15 RE: Asset Claims, IRS, etc., Mortgage Claims, Bankruptcy Claims, etc.

16
17 Dear Sir(s):

18 /

19 As you can see from the fact that this is a handwritten (W)rit of Assistance, I am not a
20 juristic person, my estate is not naturally a juristic estate, nor am I the subject of a juristic estate.
21 I am not a DEFENDANT of any kind. As a mortal woman, I am unable to franchise myself,
22 even if I wanted to.

23 Yesterday, I received a call from Ms. Tonya Rhames who introduced herself (IRS) and
24 attempted to intimidate me with threats related to what she inferred is an ongoing Federal Grand
25 Jury inquiry into “me” and “my affairs”. She seemed to think I should be willing to meet with
26 her even though she was unwilling to put her questions into writing and according to agency
27 policy---so she said---was unable to provide me with records she had questions about, even
28 though the whole conversation and fact that she was talking to me implied that the records were
29 mine and that preserving my privacy from myself COULD NOT logically be an issue.

30 Last June 4, 2013, I entered special appearance before the US TAX COURT in
31 Anchorage, Alaska. I appeared in the flesh, clearly stated my whole given name, and the proper
32 way to address me. I informed the court that I was not a “withholding agent” or other employee,
33 ship’s warrant officer, etc., and provided material evidence in support. If the judge considered
34 me the DEFENDANT he certainly did not address me as such during the hearing, and I never
35 heard another word from the US TAX COURT. I never received any correspondence addressed
36 to me, either, as I told Ms. Rhames.

37 It is not my intention to insult the US DISTRICT COURT or the IRS or anyone else
38 concerned, but I must observe that it is not possible in equity to claim criminal or civil contempt
39 of court based on non-performance of court orders not addressed to you and issued in foreign
40 jurisdictions.

41 I might have also observed to Ms. Rhames that as I know for sure that I am not a
42 Withholding Agent, Ship's Warrant Officer, or other employee of the UNITED STATES
43 corporation, it is extremely inappropriate for any IRS personnel to suggest that I sign paperwork
44 under condition of penalty of perjury claiming that I am, or that I am under any obligation to
45 engage in such criminal acts.

46 When I was still a baby in my cradle unscrupulous men merely claiming to "represent"
47 me enfranchised my given name without my knowledge or consent. They used this device to lay
48 claim to my earthly estate under color of law, claimed that I was "missing—presumed lost at
49 sea", claimed that their corporation was my beneficiary, misappropriated my credit, and moved
50 the "ANNA MARIA RIEZINGER ESTATE" to Puerto Rico---placing it under the control of a
51 foreign government, that of the United States of America (Minor) --- a "union" of "American"
52 "states" more normally thought of as "federal territories and possessions".

53 This is known as a "reverse trust scheme" in which a person posing as a trustee contrives
54 to cheat the beneficiary and lay claim to the trust assets to benefit themselves directly or a third
55 party they are colluding with, to share the spoils. It is just as criminal now when practiced by
56 giant corporations as it was in the nineteenth century when it was popular among British butlers.

57 The privately owned and operated "Federal Reserve" banking cartel operating an agency
58 calling itself the WISCONSIN STATE BOARD OF HEALTH approached my Mother under the
59 pretense of recording my birth and registered it instead. The affect of this "voluntary contract"
60 was never fully disclosed nor discussed; the very existence of any contract impacting my estate,
61 my nationality, or my controlling interests, was concealed from my Mother and her ignorance
62 guaranteed mine as well. I couldn't object to a contract, if I didn't know it existed, could I?

63 Thus a privately owned agency of a privately owned corporation---both deceptively
64 named to mislead people into thinking they were part of the legitimate government---secured an
65 undisclosed claim against me and my earthly estate. The Federal Reserve banks then used my
66 collateral as the basis to issue "bonds"---Birth Certificate Bonds, and claimed that my earthly
67 estate was chattel standing as "surety" backing the debts of the Federal Reserve and the United
68 States of America, **Incorporated**, a bankrupt governmental services corporations undergoing
69 Chapter 11 reorganization.

70 All this was done without disclosure, without notice, and without consent.

71 Thus the first step of the Reverse Trust Fraud was exercised against me and my estate by
72 international bankers. Their excuse for this unspeakable fraud and deceit was that still other
73 unscrupulous men, politicians claiming to represent "me", gave them permission.

74 On March 6, 1933, politicians acting as officers of private, for profit corporations named
75 after the organic States of the Union created by the Articles of Confederation and operating as
76 the "State of _____" franchises of the bankrupt United States of America, **Incorporated**,

77 readily agreed to let the Federal Reserve use “the good faith and credit” of “their states and the
78 citizenry thereof” as collateral backing the debts of their governmental services corporation in
79 Chapter 11.

80 The fact that their “States” were all private corporations merely named after the organic
81 states of the union and their “citizens” were merely *foreign situs* trusts named after living
82 Americans, didn’t prevent the Federal Reserve from “misunderstanding on purpose” and
83 advancing improper claims against the real assets of the organic states and the American People.

84 The swindlers had stolen our identity, commandeered our rightful government by stealthy
85 usurpation, and gained control of our credit cards by a process of semantic deceits based on
86 similar names and undisclosed commercial claims. The swindlers at the “State” level were
87 happy enough to help the “federal” level crooks in exchange for “federal revenue sharing”.

88 In 1944, the International Monetary Fund booted up the UNITED STATES, yet another
89 governmental services corporation, and took over the juicy contracts and assets of the United
90 States of America, Incorporated---right down to the US Department of Commerce and the
91 corporate flag. The IMF, an agency of the UN, has been running things ever since.

92 As a second step in the Great Fraud, the bankruptcy Trustee named by the creditors of the
93 United States of America, **Incorporated**, ---the Secretary of the Treasury of Puerto Rico---
94 created Roman Inferior Trusts also named after living Americans and moved all the ESTATES
95 to Puerto Rico, where they have been plundered at will.

96 Legal conventions since Roman times mandate that living people must be described or
97 denoted in all small letter names. Under Roman Civil Law they only lose that status when they
98 become debtors, at which point a free man partially loses his status and is named using upper and
99 lower case style conventions. Slaves are named using all capital letters.

100 Some people try to pretend that these naming conventions are “a matter of semantics” but
101 all these Roman Inferior Trusts named after Americans and “presumed” to contain all our earthly
102 assets are administered under Roman Civil Law---so the naming conventions mean what they
103 meant two thousand years ago, and that’s why they are used at all. That is also the reason that
104 the Roman Curia is responsible for these ESTATES and the reason that the Vatican Chancery
105 Court is the supreme court of record and equity claims brought against these ESTATES--- not
106 the “US Supreme Court” and certainly not the “US DISTRICT COURT”.

107 I have brought my claim of life before the Vatican Chancery Court and redeemed my
108 ESTATE; having overcome all claims of beneficial interest and all claims of controlling interest,
109 I have presented myself as the unique beneficiary of all ESTATE assets, which are owed to me
110 as Caesar upon the land of the organic states.

111 This is because my forefathers vested the entire civil government in each and every
112 inhabitant of the organic states. Each American has more civil authority on the land than the
113 entire “federal government” and when the federal government acts as a corporation in commerce
114 it has only the rights and protections of any other commercial corporation.

115 Neither the UNITED STATES corporation nor its employees nor its agents enjoy any
116 immunity from prosecution for criminal acts---including fraud, extortion, unlawful conversion,
117 and inland piracy.

118 As the unique beneficiary of the ESTATES named after me, I have told the Internal
119 Revenue Service (which has the credit side of my account) to pay the IRS credit to balance out
120 any alleged debts. This is essentially a matter of forcing the Federal Reserve to drop its claim
121 that it is the beneficiary of my ESTATE(S), pay the IMF for governmental services it provided,
122 and pay off all the debts and encumbrances the Federal Reserve charged against my credit and
123 my ESTATE(S) via fraud.

124 It is clearly not my will to harm or defraud anyone. I come to equity as a creditor with
125 clean hands and as a beneficiary of a sacred trust who has innocently suffered great harm at the
126 hands of persons owing me nothing but good faith, service, and protection.

127 I require the return of my property—my controlling interest, my name, my credit, my
128 bank accounts, my organic state, free of debt or encumbrances accrued by the false beneficiaries
129 or others claiming to “represent” me or my interests, including any public trustees operating in
130 breach of trust.

131 Let’s make this clear--- every single member of the American Bar Association and the
132 British Bar Association and the entire City State of Westminster owes me “perpetual peace and
133 amity” as an “ally” owed the “protection” of the British Crown “in perpetuity”. That obligation
134 is not erased by the convenient deceit of pretending that I am someone else or in this case, some
135 “thing” else.

136 Any assault against me, my vessels in commerce, or my ESTATE whatsoever is a
137 violation of international treaty and a war crime against a non-combatant civilian.

138 The “US DISTRICT COURT” needs to get the message. If you want to get paid, you
139 need to expedite the “re-venue” of American assets back to Americans. The “US Attorney”
140 needs to get the message, too. There is no future in oppressing and defrauding your employers.
141 There is only a very real jail or deportation order waiting for those who are slow to accept
142 correction. The same is true for the IRS, which stands to suffer large fines if it continues to bring
143 false claims in equity.

144 Nobody is helped by any continued “misunderstanding” or hostility except those
145 responsible for creating, promoting, and prolonging all this fraud. If you want to be identified as
146 criminals, then sail on. Otherwise, it is well past time to reverse course, render aid and
147 assistance, and make correction.

148 Now, I realize that I come across as an angry litigant---but instead of that, I am an
149 outraged seeker of peace, merely determined to end the current fraud and predation and make
150 transition as painless as possible.

151 I require the assistance of the US Courts and all their officers to return my property
152 including all elements protected by the national trust indenture included in the Preamble and Bill
153 of Rights of the original equity agreement known as “The Constitution for the united States of
154 America”.

155 I also require the US Courts and their officers to take NOTICE of the situation discussed
156 herein, to assess, evaluate, and combat the corruption and predatory practices that have been
157 used to defraud, rob, and falsely indebt the American People---me, among them. Be aware that
158 while the UNITED STATES is owed money for services it has provided, the debtor responsible
159 for paying the bill is the Federal Reserve, not individual Americans who have been defrauded.

160 All tax bills must be properly addressed to the Internal Revenue Service (Federal
161 Reserve) requesting payment on the account in behalf of the IRS. The IMF should be direct
162 billing and so should the IRS when it engages as a bill collector. There should be clear and open
163 understanding among all parties including the officers of the "US DISTRICT COURT" of who
164 the real parties of interest are and who owes who, how much, and why.

165 At this time, the Federal Reserve, the Department of Defense, and the North American
166 Water and Power Alliance owe the American People in excess of 20 trillion "dollars" worth of
167 purloined assets and misappropriated private credit, and that is just the tip of the iceberg.

168 It is necessary, urgent, and right that all improper administration ceases and all collection
169 of presumed debts from individual living Americans ceases. The Federal Reserve constructed
170 this entire fraud scheme. It is time for the Federal Reserve to pay its debts, directly. The IRS is
171 knowingly or in ignorance continuing to bring claims against individual ESTATES under the
172 false presumption that they are sureties for the debts piled up by these fraudsters.

173 The "US DISTRICT COURT" acting as a "federal"---that is, IMF, debt collection
174 agency operating under "federal debt collection procedures" and freely allowing itself to "write
175 the unwritten law" of Law Merchant as it goes is a big part of the problem.

176 In 1845 via the Treaty of the Verona, the then-Pope and the British King representing the
177 interests of the British Crown agreed to undermine the American government. The King issued
178 Letters of Marque and Reprisal to the members of the Bar Association commissioning them to
179 act as privateers and offering them protection. Those letters operated in perpetuity --- until 2013,
180 when they were extinguished and the Treaty of Verona repudiated.

181 The "US DISTRICT COURT" and its officers have been given copies of the July 11,
182 2013 "Motu Proprio" issued by Pope Francis acting as the Global Estate Trustee and signed
183 "FRANCISCUS". Anyone and everyone involved in the court system worldwide is now 100%
184 liable for their acts and omissions. That includes the "US SUPREME COURT JUSTICES"
185 down to the lowliest clerks. The order took full effect on September 1, 2013.

186 Thus it is no longer a matter of whether the Bar Associations want to be nice guys or not.
187 If they continue to expedite the fraud against the American People and to use their office to
188 confiscate private property under these conditions, the Bar Associations will be outlawed and
189 their members prosecuted, fined, and/or jailed as criminals---worldwide.

190 This news (and the changes in operations) has been slow in distribution, no doubt
191 because some people don't want the feeding frenzy to end, and others, like US Attorney Karen
192 Loeffler, are afraid of all the things they have already done and what reparations will require.

193 By addressing this (W)rit of Assistance and Affidavit of Truth to JUDGE THOMAS F.
194 HOGAN, the Director of the Administrative Office of the US Courts, and publishing this (W)rit

195 and Affidavit under edict of Notice --- “Notice to Principals is Notice to Agents. Notice to
 196 Agents is Notice to Principals.” --- it is my intention to secure prompt aid and assistance from
 197 this office and all officers subject to his guidance and administration, or failing that, to exercise
 198 my standing to bring complaint and claim.

199 The Treaty of Westminster (1784) has been properly invoked by one having the right and
 200 standing to invoke it. The fraud, which has no statute of limitations, has been described. The
 201 entire “maritime government” including the office of JUDGE THOMAS F. HOGAN has been
 202 informed and provided with a copy of the referenced “Motu Proprio” and the Final Judgment and
 203 Civil Orders issued in April, 2014.

204 There can be no misunderstanding and no continuance of the legal presumptions which
 205 have been used to defraud Americans for three generations, and to impose debt slavery upon
 206 them.

207 **Specific Assistance Required**

208
 209 1. Administrative direction given to all US Courts regarding the fraud which has been practiced
 210 against the American People, directing all such courts and tribunals to set free all those jailed
 211 under the false presumption of “US citizenship”---that is, all Americans who are not naturally
 212 subject to maritime jurisdiction or actual employees of the UNITED STATES Corporation and
 213 who have otherwise not freely chosen to undergo the process to become “Federal Citizens”
 214 stipulated in US Statute at Large 2, Revised Statute 2165.

215
 216 2. Administrative direction given to all US Courts regarding the true parties of interest in all
 217 cases brought by either the Internal Revenue Service in behalf of the Federal Reserve or the IRS
 218 in behalf of the International Monetary Fund, and holding harmless all individual ESTATES and
 219 unincorporated sole proprietors, and partnerships and associations operating on the land or in
 220 behalf of the land’s inhabitants.

221
 222 3. Administrative direction given to all US Courts regarding the limitations of their jurisdictions,
 223 and the responsibilities of both Plaintiffs and Attorneys when presenting claims under Law
 224 Merchant and Admiralty---specifically, there must be a clearly identified injured party who is
 225 NOT the attorney in the case taking full responsibility under commercial liability for making the
 226 charge or issuing the complaint, and in Admiralty cases there must be a valid maritime contract
 227 in evidence which is freely and fully disclosed and discussed by all parties concerned. Such
 228 contracts cannot be presumed to exist or to be valid absent a finding of true maritime subject
 229 matter and voluntary, fully disclosed, in-kind, equitable, two-party contract having been
 230 executed by people or persons competent to enter into contract---that is, no “third party”
 231 contracts made by “representatives” or “trustees” or “donors” on behalf of any individual or
 232 more to the point, any individual ESTATE presumed to exist, without open scrutiny by the court
 233 to ascertain the authority, identity, and capacity of such representatives and the appropriateness
 234 of the contracts they have entered into “on the behalf” of other parties. It must be clearly

235 understood by all US Courts that contracts executed in breach of trust are universally invalid and
236 cannot be enforced.

237
238 4. Administrative direction given to the US Attorney's Office in Anchorage, Alaska, and to the
239 US DISTRICT COURT in Anchorage, Alaska, and to US ATTORNEY KAREN LOEFFLER of
240 Anchorage, Alaska, instructing these persons to stand down, cease and desist, all inappropriate
241 assaults upon the individual American Nationals and their rightfully reclaimed and redeemed
242 ESTATE(S), which are all allies of the Crown owed perpetual peace from Westminster and all
243 protections they are guaranteed by treaty and trust indenture. It must be understood and clearly
244 communicated to the US Courts that the ESTATES of the living Americans and their private
245 business enterprises and social organizations as well as all property rightfully belonging to their
246 organic geographically defined states, including the Alaska state, are in safe keeping only, not
247 subject to the Crown, and owed all aid and assistance from officers of the Crown. All living
248 individuals and their ESTATES must be set free and all interest in their property must be
249 released from any presumption that they are or ever were "surety" for the debts of the United
250 States of America, Incorporated, or ever legitimately "residents" of Puerto Rico, or "citizens of
251 the UNITED STATES" ,etc., etc., etc., [---claims made under conditions of fraud---] and with
252 the understanding that these individuals and their ESTATES are NOT subject to the Crown,
253 NOT subject to the jurisdiction of the United States of America (Minor) and not subject to
254 representations made "in their behalf" or contracts made "in their behalf" by any incorporated
255 entity whatsoever that has merely claimed to "represent" them on the basis of undisclosed
256 contracts obtained under conditions of fraud, semantic deceit and coercion including armed force
257 and monopoly inducement.

258
259 5. Administrative direction given to the US Courts advising and instructing them that the
260 "Federal Reserve Corporation" has operated as a criminal syndicate and that the International
261 Monetary Fund, Inc. has colluded with them to plunder the "public trusts" created by the Federal
262 Reserve's "complex regulatory scheme" and that both these entities are subject to liquidation and
263 disposal of their assets in payment of reparations owed to the American states, the American
264 People, and others around the globe who have been terrorized and pillaged by those operating
265 these legal fictions. The officers of the US Courts must be instructed to come to the assistance of
266 the victims and to deny bankruptcy protection to both the Federal Reserve and the International
267 Monetary Fund and also to the Trust Management Organizations and agencies and corporations
268 these entities operate, to the extent that they have knowingly and willingly participated in the
269 fraud.

270
271 6. Administrative direction given to the office of JUDGE TIMOTHY M. BURGESS and US
272 ATTORNEY KAREN LOEFFLER, directing them to immediately order the release of the living
273 man james-leroy:jensen, jr. and the living woman robin-louise:jensen from false arrest related to
274 a fraudulent tax claim arising from purposeful misadministration of their ESTATE(S) which the

275 US DISTRICT COURT accepted and prosecuted as account # 3:09-cr-00108 TMB 1 and 2, and
276 also order payment of reparations owed these individuals and their ESTATE(S). The jensens
277 rightfully informed the COURT of their standing and identity as American Nationals and
278 objected to being misidentified by the COURT as “withholding agents” or other officials or
279 employees of the UNITED STATES. They subsequently acted under condition of gross
280 coercion to discharge the purported tax debts, thereby proving beyond reasonable doubt that any
281 tax debt owed by their ESTATE(S) was fictitious in nature and the result of the failure of the
282 Internal Revenue Service (Federal Reserve) employees to do the bookkeeping and transfer credit
283 to pay the IRS (International Monetary Fund). Like millions of other Americans the jensens
284 were prevented from accessing the credit side of their ESTATE trust because the Federal
285 Reserve claimed to be the Beneficiary of their ESTATE(S). They were misidentified and
286 mischaracterized as public employees in the same way that their private estates were unlawfully
287 converted into public trusts by fraud upon the probate courts. The jensens are the victims of
288 crime, not the perpetrators responsible for it. They have been held in private “federal”
289 “correctional facilities” for over a year under conditions of known false arrest. The US
290 DISTRICT COURT and its officers are complicit in the fraud at this point and responsible for
291 providing full remedy at equity and full cure and maintenance under admiralty law to the
292 jensens. They have been given all Due Process including Final Notice and Notice of Dishonor in
293 both jurisdictions, and the US DISTRICT COURT and its OFFICERS will be found both
294 culpable and liable for this circumstance if PROMPT administrative action is not taken to correct
295 this situation in full. As there is not known monetary standard for the value of an individual’s
296 life and time on earth, settlement is stipulated in the amount of \$100,000.00 USD per individual,
297 per day that the false arrest and incarceration continues in this case. Without putting too sharp a
298 point on it, if it is the job and aim of the “US DISTRICT COURT” to collect funds owed to the
299 “UNITED STATES”, it should confine its efforts to Internal Revenue Service employees---real
300 ones---and bring a swift end to the incarceration of innocent Third Parties.

301
302 7. Administrative direction to the US Courts recognizing the fact that the Roman Curia holds
303 authority over all aspects of Roman Civil Law including its interpretation, that Roman Inferior
304 Trusts also known as “Cestui Que Vie” Trusts, are uniquely formed as creations of the Roman
305 Civil Law and to the extent that their administration is necessary, it remains under the Roman
306 Civil Law and under the authority of the Roman Curia to define, interpret, and ultimately to
307 dictate the administration of these trusts in whatever venue they appear. Accordingly, all the
308 living Americans and their organic states which were “redefined” by the Secretary of the
309 Treasury of Puerto Rico and removed there “for safe-keeping” are all Roman Inferior Trusts,
310 they all exist and operate under the rules established by the Roman Curia and are subject to the
311 Vatican Chancery Court as the ultimate and final court of record and equity. The Vatican
312 Chancery Court has explicitly determined and placed in the international record of all nations
313 and venues of the international law its un-appeal-able decision awarding the beneficial and
314 controlling interest in the individual ESTATE(S) to the Americans they are named after, and has

315 also determined that the living Americans are “tax exempt” and that their “vessels in commerce”
316 are “tax pre-paid”. As a practical matter this means that “anna-maria of the house riezinger” is
317 tax exempt from any claim of any “government” upon the land or sea, that the foreign situs trust
318 dba “Anna Maria Riezinger” is tax pre-paid, and the Roman Inferior Trust “ANNA MARIA
319 RIEZINGER” is similarly tax pre-paid as a result of pre-existing contracts owed by the
320 international banking cartels and governmental services corporations they operate under contract.
321 It is, and since 1933, has been, literally impossible for any of these entities to owe ANY “tax
322 debts” whatsoever. Every single case that the US TAX COURT and the US DISTRICT COURT
323 have processed since 1933 against these individuals and their estate trusts related to “tax debts”
324 has been tainted by fraud and are null and void, ab initio.

325
326 8. Administrative direction to the US Courts advising them of these facts above and instructing
327 them to release all living Americans being held for any tax related offenses whatsoever, and
328 ordering the immediate discharge of any claims offered by the Internal Revenue Service or the
329 IRS against all and any “vessels in commerce” ---trusts, transmitting utilities, foundations, etc., --
330 -operated by American Nationals or their organic states. As astounding as this may seem, it is
331 merely part of what is owed. The IMF dba “IRS” should be advised to directly bill the Internal
332 Revenue Service (FEDERAL RESERVE) and the Internal Revenue Service should be advised
333 that the buck for tax debts stops at the Federal Reserve. Bringing claims against individual
334 living Americans or their trusts, transmitting utilities, or other commercial “vessels” for alleged
335 “tax debts” is a criminal act subject to prosecution.

336
337 9. Similarly, I require your assistance and the assistance of your office(s) to provide
338 administrative direction to the US Courts instructing them to vigorously prosecute public utility
339 companies which deny electrical, telephone, or other such services to living Americans and their
340 unincorporated sole proprietorships, partnerships, and associations for “non-payment” of utility
341 bills under the pretense that these ESTATE trusts are “corporate parties” responsible for
342 payment. In a corollary scam to that practiced by the Federal Reserve, the North American
343 Water and Power Alliance has used the convenient excuse – “corporate entities are liable to pay
344 for public utilities”---to bill the ESTATE(S) of living Americans----ignoring the fact that all the
345 utility bills owed by these ESTATE(S) have been pre-paid since 1933. The utility companies
346 have followed the practices of the IRS and Internal Revenue Service in purposefully
347 misidentifying and mischaracterizing their “customers” and in the case of cooperatives, their
348 “members” and continued to charge for utility services under the pretense that they are all
349 corporate entities and that the True Trust beneficiaries are “unknown”.

350
351 10. Similarly, I require assistance providing administrative directions to the US Courts including
352 “State” franchise courts requiring reform of their presumptions and procedures and disposition of
353 claims made by banks which have similarly and without full disclosure or consent unlawfully
354 converted the private bank accounts including savings accounts and escrow accounts owed to

355 individual American Nationals on the pretense that these funds belong to the Puerto Rican
356 ESTATE Trusts established “in the name” of individual living Americans inhabiting the organic
357 state---geographically defined. This is merely another tentacle of the fraud and false claims and
358 self-interested misrepresentation akin to all the rest that needs to be addressed.
359

360 11. Finally, I require assistance in the form of administrative direction to the US Courts
361 providing them and their officers with the necessary information, instruction, and support to
362 carry out these necessary reforms as stipulated in the enclosed Final Judgment and Civil Orders
363 issued in April 2014. Over 10,000 copies of this handwritten (W)rit of Assistance and other
364 documents accompanying would be insufficient without your understanding and cooperation in
365 support of justice, law, and your own profession. Extreme perfidy and felony crimes are being
366 committed every day under the auspices of the “US DISTRICT COURTS” and your Office
367 which is responsible for their administration is uniquely culpable for this circumstance. In the
368 presumption of innocence, it can be presumed that you, like millions of others, have been
369 victimized, have paid “taxes” you didn’t owe, utility bills, mortgages, and various other “debts”
370 which were in fact pre-paid long ago. All your acts and the actions of your brethren operating
371 the “State” and “US” courts can be presumed to be----however ignorant and mistaken---to have
372 been in good faith, up until now, when decisions must be made and actions taken. As an
373 individual you can yield to the facts and the logic self-evident in the history and public records,
374 and you can take heed and listen to the Vatican Chancery Court---which has no reason to lie---or
375 not, but be advised that this (W)rit of Assistance and Affidavit of Truth, handwritten by an
376 American Great-Grandma who has no criminal history at all, has been published worldwide, and
377 it will either stand for you or against you, depending on what you do now and the efforts that you
378 make to ensure correction.
379

380 I affirm that in issuing this (W)rit of Assistance I am an ally in dire need upon the Holy Se(a) and
381 that I have sacred commissions to fulfill in temporal capacities which will not wait; I similarly
382 affirm that I have spoken the Truth, the whole Truth, and nothing but the Truth as I know it in
383 this written form today, and that I have acted in good faith, friendship, without malice, evil
384 intent, or any secretive purpose at all----and to this I also affirm that I am a known woman,
385 recognized as the wife of a known man, a life-long peaceful inhabitant of the Alaska state or one
386 of the other Several states as geographically defined and joined as The United States of America
387 (Major). I and my estate are natural and non-juristic, organic, retired, and beyond desire; the
388 juristic ESTATE(S) that I am heir to and which I have redeemed, I affirm that they are identical
389 in all material aspects (except name and number) to millions upon millions of other such
390 ESTATE(S) and that none of the conditions, circumstances, or processes described are at all
391 unique to me and mine: approximately 400 million inhabitants of the now-50 organic states have
392 all been similarly mistreated and defrauded by privately owned and operated international
393 banking cartels and the deceptively named governmental services corporations they have
394 operated. The proof of everything I have said here is readily available on the public records cited

395 in the Final Judgment and Civil Orders, to which I add 31 CFR 353-363 and 31 USC 1321 and
396 1322 and the Old Age Pension Act of 1939.
