is the business of the advocate to *state* the whole case. Let the question be fairly stated.

As we continue with the for mentioned timeline, The US Corporation continues to attack the vacant seats of the De Jure Constitutional Government, its people and the lands by writing Executive Orders, Acts and Treaties created by the US Corporation that starts with the “Act of 1871.”, Creating the District of Columbia and defining it as a state while the Union States are redefined as territories under the District of Columbia, the “Pan American treaty of 12-26-1933 (49STAT3097) Treaty Series 881”, and the “International Organization Immunities Act of 12-9-1945,” since all of these ACT’s and Treaty references were created by an Unconstitutional government. We THE People are not obligated nor bound by these unconstitutional instruments.

That the Pan American treaty of 12-26-1933 (49 STAT 3097) Treaty Series 881 – (Convention on Rights and Duties of States) stated CONGRESS replaced STATUTES with international law, placing all states under international law.

That the International Organization Immunities Act of 12-9-1945 – - Congress relinquished every public office over to the UN. Local governments up to the president fall under UN jurisdiction. Congress gave the UN the right to dictate what laws will be international & gave them the right to tax the States.

That the International Reorganization Rescind Act- Congress put this into form but they never took action to rescind the act. Fairly recently an Ohio judge filed suit claiming that Congress did not have the right to relinquish government authority over to the UN (a corporation or foreign country) and that the Congressional act was a constitutional violation because they didn’t put it to the States or the people to agree on it. In 2005 the US Supreme court declined to hear the case therefore all public offices are under UN jurisdiction & they are not American Citizens.

Furthermore, the action by the US Corporation has been Fraudulent in representation of the people of the United States of America as well as taking advantage of minors. The individuals who represent this corporation are not We THE Peoples’ government and these individuals are by lawfull governing considered to be Corporate CONTRACTORS =ACTORS who do not represent the Political Will of the People. We THE People do hereby declare the US Corporation governs NOTHING since they are nothing more than an unlawfull criminal organization. The US Corporation is physically bound to White House = CEO office and Capital Building = Board of Directors office on the land they call District of Columbia. They have NO authority over the people or lands of the United States of America or the District of Columbia.

Furthermore, all adhesion contracts are-suspended and revoked due to the fraudulent actions by US Corporation and Banking industry-against the living breathing flesh and blood men and women of the United States of America.

Adhesion contract examples (not a complete list):

Minor – certified birth certificate on bonded paper, Social Security Number, Driver

License;

Adult – Marriage License, Voter Registration, License as Contractor, usage of Zip Code, USPS – FEMA green address plates for mailboxes, IRS – income filings signature binds a person to pay Unconstitutional taxes which is a fraudulent act since taxation repealed in 1939, taxation without representation and not disclosing taxation is voluntary;

Other – the autograph line on personal checks is micro-printed by Banking Industry further binding parties to debt; mortgages with no jurisdictional representation and much more.

Furthermore, the Bretton Woods Agreement Act with the association of the US Corporation with the CROWN = Rothschild Banking Cartel, the International Monetary Fund are foreign entities and Unconstitutional and are suspended and revoked by We THE People of the De Jure Constitutional Government for the United States of America.

A. Bretton Woods Agreements Act, International Monetary Fund/World Bank Group [As Amended Through P.L. 112–74, Enacted December 23, 2011]

AN ACT To provide for the participation of the United States in the International Monetary Fund and the International Bank for Reconstruction and Development. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

SECTION 1, 22 U.S.C. 286 note, This Act may be cited as the “Bretton Woods Agreements Act”.

ACCEPTANCE OF MEMBERSHIP

SEC. 2, 22 U.S.C. 286, The President is hereby authorized to accept membership for the United States in the International Monetary Fund (herein after referred to as the “Fund”), and in the International Bank for Reconstruction and Development (hereinafter referred to as the “Bank”), provided for the Articles of Agreement of the Fund and the Articles of Agreement of the Bank as set forth in the Final Act of the United Nations Monetary and Financial Conference dated July 22, 1944, and deposited in the archives of the Department of State.

APPOINTMENT OF GOVERNORS, EXECUTIVE DIRECTORS, AND ALTERNATES

SEC. 3.1, 22 U.S.C. 286a, (a) The President, by and with the advice and consent of the Senate, shall appoint a governor of the Fund who shall also serve as governor of the Bank, and an executive director of the Fund and an executive director of the Bank. The executive directors so appointed shall also serve provisional executive directors of the Fund and the Bank for the purposes of the respective Articles of Agreement. The term of office for the governor of the Fund and of the Bank shall be five years. The term of office for the executive directors shall be two years, but the executive directors shall remain in office until their successors have been appointed. (b) The President, by and with the advice and consent of the Senate, shall appoint an

alternate for the governor of the fund and an alternate for the governor of the Bank. 2 The

President, by and with the advice and consent of the Senate, shall appoint an alternate for
F:\COMP\IFI\BRETTON. December 23, 2011.

Furthermore, the United Nations has been given direct orders to stand down and to leave the Republic State of New York and the entire geographical lands known as United States of America. No department of our government shall report to a foreign agency or foreign agent. United Nations failure to comply shows their intent to continue to carry forward the criminal Agenda 21 of mass murder of people in the United States of American and the World. It is the duty and obligation of the Military to remove these criminal power seekers from our lands.

We THE People now understand that we have been fooled, manipulated and coerced by fraudulent acts committed by Abraham Lincoln and the US Corporation through their adhesion contracts for their financial gains.

Furthermore, The POPE on July 11 and effective September 1, 2013 issued a APOSTOLIC LETTER ISSUED MOTU PROPRIO OF THE SUPREME PONTIFF FRANCIS ON THE JURISDICTION OF THE JUDICIAL AUTHORITIES OF VATICAN CITY STATE IN CRIMINAL MATTERS.

Pope Francis Apostolic Letter effectively stripped away the immunity of all judges, attorneys, government officials and all entities established under the Roman Curia. Since "All" corporations are established under the Roman Curia they have their immunity stripped away including their C level, Executive level, Office of General Council, and significant operational staff.

All of these "persons" can be held accountable for war crimes, crimes against humanity, for the unlawfull restrictions of the liberties of the divine spirit incarnate; for failure to settle the accounts; for continued prosecution of claims already settled, etc. Definition: Divine Spirit is humanity.

Over the past several years, there has been a great and powerful movement by the patriots and others to take back our Unalienable rights, pronouns as UN-A-LIEN-ABLE or said Not-a-lien-able right. This means no one can take these from us as per the bible and our fore fathers. To stand up the republic once again and dissolve the US Corporation and rid ourselves of the banking cartels who direct the central banking wars for their profit.

On October 21st, 2012, a group of living breathing men and woman meet with a specific intent to reseat our Federal government. They did reseat our United States of America as a sovereign Nation once again. Along with that comes the re-instatement of the contract between Federal and Union States or Nation States. We THE People stand once again under the De Jure Constitutional Government, Republic form of Government which represents the People of this great land known as United States of America. The offices that have sat vacant since March 27 1861 are now being filled with men and woman from this nation.

By the Political Will of We THE People we hereby claim the following:

- Revocation of all the unconstitutional acts, treaties, proclamations, etc. since March 27 1861,
- The law of the land is Geneva & King James Bible, Common Law, Articles of Confederation, the Organic Constitution of 1789, the Bill of Rights of 1791 and Northwest Ordinance. These laws apply to all 50 Nation States.
- US Corporation is Confined to the geographical area called the District of Columbia, The US Corporation is physically bound to White House = CEO office and Capital Building = Board of Directors office.

- The US Corporation has NO authority over the people or lands of the United States of America and the people or land of the District of Columbia.
- Revocation of all adhesion contracts by US Corporation due to their fraudulent actions against the people.
- The IRS and Federal Reserve are associated with US Corporation and IMF which have no authority to operate on the lands of the United States of America.
- The De Jure Constitutional Government declares Martial law over the US Corporation and the land known as Washington DC. Washington DC will be patrolled by the United States Military and Militias of the states assigned to do so.
- We THE People will consider criminal charges against all the actors, agents and their supporting staff as far back as necessary ...

It is the Political Will of We THE People~

How to Settle Your State/County And Procedures for Running Your Assembly Meetings

Cell phones/I-pads/ I-phones and other telephone technologies are not permitted in the meeting room due to most new phones have a tracking chip built into the phone. It is best to remove the cell phone to the automobile or remove the cell phone battery. Some Assemblymen like to use their cell phones to take pictures of other Assemblymen or try to discretely record the proceedings of the meeting all of which is prohibited. You never know who could be an infiltrator!

Steps for Setting up Your State General Jural Assembly=SGJA:

Hold an Introductory meeting inviting like-minded people to learn about de jure vs de facto governments/returning to original jurisdiction/ Bill of Rights/Declaration of Independence/ United States Constitution- show the 11 slide power point “Introduction to “ and have a Question/Answer period.

Once the people have “watched/listened/asked,” invite interested people to complete in [blue](#) (*the color blue signifies the person is *ALIVE*) ink the membership documents (Declaration of Unalienable Rights=DUR, Jural Covenant of Office=JCO, Declaration of Independence=DOI).

The goal is to have a minimum of twenty seven (27) people- four (4) of which are Alternates, who will also be considered the de jure SGJA Grand Jury.

Remember the age requirement to be a member of the SGJA- children over the age of sixteen (16) are allowed to be members and can only complete the DUR and DOI documents.

Whatever the age of majority (adult) is in your state, then these people are to complete all three (3) membership documents=DUR/JCO/DOI. Three (3) witnesses are needed to witness the signatures on the DUR and JCO membership documents. (See APPENDIX B, C, and D)

*for further clarification of colors, please see the attached listing of colors and their meanings

Election of SGJA Officers:

At the first meeting of all SGJA new members you can either hold an election by writing down names for respective positions or asking for volunteers.

Elect at least nine (9) SGJA officers:

- 1.Chief Trustee or Governor (Chief Trustee is the State Officer if your state chooses to have a Covenant. Governor is the State Officer if your state chooses to have a Constitution. The Latin root word of Constitution is *Constitutor* which means to assume someone else’s debt.)
- 2.Deputy Chief Trustee or Lieutenant Governor
- 3.Moderator and a Moderator pro tem
- 4.Treasurer
- 5.Recording Secretary and a Recording Secretary pro tem
- 6.Chief Bailiff
- 7.Communications Secretary and a Communications Secretary pro tem
- 8.Information Technologist=IT (audio/visual) and an IT pro tem
- 9.Jury Commissioner

Optional SGJA officers include a Historian-keeper of all SGJA official documents and a Chaplain.

All SGJA office positions are INTERIM=temporary and all elected SGJA officers are in office for one year. This is because until events change in the country and a nation-wide election process is established by Congress, it is best to keep positions for one year. This rationale also gives the chance for all Assemblymen to try different offices and gain experience for a possible State level office.

The Jury Commissioner is a three (3) year position. At the second (2nd) year elections, you will need to elect a new Jury Commissioner who will “shadow” the current Jury Commissioner. This allows for a smooth transition and they will be mentored for that year.

Election of State Officers:

At the first meeting of all SGJA new members you can either hold an election by writing down names for respective positions or asking for volunteers.

The following positions are to be elected for the State:

- 1.State Chief Justice
- 2.Secretary of State
- 3.Secretary of Treasury

All newly elected State and SGJA officers with their right hands raised are to be sworn into office by the SGJA Moderator or State Chief Justice using the JCO as the official oath document. The SGJA Moderator swears into office the State Chief Justice.

Steps to Setting Up and Settling Your County:

Hold an Introductory county meeting inviting like-minded people to learn about de jure vs defacto governments/returning to original jurisdiction- show the eleven (11) slide power point “Introduction to “ and have a Question/Answer period.

Once people have “watched/listened/asked” invite interested people to complete in [blue](#) (the color blue signifies the person is *ALIVE*) ink the membership documents (Declaration of Unalienable Rights=DUR, Jural Covenant of Office=JCO, Declaration of Independence=DOI).

The goal is to have a minimum of thirteen (13) people who will also be considered the de jure county grand jury. All new members are then sworn in by the SGJA Moderator and/or State Chief Justice.

Remember the JCO is a VERY IMPORTANT document- this document states in the oath that the member is now an elector and can participate in any election (County/State) and will sit on a grand jury if their number is drawn.

Remember the age requirement to be a member of the County Assembly- children over the age of sixteen (16) are allowed to be members and can only complete the DUR and DOI documents.

Whatever the age of majority (adult) is in your defacto state, then these prospective members are to complete all three (3) membership documents= DUR/JCO/DOI. Three (3) witnesses are needed to witness the signatures on the DUR and JCO membership documents.

Have either the SGJA Moderator and/or State Chief Justice to oversee the actual signing/settling of the County process:

Election of County Assembly Officers:

At the first meeting of all County Assembly new members you can either hold an election by writing down names for respective positions or asking for volunteers.

Elect at least five (5) County Assembly Officers:

1. Moderator and a Moderator pro tem
2. Treasurer
3. Recording Secretary and a Recording Secretary pro tem
4. Chief Bailiff- could be appointed by the Assembly Moderator
5. Sheriff

Optional County Assembly officers include a Historian-keeper of all County Assembly official documents and a Chaplain.

All newly elected County Assembly officers with their right hands raised are to be sworn into office by the State Chief Justice using the JCO as the official oath document.

It is the responsibility of the Settled County to elect one “*delegate*” to represent that county at the State level House of Representatives. In de jure government language this person is a delegate and in de facto government language this person is a Representative.

If your state decides to have regions with “X” number of counties in each region, then it’s the responsibility of each region to elect a “*Statesman*” to represent that region of counties at the State level Senate. In de jure government language this person is a statesman and in de facto government language this person is a Senator.

County Settlement Document=CSD (see page 19)

Ten (10) pages that cannot be edited, all members sign the eleventh (11th) page. Addendums can be made after the initial signing of the CSD.

Noticing the County:

After this you can then notice the de facto county by submitting the first page of the CSD and one other doc to the legal paper in your county- publish in the “legal notices” section of the paper for three (3) consecutive weeks (just pick a day usually Monday) - Inform the receptionist to publish the notice “as is” with NO edits/spelling changes etc and request an “Affidavit of Publication” (this is the most expensive part of the publishing process!)- once the Affidavit is sent back in the mail to the County Recording Secretary, give to the Historian for safekeeping. (See APPENDIX E and F)

Once your County is settled/noticed then the next step is to attend the County Board of Commissioners meeting and read the first (1st) page of the County Settlement Document into the record. You can give the Board Chairman a packet to include the following documents:

1. First page of County Settlement Document
2. Any educational materials you have developed as a marketing/recruiting tool

On-Going Procedures of the SGJA and County Assembly

Hold monthly SGJA and County Assembly meetings minimum with the Assembly Recording Secretary taking/keeping the minutes for the respective Assembly meeting.

The minutes from the previous Assembly meeting will need to be read at the next scheduled SGJA or County Assembly meeting respectively, with any corrections made to that set of minutes followed by a vote by all Assemblymen in attendance or on the conference call duly noted by the following sequence of events:

1. After the Assembly Recording Secretary has finished reading the minutes of the previous meeting the Assembly Moderator asks “Are there any corrections to the minutes of *month/day/year* minutes?”
2. The Assembly Moderator then asks the Assembly “If not, do I hear a motion to accept the *month/day/year* minutes as read (with corrections if applicable)?”
3. If an Assemblyman questions any part of the minutes, the Assembly Recording Secretary will immediately make the correction(s).
4. An Assemblyman will offer up a motion to accept the minutes as read “I, *John Doe*, make a motion to accept the *month/day/year* minutes as read (with corrections if applicable)”
5. The Assembly Moderator will then state “A motion has been made by *John Doe* to accept the *month/day/year* minutes as read (with corrections if applicable)”
6. The Assembly Moderator further states “Are there any abstentions, anyone abstaining from voting on the acceptance of the *month/day/year* minutes?”
7. The Assembly Moderator continues with stating “Are there any nays?” and “Do I hear any Nays?” repeating this three (3) times
8. The Assembly Moderator lastly states “All in favor?”
9. Then all Assemblymen state “Yeay”
10. The Assembly Moderator finishes by stating “Okay, thank you.”

It is important to repeat the requests for type of votes three (3) times so that everyone can hear the request/ ??

Continue to grow your County Assembly by holding Introductory meetings throughout the county!

Remember that all new members must complete the three (3) membership documents as appropriate.

Record Keeping for SGJA and County Assembly Records

Record keeping for SGJA or County Assembly records is the life-line in the “Chain of Custody” of all official Assembly records. It is extremely important to follow procedures correctly to make sure all documents are stored correctly. This is the beginning of your historical time line in your SGJA and County Assembly.

Office supplies include the following: have plenty of various sizes (9’x12’, 10’x13’ etc) brown envelopes, clear packaging tape, [blue](#) ink pens, copy paper, printer ink and other office supplies as needed. (*see example for sealing a brown envelope)

Assigning Numbers to New SGJA and County Members:

Once a new member has completed the three (3) membership documents, there is a process of assigning numbers.

You will need two (2) **RED** self-inking stamps made at an office supply store with the following phrases on them:

1. In **Red** ink- The word *Filed or Recorded* on first line, the words *Free and Independent state (or however you describe your state)* on the second line and the words *Your State Name* followed by a blank line on the third line. (*see example)

2. In **Red** ink- The word *CERTIFIED* in all caps on first line and the words *TRUE COPY* in all caps on second line. (*see example)

Optional self-inking stamps include the following:

To begin the process: The County Recording Secretary will stamp the right side of the new Assembly member's JCO using the **red** ink *Filed/Recorded* stamp. On blank line after your State name you will hand write in the county number of the county where member lives followed by year/month/day followed by a colon then followed by the number of that person ie. Everyone in the County Assembly numbers off and that will be there number for the rest of their membership in the County Assembly. Use this number to complete the entire identification number on the blank line.

This process can also be done at the SGJA meetings by the SGJA Recording Secretary. Sometimes there are guests at the SGJA meeting who decide to join and complete their three (3) membership documents. All guests must be accompanied by their sponsor=active Assemblyman to attend a SGJA meeting.

All SGJA meetings are held at least once per month, maybe a Saturday all day, and all SGJA meetings are Private Meetings. It is best to hang signs with the words "PRIVATE MEETING" on all doors and make sure all windows are covered. Having the signs displayed deters any possible infiltrators from trying to get in the meeting.

Always have a registration table inside near the entry door to the meeting. On the table have a current roster of Assemblymen and listing their county so that members can look for their name and write their "Autograph" next to their name. In de jure language the word autograph means to write your name and in de facto language the word is signature.

Another option is to have a pre-made numbered on left side document titled "SGJA or County Assembly Meeting for month/day/year" with three (3) columns- first column each Assemblyman print their "Appellation." In de jure language the word appellation means to print their name and in defacto language the word is print.

In the second column the Assemblyman writes their Autograph and the third column they write their county of residence where they live. There is no need to ask for their Assembly Identification Number since most people can't remember the number!

Have a second pre-made numbered on left side document titled "SGJA or County Assembly Meeting for month/day/year-GUEST Roster." All guests must sign in and write the name of their sponsor.

Also on the Registration table have available paper and blue pens for Assemblymen to pick up for taking notes.

THE COUNTY SETTLEMENT COVENANT

INTRODUCTION

Here are the documents that we here in Michigan has brought through the Michigan General Jural Assembly and approved for use in settling our state county by county.

This page can be deleted but not until you have read it to know what to do with the following documentation of your process through the settling of the counties.

It is **STRONGLY RECOMMENDED** that the only terms that is changed is the names of the county and state. This is written using the 1828 Noah Webster Dictionary and the grammar and terms in common use prior to=before 1952. In the late fifties the "Public Fool" system was forced upon the unsuspecting public=people and the dumbing down process was under way.

Read the document all the way through two or three times to experience the difference in the verbiage and grammar for full knowledge of the power and strength of the writing and discuss the document in your assembly. We also **STRONGLY RECOMMEND** that the assembly discuss and approved all actions, alterations of the settlement document and have this recorded in the minutes of the assembly meeting.

My County = the name of the assemblies county!
My State = the name of the state the assembly is on!

Both of these indicate in the document where the information may be placed and be sure and read it all the way through because I may have missed one.

Blessings

APPENDIX B

Declaration of Unalienable Rights held by Indigenous Power (sample form)

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all humans are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. A free and independent state is established when one people join together in a common unity to secure their natural God-given rights. To secure their right to life, liberty, and the pursuit of happiness, governments are instituted among men, deriving their just powers from the consent of the governed; to be exercised by elected officials as surrogate power for the free and independent state, Ohio.

When surrogate power officials assume the rights of Indigenous Power as supreme; a free and independent state inverts into a state which usurps the unalienable Rights of the people and they become mere subjects of mandatory conformity, victims of suppression of natural rights and tyranny. Corrupted surrogate power has no indigenous authority of its own, therefore, I declare by Almighty God in peaceable One People Assembly:

Covenant Affirmation

I am created equal to all men and women with unalienable Rights held by Indigenous Power. I solemnly affirm, publish and declare;

I am absolved from all political allegiance foreign to this free and independent state. With a firm reliance on the protection of Divine providence, in One People Assembly; I affirm: Jane Louise Doe

I am local to Michigan, a Free and Independent state; lawfully settled in Franklin County Settlement.

and in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common Defense, promote the general Welfare, and secure the Blessings of Liberty for our Posterity and our free and independent state; I consent to uphold and keep the Peace or delegate power to the local county settlement and to Michigan, a Free and Independent state, for the lawful Protections, Freedoms, and Rights of the people in these free and independent states. In support to this Declaration, with a firm reliance on Divine Providence we pledge to each other the protection of HAPPINESS, PROSPERITY, LIFE and LIBERTY. By autograph under Witness Protection my Declaration of unalienable Rights held by Indigenous Power is supreme, holding and reserving all unalienable rights and jury nullification intact. This declaration autographed by settlor/beneficiary with reservation of all rights.

APPENDIX D

Declaration of Independence Cir.2010 (sample form) in accord with the 1776 unanimous Declaration of Independence

"When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation".

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights that among these are Life, Liberty, and the pursuit of Happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. That whenever any form of government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evidences a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security. Such has been the patient sufferance of these States; and such is now the necessity which constrains them to alter their former system of government. The history of the present Federal Government Corporation is a history of repeated injuries and usurpations, all having in direct intent the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

WE THE PEOPLE, therefore in, state General assembly, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Free and Independent States in perpetual union, solemnly publish and declare:

That these united States are, and of Right, Free and Independent States; that they are Absolved from all Allegiance to the Federal Government Corporation (including all foreign powers to this Republic cir.2010) and that all political connection between them and all foreign powers, is and ought to be totally dissolved; and that, as Free and Independent States in perpetual union, they have full Power to levy War, conclude Peace, contract Alliance, establish Commerce, and do all other Acts and Things which Free and Independent States in perpetual union reserve the right to do.

And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other the protection of HAPPINESS, PROSPERITY, LIFE and LIBERTY.

Ratified this 31 day of January in the Year of our Lord 2014 by the honorable,
